Each Lender and the Administrative Agent hereby acknowledges and agrees that the Borrower and its Subsidiaries may be required to restate historical financial statements as the result of the implementation of changes in GAAP, or the respective interpretation thereof, and that such restatements will not result in a Default or an Event of Default under the Credit Documents.

Notwithstanding the foregoing, (x) the Borrower shall be under no obligation to mark the Borrower Materials "PUBLIC" and (y) the following

(2) take all reasonable action to obtain, preserve, renew and keep in full force and effect its rights, licenses, permits, privileges, franchises, and IP Rights material to the conduct of its business,

except in the case of clauses (1) or (2) of this Section 6.05 to the extent (other than with respect to the preservation of the existence of the Borrower set forth in clause (1)) that failure to do so would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect or pursuant to any merger, consolidation, liquidation, dissolution or disposition permitted by Article VII.

Section 6.08 Compliance with Laws. Comply in all material respects with the requirements of all Laws and all orders, writs, injunctions and decrees of any Governmental Authority applicable to it or to its business or property (including ERISA, the USA PATRIOT Act, Sanctions, OFAC and FCPA), except if the failure to comply therewith would not reasonably be expected individually or in the aggregate to have a Material Adverse Effect.

Section 6.09 Books and Records. Maintain proper books of record and account, in which entries that are full, true and correct in all material respects shall be made of all material financial transactions and matters involving the assets and business of the Borrower or such Restricted Subsidiary, as the case may be (it being understood and agreed that certain Foreign Subsidiaries may maintain individual books and records in conformity with generally accepted accounting principles in their respective countries of

organization and that such maintenance shall not constitute a breach of the representations, warranties or covenants hereunder).

Section 6.10 Inspection Rights. Permit representatives and independent contractors of the Administrative Agent and each Lender to visit and inspect any of its properties, to examine its corporate, financial and operating records, and make copies thereof or abstracts therefrom and to discuss its affairs, finances and accounts with its directors, officers, and independent public accountants (subject to such accountants' customary policies and procedures), all at the reasonable expense of the Borrower and at such reasonable times during normal business hours and as often as may be reasonably desired, upon reasonable advance notice to the Borrower; *provided* that only the Administrative Agent on behalf of the Lenders may exercise rights of the Administrative Agent and the Lenders under this Section 6.10 and the Administrative Agent shall not exercise such rights more often than two (2) times during any calendar year absent the existence of an Event of Default and only one (1) such time shall be at the Borrower's expense; *provided further* that when an Event of Default exists, the Administrative Agent (or any of its representatives or independent contractors) may do any of the foregoing at the expense of the Borrower at any time during normal business hours and upon reasonable advance notice. The Administrative Agent shall give the Borrower the opportunity to participate in any discussions with the Borrower's independent public accountants. For the avoidance of doubt, this Section 6.10 is subject to the last paragraph of Section 6.02. In no event shall the Administrative Agent be required to bear any cost or expense hereunder.

Section 6.11 Covenant to Guarantee Obligations and Give Security. At the Borrower's expense, subject to the provisions of the Collateral and Guarantee Requirement and any applicable limitation in any Collateral Document, take all action necessary or reasonably requested by the Administrative Agent, the Collateral Agent or the Required Lenders to ensure that the Collateral and Guarantee Requirement continues to be satisfied, including:

(a) within sixty (60) days (or such greater number of days specified below) after such formation, acquisition or designation or, in each case, such longer period as the Required Lenders may agree in their reasonable discretion cause such Material Domestic Subsidiary required to become a Guarantor under the Collateral and Guarantee Requirement to execute the Guaranty (or a joinder thereto) and other documentation the Collateral Agent or the Required Administrative Lenders may reasonably request from time to time in order to carry out more effectively the purposes of the Guaranty and the Collateral Documents and

Collateral and Guarantee Requirement, as reasonably requested by and in form and substance reasonably satisfactory to the Collateral Agent and the Required Administrative Lenders (consistent with the Security Agreement, Intellectual Property Security Agreements and other Collateral Documents in effect on the Closing Date), in each case granting and perfecting Liens required by the Collateral and Guarantee Requirement;

(B) within sixty (60) days after such formation, acquisition or designation, cause each such Material Domestic Subsidiary that is required to become a Guarantor pursuant to the Collateral and Guarantee Requirement to deliver any and all certificates representing Equity Interests (to the extent certificated) that are required to be pledged pursuant to the Collateral and Guarantee Requirement, accompanied by undated stock powers or other appropriate instruments of transfer executed in blank and a joinder to the Intercompany Subordination Agreement substantially in the form of Annex I thereto with respect to the intercompany Indebtedness held by such Material Domestic Subsidiary;

(C) within sixty (60) days after such formation, acquisition or designation, take and cause (i) the applicable Material Domestic Subsidiary that is required to become a Guarantor pursuant to the Collateral and Guarantee Requirement and (ii) to the extent applicable, each direct or indirect parent of such applicable Material Domestic Subsidiary, in each case, to take customary action(s) (including the filing of Uniform Commercial Code financing statements and delivery of stock and membership interest certificates to the extent certificated) as may be necessary in the reasonable opinion of the Collateral Agent or the Required Lenders to vest in the Collateral Agent (or in any representative of the Collateral Agent designated by it) valid and perfected (subject to Liens permitted by Section 7.01) Liens required by the Collateral and Guarantee Requirement, enforceable against all third parties in accordance with their terms, except as such enforceability may be limited by Debtor Relief Laws and by general principles of equity (regardless of whether enforcement is sought in equity or at law); and

(D) within sixty (60) days after the reasonable request therefor by the Collateral Agent (or such longer period as the Required Administrative Lenders may agree in their reasonable discretion), deliver to the Administrative Agent a signed copy of a customary Opinion of Counsel, addressed to the Administrative Agent and the Lenders, of counsel for the Loan Parties reasonably acceptable to the Required Administrative Lenders as to such matters set forth in this Section 6.11(1) as the Collateral Agent or the Required Administrative Lenders may reasonably request (with such opinion being consistent with the Opinion of Counsel delivered to the Collateral Agent on the Closing Date);

provided that actions relating to Liens on Real Property are governed by Section 6.11(2) and not this Section 6.11(1).

(2) Real Property.

(a) Notice.

(i) Within sixty (60) days (or such longer period as the Required Administrative Lenders may agree in their reasonable discretion), after the formation, acquisition or designation of a Material Domestic Subsidiary that is required to become a Subsidiary Guarantor under the Collateral and Guarantee Requirement, the Borrower will, or will cause such Material Domestic Subsidiary to, furnish to the Collateral Agent a description of any Real Property owned or leased by such Material Domestic Subsidiary.

(ii) Within sixty (60) days (or such longer period as the Required Administrative Lenders may agree in their reasonable discretion), after the acquisition of any Owned Real Property or Leased Real Property (other than any Excluded Asset(s)) by a Loan Party (other than Holdings), after the Closing Date, the Borrower will, or will cause such Loan Party to, furnish to the Collateral Agent a description of any such Owned Real Property or Leased Real Property.

(b) Mortgages. The Borrower will, or will cause the applicable Loan Party to, provide the Collateral Agent with a Mortgage with respect to any Real Property acquired after the Closing Date, that is the subject of a notice delivered pursuant to Section 6.11(2)(a), within ninety (90) days of the acquisition, formation or designation of such Material Domestic Subsidiary or the acquisition of such Real Property (or such longer period as the Required Administrative Lenders may agree in their reasonable discretion), together with:

(i) evidence that counterparts of the Mortgages have been duly executed, acknowledged and delivered and are in form suitable for filing or recording in all filing or recording offices that the Collateral Agent or the Required Administrative Lenders may deem reasonably necessary or desirable in order to create, except to the extent otherwise provided hereunder, including subject to Liens permitted by Section 7.01, a valid and subsisting perfected Lien on such Real Property, in favor of the Collateral Agent for the benefit of the Secured Parties and that all filing and recording taxes and fees have been paid or otherwise provided for in a manner reasonably satisfactory to the Required Administrative Lenders;

Notwithstanding the foregoing, where the consent or other affirmative action of the applicable landlord is required for Borrower or the applicable Subsidiary to deliver the Landlord Consent and Estoppel, and such consent cannot be obtained after the Borrower or the applicable Subsidiary's use of commercially reasonable efforts to do so (which commercially reasonable efforts, for the avoidance of doubt, shall not require the Borrower or applicable Subsidiary to amend or otherwise modify any of the existing terms or conditions of any agreement with any landlord or pay additional economics to any landlord), the delivery of the Landlord Consent and Estoppel by the Borrower shall automatically be deemed waived hereunder for such Leased Real Property, provided that Borrower shall provide Collateral Agent with notice within five (5) business days of Borrower's determination that a Landlord Consent and Estoppel cannot be obtained, as well as a reasonably detailed description of Borrower's efforts to obtain the Landlord Consent and Estoppel;

For purposes of determining compliance with any Dollar denominated restriction on the incurrence of Indebtedness or issuance of Disqualified Stock or Preferred Stock, the Dollar equivalent principal amount of Indebtedness or Disqualified Stock or Preferred Stock denominated in a foreign currency will be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness, Disqualified Stock or Preferred Stock was incurred, in the case of term debt, or first committed or first incurred (whichever yields the lower Dollar equivalent), in the case of revolving credit debt; *provided* that if such Indebtedness, Disqualified Stock or Preferred Stock is issued to Refinance other Indebtedness, Disqualified Stock or Preferred Stock denominated in a foreign currency, and such refinancing would cause the applicable Dollar denominated (or the applicable growth component with respect to such Basket, if greater) restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such Dollar denominated restriction will be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness, Disqualified Stock or Preferred Stock does not exceed (i) the principal amount of such Indebtedness, Disqualified Stock or Preferred Stock (as applicable) being refinanced *plus* (ii) the aggregate amount of accrued but unpaid interest, fees, underwriting discounts, defeasance costs, premiums (including tender premiums) and other costs and expenses (including OID, upfront fees or similar fees) incurred in connection with such refinancing.

The principal amount of any Indebtedness, Disqualified Stock or Preferred Stock incurred to refinance other Indebtedness, Disqualified Stock or Preferred Stock, if incurred in a different currency from the Indebtedness, Disqualified Stock or Preferred Stock, as applicable, being refinanced, will be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness or Disqualified Stock or Preferred Stock is denominated that is in effect on the date of such refinancing. The principal amount of any non-interest bearing Indebtedness or other discount security constituting

Indebtedness at any date will be the principal amount thereof that would be shown on a balance sheet of the Borrower dated such date prepared in accordance with GAAP.

For purposes of determining compliance with this Section 7.02, if any Indebtedness is refinanced in reliance on a Basket measured by reference to a percentage of Adjusted EBITDA, and such refinancing would cause the percentage of Adjusted EBITDA to be exceeded if calculated based on the Adjusted EBITDA on the date of such refinancing, such percentage of Adjusted EBITDA will not be deemed to be exceeded to the extent the principal amount of such obligations secured by such newly incurred Indebtedness does not exceed the sum of (i) the principal amount of such Indebtedness being refinanced, *plus* (ii) the related costs incurred or payable in connection with such refinancing.

(1) Non-Payment. The Borrower fails to pay (a) when and as required to be paid herein, any amount of principal of any Loan or (b) within five (5) Business Days after the same becomes due, any interest on any Loan or any other amount payable hereunder or with respect to any other Loan Document; or

to cause, or to permit the holder or holders of such Indebtedness (or a trustee or agent on behalf of such holder or holders or beneficiary or beneficiaries) to cause, with the giving of notice if required, such Indebtedness to become due or to be repurchased, prepaid, defeased or redeemed (automatically or otherwise), or an offer to repurchase, prepay, defease or redeem such Indebtedness to be made, prior to its stated maturity; *provided that* (A) such failure is unremedied and is not waived by the holders of such Indebtedness prior to any termination of the Commitments or acceleration of the Loans pursuant to Section 8.02, (B) this clause (5)(b) shall not apply to any Indebtedness if the sole remedy of the holder thereof in the event of the nonpayment of such Indebtedness or the non-payment or non-performance of obligations related thereto is to convert such Indebtedness into Equity Interests (other than Disqualified Stock) and cash in lieu of fractional shares and (C) this clause (5)(b) shall not apply to secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness, if such sale or transfer is permitted hereunder and under the documents providing for such Indebtedness; *provided further* that an ABL Event of Default, any Event of Default (as defined in the First Lien Credit Agreement) or an event of default under any agreement in respect of other Indebtedness secured by Liens on the Collateral that rank senior in priority to the Liens on the Collateral securing the Obligations shall not constitute an Event of Default hereunder unless and until the requisite controlling (or majority) of lenders or creditors thereunder have actually declared such Indebtedness to be immediately due and payable and such declaration has not been rescinded by the requisite controlling (or majority) of lenders or creditors thereunder on or before such date; or

(6) Insolvency Proceedings, etc. Holdings, the Borrower, any Loan Party or any Restricted Subsidiary that is a Significant Subsidiary institutes or consents to the institution of any proceeding under any Debtor Relief Law, or makes an assignment for the benefit of creditors; or applies for or consents to the appointment of any receiver, trustee, custodian, conservator, liquidator, rehabilitator, administrator, administrative receiver or similar officer for it or for all or any material part of its property; or any receiver, trustee, custodian, conservator, liquidator, rehabilitator, administrator, administrative receiver or similar officer is appointed without the application or consent of such Person and the appointment continues undischarged or unstayed for sixty (60) calendar days; or any proceeding under any Debtor Relief Law relating to any such Person or to all or any material part of its property is instituted without the consent of such Person and continues undismissed or unstayed for sixty (60) calendar days, or an order for relief is entered in any such proceeding; or

(a) An ERISA Event occurs with respect to a Pension Plan or Multiemployer Plan, (b) the Borrower or any Subsidiary Guarantor or any of their respective ERISA Affiliates fails to pay when due, after the expiration of any applicable grace period, any installment payment with respect to its Withdrawal Liability under Section 4201 of ERISA under a Multiemployer Plan, or (c) with respect to a Foreign Plan a termination, withdrawal or noncompliance with applicable Law or plan terms, except, with respect to each of the foregoing clauses of this Section 8.01(8), as would not reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect; or

(9) Invalidity of Loan Documents. Any material provision of the Loan Documents, taken as a whole, at any time after its execution and delivery and for any reason, other than (a) as expressly permitted by any Loan Documents (including as a result of a transaction permitted under Section 7.03 or 7.04), (b) as a result of acts or omissions by an Agent (it being understood that the foregoing exception shall not impose

any obligations on any Agent exculpated under Article IX) or any Lender or (c) due to the satisfaction in full of the Termination Conditions, ceases to be in full force and effect; or any Loan Party contests in writing the validity or enforceability of the Loan Documents, taken as a whole (other than as a result of the satisfaction of the Termination Conditions), or any Loan Party denies in writing that it has any or further liability or obligation under the Loan Documents, taken as a whole (other than as a result of the satisfaction of the Termination Conditions), or purports in writing to revoke or rescind the Loan Documents, taken as a whole, prior to the satisfaction of the Termination Conditions; or

Any Collateral Document with respect to a material portion of the Collateral after delivery thereof pursuant to Section 4.01, 6.11 or 6.13 for any reason (other than pursuant to the terms hereof or thereof including as a result of a transaction not prohibited under this Agreement) ceases to create, a valid and perfected Lien with the priority required by the Applicable Intercreditor Agreement (or other security purported to be created on the applicable Collateral) on and security interest in any material portion of the Collateral purported to be covered thereby, subject to Liens permitted under Section 7.01, except to the extent that any such loss of perfection or priority is not required pursuant to the Collateral and Guarantee Requirement or results from the failure of the Administrative Agent or the Collateral Agent to maintain possession of Collateral actually delivered to it and pledged under the Collateral Documents or to file Uniform Commercial Code amendments relating to a Loan Party's change of name or jurisdiction of formation (solely to the extent that the Borrower provides the Collateral Agent written notice thereof in accordance with the Security Agreement, and the Collateral Agent and the Borrower have agreed that the Collateral Agent will be responsible for filing such amendments; provided that each party to this Agreement acknowledges and agrees that the Collateral Agent and the Required Administrative Lenders may use an outside service provider for the tracking of all Uniform Commercial Code financing statements required to be filed pursuant to the Loan Documents and notification to the Collateral Agent or the Required Administrative Lenders, as the case may be, of, among other things, the upcoming lapse or expiration thereof) and continuation statements or to take any other action primarily within its control with respect to the Collateral and except as to Collateral consisting of Real Property to the extent that such losses are covered by a lender's title insurance policy and such insurer has not denied coverage (it being understood that the foregoing exception shall not impose any obligations on any Agent exculpated under Article IX); or

(11) Change of Control. There occurs any Change of Control.

Section 8.02 Remedies upon Event of Default. If any Event of Default occurs and is continuing, the Administrative Agent may with the consent of the Required Lenders and shall, at the request of the Required Lenders, take any or all of the following actions:

(1) declare the Commitments of each Lender to be terminated, whereupon such Commitments will be terminated;

(2) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable under any Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrower; and

(3) exercise on behalf of itself and the Lenders all rights and remedies available to it and the Lenders under the Loan Documents or applicable Law;

provided that upon the occurrence of an actual or deemed entry of an order for relief, with respect to the Borrower under Title 11 of the United States Code entitled "Bankruptcy," as now or hereafter in effect, or any successor thereto (the "**Bankruptcy Code**"), the Commitments of each Lender will automatically

terminate and the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid will automatically become due and payable without further act of the Administrative Agent or any Lender.

Section 8.03 Application of Funds. After the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable as set forth in the proviso to Section 8.02), subject to the Applicable Intercreditor Agreement then in effect, any amounts received on account of the Obligations will be applied by the Administrative Agent in the following order:

First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and all other amounts (other than principal and interest, but including Attorney Costs payable under Sections 10.04 and 10.05 and amounts payable under Article III) payable to the Agents in their capacity as such;

Second, to payment of that portion of the Obligations constituting fees, indemnities and other amounts (other than principal and interest, but including Attorney Costs payable under Sections 10.04 and 10.05 and amounts payable under Article III) payable to the Lenders, ratably among them in proportion to the amounts described in this clause Second payable to them;

Third, to payment of that portion of the Obligations constituting accrued and unpaid interest on the Loans, ratably among the Lenders in proportion to the respective amounts described in this clause Third payable to them;

Fourth, to payment of that portion of the Obligations constituting unpaid principal of the Loans, ratably among the Secured Parties in proportion to the respective amounts described in this clause Fourth held by them;

Fifth, to the payment of all other Obligations of the Loan Parties that are due and payable to the other Secured Parties on such date, ratably based upon the respective aggregate amounts of all such Obligations owing to the other Secured Parties on such date; and

(1) *Last*, the balance, if any, after all of the Obligations have been paid in full, to the Borrower or as otherwise required by Law.

ARTICLE IX

(1) Each Lender hereby irrevocably appoints Wilmington Trust, National Association, to act on its behalf as the Administrative Agent and Collateral Agent hereunder and under the other Loan Documents and authorizes the Agents to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent and Collateral Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article IX (other than Sections 9.09, 9.10, 9.11, 9.12 and 9.16) are solely for the benefit of the Agents and the Lenders and the Borrower and the other Loan Parties shall not have rights as a third-party beneficiary of any such provision.

In this connection, the Collateral Agent (and any co-agents, sub-agents and attorneys-in-fact appointed by the Collateral Agent pursuant to Section 9.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent), shall be entitled to the benefits of all provisions of this Article IX and Article X (including Sections 9.07, 9.08, 10.04 and 10.05, as though such co-agents, sub-agents and attorneys-in-fact were the Collateral Agent under the Loan Documents), and all other rights, privileges, protections, immunities, and indemnities granted to the Administrative Agent and the Collateral Agent under this Agreement and the other Loan Documents. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Administrative Agent and the Collateral Agent to (i) execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto (including any Applicable Intercreditor Agreement), as contemplated by and in accordance with the provisions of this Agreement and the Collateral Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders, and (ii) negotiate, enforce or settle any claim, action or proceeding affecting the Lenders in their capacity as such, at the written direction of the Required Lenders, which negotiation, enforcement or settlement will be binding upon each Lender.

Section 9.02 Rights as a Lender. Any Lender that is also serving as an Agent (including as Administrative Agent or Collateral Agent) hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include each Lender (if any) serving as an Agent hereunder in its individual capacity. Any such Person serving as an Agent and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not an Agent hereunder and without any duty to account therefor to the Lenders. The Lenders acknowledge that, pursuant to such activities, any Agent or its Affiliates may receive information regarding any Loan Party or any of its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that no Agent shall be under any obligation to provide such information to them.

Section 9.03 Exculpatory Provisions. The Administrative Agent and the Collateral Agent shall not have any duties, obligations or responsibilities except those expressly set forth in this Agreement and in the other Loan Documents. Without limiting the generality of the foregoing, an Agent (including the Administrative Agent and the Collateral Agent):

(1) shall not be subject to any fiduciary or other implied duties or obligations, regardless of whether a Default or Event of Default has occurred and is continuing and without limiting the generality of the foregoing, the use of the term “agent” or “ad hoc group” herein and in the other Loan Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law and instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative or representative relationship between independent contracting parties;

(2) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan

Documents), *provided* that notwithstanding anything to the contrary contained in this Agreement or the other Loan Documents, the Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable law; and

(3) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower, the Loan Parties, or any of their Affiliates that is communicated to or obtained by any Person serving as an Agent or any of its Affiliates in any capacity.

Neither the Agents nor any of their Related Persons shall be liable for and shall be fully protected from any action taken or not taken by it (i) with the consent, instruction, direction or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as any Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 10.01 and 8.02) or (ii) in the absence of its own gross negligence or willful misconduct as determined by the final and non-appealable judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein. No Agent shall be deemed to have knowledge of any Default or Event of Default unless and until notice describing such Default or Event of Default and stating that such notice is a “notice of default” is given to such Agent by the Borrower or a Lender.

No Agent-Related Person shall be responsible for or have any duty to ascertain or inquire into (i) any recital, statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent, or to inspect the properties, books or records of any Loan Party or any Affiliate thereof. The duties of the Agents shall be mechanical and administrative in nature; the Agents shall not have by reason of this Agreement or any other Loan Document a fiduciary relationship in respect of any Lender or the holder of any Term Note; and nothing in this Agreement or in any other Loan Document, expressed or implied, is intended to or shall be so construed as to impose upon any Agent any obligations in respect of this Agreement or any other Loan Document except as expressly set forth herein or therein.

Notwithstanding anything to the contrary set forth in this Agreement or any other Loan Document, no Agent shall be responsible for (i) perfecting, maintaining, monitoring, preserving or protecting the security interest or lien granted under this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, (ii) the filing, re-filing, recording, re-recording or continuing or any document, financing statement, mortgage, assignment, notice, instrument of further assurance or other instrument in any public office at any time or times or (iii) providing, maintaining, monitoring or preserving insurance on or the payment of taxes with respect to any of the Collateral. The actions described in items (i) through (iii) shall be the sole responsibility of the Borrower.

In no event shall any Agent be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether such Agent has been advised of the likelihood of such loss or damage and regardless of the form of action.

Section 9.04 Lack of Reliance on the Agents. Independently and without reliance upon the Agents, each Lender and the holder of each Term Note, to the extent it deems appropriate, has made and shall continue to make (i) its own independent investigation of the financial condition and affairs of Holdings, the Borrower and the Restricted Subsidiaries in connection with the making and the continuance of the Loans and the taking or not taking of any action in connection herewith and (ii) its own appraisal of the creditworthiness of Holdings, the Borrower and the Restricted Subsidiaries and, except as expressly provided in this Agreement, the Agents shall not have any duty or responsibility, either initially or on a continuing basis, to provide any Lender or the holder of any Term Note with any credit or other information with respect thereto, whether coming into its possession before the making of the Loans or at any time or times thereafter. The Agents shall not be responsible to any Lender or the holder of any Term Note for any recitals, statements, information, representations or warranties herein or in any document, certificate or other writing delivered in connection herewith or for the execution, effectiveness, genuineness, validity, enforceability, perfection, collectability, priority or sufficiency of this Agreement or any other Loan Document or the financial condition of the Holdings, the Borrower or any of the Restricted Subsidiaries or be required to make any inquiry concerning either the performance or observance of any of the terms, provisions or conditions of this Agreement or any other Loan Document, or the financial condition of Holdings, the Borrower or any of the Restricted Subsidiaries or the existence or possible existence of any Default or Event of Default.

Section 9.05 Certain Rights of the Agents. If an Agent requests instructions from the Required Lenders with respect to any act or action (including failure to act) in connection with this Agreement or any other Loan Document, such Agent shall be entitled to refrain from such act or taking such action unless and until such Agent shall have received instructions from the Required Lenders; and such Agent shall not incur liability to any Lender by reason of so refraining. Without limiting the foregoing, neither any Lender nor the holder of any Term Note shall have any right of action whatsoever against any Agent as a result of such Agent acting or refraining from acting hereunder or under any other Loan Document in accordance with the instructions of the Required Lenders.

Section 9.06 Reliance by the Agents. The Agents shall be entitled to rely upon, and shall be fully protected in relying upon, any note, writing, resolution, notice, statement, certificate, telex, teletype or facsimile message, cablegram, radiogram, order or other document or telephone message signed, sent or made by any Person that such Agent believed to be the proper Person, and, with respect to all legal matters pertaining to this Agreement and any other Loan Document and its duties hereunder and thereunder, upon advice of counsel selected by such Agent. In determining compliance with any condition hereunder to the making of a Loan, that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. The Agents may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Section 9.07 Delegation of Duties. The Agents may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Documents by or through any one or more sub agents appointed by the Agents. The Agents and any such sub agent may perform any and all of its duties and exercise its rights and powers by or through their respective Agent-Related Persons. All provisions of this Article IX and Article X (including Sections 9.07, 9.08, 10.04 and 10.05) and all other rights, privileges, protections, immunities, and indemnities granted to such Agent hereunder and under the other Loan Documents shall apply to any such sub agent and to the Agent-Related Persons of the Agents and any such sub agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent or Collateral Agent.

Section 9.08 Indemnification. Whether or not the transactions contemplated hereby are consummated, to the extent the Agents or any other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent or Collateral Agent) is not reimbursed and indemnified by the Borrower, the Lenders will reimburse and indemnify the Agents or any other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent or Collateral Agent) in proportion to their respective “percentage” as used in determining the Required Lenders for and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, judgments, costs, expenses or disbursements of whatsoever kind or nature which may be imposed on, asserted against or incurred by the Administrative Agent, the Collateral Agent or any other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent or the Collateral Agent) in performing its duties hereunder or under any other Loan Document or in any way relating to or arising out of this Agreement or any other Loan Document; *provided* that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, claims, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent’s or the Collateral Agent’s gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision). In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this Section 9.08 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse the Administrative Agent or the Collateral Agent, as applicable, upon demand for its ratable share of any costs or out-of-pocket expenses (including Attorney Costs) incurred by such Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that such Agent is not promptly reimbursed for such expenses by or on behalf of the Borrower, *provided* that such reimbursement by the Lenders shall not affect the Borrower’s continuing reimbursement obligations with respect thereto, *provided further* that the failure of any Lender to indemnify or reimburse the Administrative Agent or the Collateral Agent shall not relieve any other Lender of its obligation in respect thereof. The undertaking in this Section 9.08 shall survive termination of the Aggregate Commitments, the payment of all other Obligations and the resignation of the Administrative Agent and the Collateral Agent.

Section 9.09 The Agents in their Individual Capacity. With respect to its obligation to make Loans under this Agreement, the Agents shall have the rights and powers specified herein for a “Lender” and may exercise the same rights and powers as though it were not performing the duties specified herein; and the term “Lender,” “Required Lenders” or any similar terms shall, unless the context clearly indicates otherwise, include the Agents in their respective individual capacities. The Agents and their affiliates may accept deposits from, lend money to, and generally engage in any kind of banking, investment banking, trust or other business with, or provide debt financing, equity capital or other services (including financial advisory services) to any Loan Party or any Affiliate of any Loan Party (or any Person engaged in a similar business with any Loan Party or any Affiliate thereof) as if they were not performing the duties specified herein, and may accept fees and other consideration from any Loan Party or any Affiliate of any Loan Party for services in connection with this Agreement and otherwise without having to account for the same to the Lenders. The Lenders acknowledge that, pursuant to such activities, any Agent or its Affiliates may receive information regarding any Loan Party or any of its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that no Agent shall be under any obligation to provide such information to them.

Section 9.10 Holders. The Administrative Agent may deem and treat the payee of any Term Note as the owner thereof for all purposes hereof unless and until a written notice of the assignment, transfer or endorsement thereof, as the case may be, shall have been filed with the Administrative Agent. Any request, authority or consent of any Person who, at the time of making such request or giving such authority

or consent, is the holder of any Term Note shall be conclusive and binding on any subsequent holder, transferee, assignee or endorsee, as the case may be, of such Term Note or of any Term Note or Term Notes issued in exchange therefor.

Section 9.11 Resignation by the Agents. The Administrative Agent and the Collateral Agent may resign from the performance of all its respective functions and duties hereunder or under the other Loan Documents at any time by giving 30 days prior written notice to the Lenders and the Borrower. If the Administrative Agent or the Collateral Agent is in material breach of its obligations hereunder, then such Agent may be removed as the Administrative Agent and/or Collateral Agent at the reasonable request of the Required Lenders. If any Agent is a Defaulting Lender, the Borrower may remove the Defaulting Lender from such role upon 15 days prior written notice to the Lenders.

Upon any such notice of resignation by, or notice of removal of, the Administrative Agent or the Collateral Agent, the Required Lenders shall appoint a successor Administrative Agent or Collateral Agent hereunder or thereunder who shall be a commercial bank or trust company reasonably acceptable to the Borrower, which acceptance shall not be unreasonably withheld or delayed (*provided* that the Borrower's approval shall not be required if an Event of Default under Section 8.01(1) or Section 8.01(6) has occurred and is continuing).

If a successor Administrative Agent or Collateral Agent shall not have been so appointed within such 30 day period, the Administrative Agent or Collateral Agent, as applicable, with the consent of the Borrower (which consent shall not be unreasonably withheld or delayed, *provided* that the Borrower's consent shall not be required if an Event of Default under Section 8.01(1) or Section 8.01(6) has occurred and is continuing), shall then appoint a successor Administrative Agent or Collateral Agent, who shall serve as Administrative Agent or Collateral Agent hereunder or thereunder until such time, if any, as the Required Lenders appoint a successor Administrative Agent or Collateral Agent as provided above.

If no successor Administrative Agent or Collateral Agent has been appointed pursuant to the foregoing by the 30th day after the date such notice of resignation was given by the Administrative Agent or Collateral Agent, or such notice of removal was given by the Required Lenders or the Borrower, as applicable, such Agent's resignation shall nonetheless become effective and the Required Lenders shall thereafter perform all the duties of the Administrative Agent and/or Collateral Agent, as applicable, hereunder or under any other Loan Document until such time, if any, as the Required Lenders appoint a successor Administrative Agent or Collateral Agent as provided above. The retiring Administrative Agent or Collateral Agent, as applicable, shall be discharged from its respective duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Collateral Agent on behalf of the Lenders under any of the Loan Documents, the retiring Collateral Agent shall continue to hold such collateral security until such time as a successor Collateral Agent is appointed) and all payments, communications and determinations provided to be made by, to or through the such Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders appoint a successor Administrative Agent or Collateral Agent as provided for above in this Section 9.11.

Upon the acceptance of a successor's appointment as Administrative Agent and/or Collateral Agent hereunder and upon the execution and filing or recording of such financing statements, or amendments thereto, and such amendments or supplements to the Mortgages, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders may request, in order to (i) continue the perfection of the Liens granted or purported to be granted by the Collateral Documents or (ii) otherwise ensure that the Collateral and Guarantee Requirement is satisfied, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Agent, and the retiring Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section 9.11).

The fees payable by the Borrower to a successor Administrative Agent or Collateral Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Administrative Agent's or Collateral Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article IX and Sections 10.04 and 10.05 and all other rights, privileges, protections, immunities, and indemnities granted to the Administrative Agent and the Collateral Agent hereunder and the other Loan Documents shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Agent-Related Persons in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent or Collateral Agent was acting as Administrative Agent and/or Collateral Agent, as applicable.

Upon a resignation of the Administrative Agent or Collateral Agent pursuant to this Section 9.11, such Agent (i) shall continue to be subject to Section 10.09 and (ii) shall remain indemnified to the extent provided in this Agreement and the other Loan Documents and the provisions of this Article IX (and the analogous provisions of the other Loan Documents) shall continue in effect for the benefit of the Administrative Agent or Collateral Agent, as applicable, for all of its actions and inactions while serving as the Administrative Agent or Collateral Agent.

Section 9.12 Collateral Matters. Each Lender irrevocably authorizes and directs the Collateral Agent to take the actions to be taken by them as set forth in Section 7.04 and 10.24.

Each Lender hereby agrees, and each holder of any Term Note by the acceptance thereof will be deemed to agree, that, except as otherwise set forth herein, any action taken by the Required Lenders in accordance with the provisions of this Agreement or the Collateral Documents, and the exercise by the Required Lenders of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all of the Lenders. The Collateral Agent is hereby authorized on behalf of all of the Lenders, without the necessity of any notice to or further consent from any Lender, from time to time prior to an Event of Default, to take any action with respect to any Collateral or Collateral Documents which may be necessary to perfect and maintain perfected the security interest in and liens upon the Collateral granted pursuant to the Collateral Documents.

Upon request by the Administrative Agent at any time, the Lenders will confirm in writing the Collateral Agent's authority to release particular types or items of Collateral pursuant to this Section 9.12. In each case as specified in this Section 9.12, the applicable Agent will (and each Lender irrevocably authorizes the applicable Agent to), at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release or subordination of such item of Collateral from the assignment and security interest granted under the Collateral Documents, or to evidence the release of such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 9.12.

The Collateral Agent shall have no obligation whatsoever to the Lenders or to any other Person to assure that the Collateral exists or is owned by any Loan Party or is cared for, protected or insured or that the Liens granted to the Collateral Agent herein or pursuant hereto have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, or to exercise or to continue exercising at all or in any manner or under any duty of care, disclosure or fidelity any of the rights, authorities and powers granted or available to the Collateral Agent in this Section 9.12, Section 10.24 or in any of the Collateral Documents, it being understood and agreed that in respect of the Collateral, or any act, omission or event related thereto, the Collateral Agent may act in any manner it may deem appropriate, in its sole discretion, and that the Collateral Agent shall have no duty or liability whatsoever to the Lenders, except for its gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

Section 9.13 [Reserved].

Section 9.14 Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Sections 2.09, 3.01, 10.04 and 10.05) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts due the Administrative Agent under the Loan Documents (including all amounts due under Sections 2.09, 3.01, 10.04 and 10.05).

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

Section 9.15 Appointment of Supplemental Administrative Agents.

(1) It is the purpose of this Agreement and the other Loan Documents that there shall be no violation of any Law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as agent or trustee in such jurisdiction. It is recognized that in case of litigation under this Agreement or any of the other Loan Documents, and in particular in case of the enforcement of any of the Loan Documents, or in case the Administrative Agent deems that by reason of any present or future Law of any jurisdiction it may not exercise any of the rights, powers or remedies granted herein or in any of the other Loan Documents or take any other action which may be desirable or necessary in connection therewith, the Administrative Agent is hereby authorized to appoint an additional individual or institution selected by the Administrative Agent in its sole discretion as a separate trustee, co-trustee, administrative agent, collateral agent, administrative sub-agent or administrative co-agent (any such additional individual or institution being referred to herein individually as a “**Supplemental Administrative Agent**” and collectively as “**Supplemental Administrative Agents**”).

(2) In the event that the Administrative Agent appoints a Supplemental Administrative Agent with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to the

In case any Supplemental Administrative Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Administrative Agent, to the extent permitted by Law, shall vest in and be exercised by the Administrative Agent until the appointment of a new Supplemental Administrative Agent.

Section 9.16 Intercreditor Agreements. Notwithstanding anything to the contrary in this Agreement or in any other Loan Document, each Lender (and, by its acceptance of the benefits of any Collateral Document, each other Secured Party): (a) acknowledges that it has received a copy of ABL Intercreditor Agreement, the Term Intercreditor Agreement or any other Applicable Intercreditor Agreement, (b) consents to the subordination of Liens provided for in the ABL Intercreditor Agreement, the Term Intercreditor Agreement or any other Applicable Intercreditor Agreement, the Liens granted to the Collateral Agent in favor of the Secured Parties pursuant to the Loan Documents and the exercise of any right related to any Collateral shall be subject, in each case, to the terms of the ABL Intercreditor Agreement, the Term Intercreditor Agreement or any other Applicable Intercreditor Agreement, (c) acknowledges that in the event of any conflict between the express terms and provisions of this Agreement or any other Loan Document, on the one hand, and of the ABL Intercreditor Agreement, the Term Intercreditor Agreement or any other Applicable Intercreditor Agreement, on the other hand, the terms and provisions of the ABL Intercreditor Agreement or Term Intercreditor Agreement, as the case may be, shall control, and (d) authorizes and instructs the Administrative Agent and Collateral Agent to execute the ABL Intercreditor Agreement, the Term Intercreditor Agreement or any other Applicable Intercreditor Agreement (including, in each case, any and all amendments, amendments and restatements, modifications, supplements and acknowledgements thereto permitted hereby from time to time) on behalf of such Lender, and such Lender agrees to be bound by the terms thereof.

Section 9.17 [Reserved].

To the extent required by any applicable Laws, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. Without limiting or expanding the provisions of Section 3.01, each Lender shall indemnify and hold harmless the Administrative Agent against, and shall make payable in respect thereof within 10 days after demand therefor, any and all Taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agent) incurred by or asserted against the Administrative Agent by the IRS or any other Governmental Authority as a result of the failure of the Administrative Agent to properly withhold Tax from amounts paid to or for the account of such Lender for any reason (including because the appropriate form was not

delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding tax ineffective). A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this Section 9.18. (c) reduce the principal of, or the rate of interest specified herein on, any Loan, or (subject to clause (I) of the proviso immediately succeeding clause (i) of this Section 10.01(1)) any fees or other amounts payable hereunder or under any other Loan Document to any Lender without the written consent of such Lender; *provided* that only the consent of (A) the Required Lenders shall be necessary to amend the definition of “Default Rate” and (B) the Required Lenders will be necessary to waive any obligation of the Borrower to pay interest at the Default Rate;

(g) change any provision requiring pro rata payments or pro rata sharing of payments, without the written consent of each Lender directly and adversely affected thereby;

(h) [Reserved];

(i) change any term or provision of Section 8.03, without the written consent of each Lender directly and adversely affected thereby;

(j) amend, waive or otherwise modify any term or provision (including the availability and conditions to funding and the rate of interest applicable thereto) which directly affects Lenders of one Facility and does not directly affect Lenders under any other Facility, in each case, without the written consent of the Required Facility Lenders under such applicable Facility; or

(k) change the definition of “Unrestricted Subsidiary” or the addition of any Unrestricted Subsidiaries after the Closing Date, without the written consent of each Lender;

provided that:

(I) no amendment, waiver or consent shall, unless in writing and signed by the applicable Agent in addition to the Lenders required above, affect the rights or duties of, or any fees or other amounts payable to, such Administrative Agent under this Agreement or any other Loan Document; and

(II) Section 10.07(g) may not be amended, waived or otherwise modified without the consent of each Granting Lender all or any part of whose Loans are being funded by an SPC at the time of such amendment, waiver or other modification;

provided further that notwithstanding the foregoing:

(A) no Defaulting Lender shall have any right to approve or disapprove of any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders, the Required Lenders, the Required Facility Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders) (it being understood that any Commitments or Loans held or deemed held by any Defaulting Lender shall be excluded for a vote of the Lenders hereunder requiring any consent of the Lenders);

(B) no Lender consent is required to effect any amendment or supplement to any Applicable Intercreditor Agreement (i) that is for the purpose of adding the holders of Credit Agreement Refinancing Indebtedness or any other Permitted Indebtedness that is secured Indebtedness (or a Debt Representative with respect thereto) as parties thereto, as expressly contemplated by the terms of such Applicable Intercreditor Agreement, as applicable (it being understood that any such amendment, modification or supplement may make such other changes to the applicable Applicable Intercreditor Agreement as, in the good faith determination of the Required Administrative Lenders, are required to effectuate the foregoing and provided that such other changes are not adverse, in any material respect, to the interests of the Lenders) or (ii) that is expressly contemplated by any Applicable Intercreditor Agreement; *provided further* that no such agreement shall amend, modify or otherwise affect the rights or duties of, or any fees or other amounts payable to, any Agent hereunder or under any other Loan Document without the prior written consent of such Agent, as applicable;

(C) this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (i) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans and the accrued interest and fees in respect thereof and (ii) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders;

(D) any waiver, amendment or modification of this Agreement that by its terms affects the rights or duties under this Agreement of Lenders holding Loans or Commitments of a particular Class (but not the Lenders holding Loans or Commitments of any other Class) may be effected by an agreement or agreements in writing entered into by the Borrower and the requisite percentage in interest of the affected Class of Lenders that would be required to consent thereto under this Section 10.01 if such Class of Lenders were the only Class of Lenders hereunder at the time;

(E) Without limiting the scope of Section 10.01(3) below, any provision of this Agreement or any other Loan Document may be amended by an agreement in writing entered into by the Borrower and the Administrative Agent to cure any ambiguity, omission, defect or inconsistency (including amendments, supplements or waivers to any of the Collateral Documents, guarantees, intercreditor agreements or related documents

executed by any Loan Party or any other Subsidiary in connection with this Agreement if such amendment, supplement or waiver is delivered in order to cause such Collateral Documents, guarantees, intercreditor agreements or related documents to be consistent with this Agreement and the other Loan Documents) so long as, in each case, the Lenders shall have received at least 5 Business Days' prior written notice thereof and the Administrative Agent shall not have received, within 5 Business Days of the date of such notice to the Lenders, a written notice from the Required Lenders stating that the Required Lenders object to such amendment; *provided* that the consent of the Lenders or the Required Lenders, as the case may be, shall not be required to make any such changes necessary to be made in connection with any borrowing of Incremental Term Loans, Refinancing Loans, any Extension or any borrowing of Replacement Loans and otherwise to effect the provisions of Section 2.14, 2.15 or 2.16 or the immediately succeeding paragraph of this Section 10.01, respectively;

(F) the Borrower and the Collateral Agent may, without the input or consent of the other Lenders, but with the consent of the Required Administrative Lenders, (i) effect changes to any Mortgage or any other Collateral Document as may be necessary or appropriate in the opinion of the Required Administrative Lenders and (ii) effect changes to this Agreement that are necessary and appropriate to effect the offering process set forth in Section 2.05(1)(e); and

(G) with respect to the consent of Required Lenders or Required Administrative Lenders expressly required by any Deemed Consent Provision (but not, for the avoidance of doubt, any amendment or waiver of, or consent to a departure from, any Deemed Consent Provision), the Administrative Agent or the Collateral Agent, as applicable, shall deliver any such request from the Borrower to the Lenders and, if the Lenders shall have received at least 15 Business Days' prior written notice thereof and the Administrative Agent or the Collateral Agent shall not have received, within 15 Business Days of the date of such notice to the Lenders, a written notice from the Required Lenders or Required Administrative Lenders, as applicable, stating that the Required Lenders or Required Administrative Lenders, as applicable, object to such request, then the Required Lenders or Required Administrative Lenders, as applicable, shall be deemed to have accepted (provided, however, for the avoidance of doubt, this clause (G) shall not alter or be deemed to alter the rights, privileges, protections, immunities and indemnities granted to any Agent under this Agreement, including, without limitation, Article IX above, and the other Loan Documents).

(2) In addition, notwithstanding anything to the contrary in this Section 10.01, this Agreement may be amended with the written consent of the Administrative Agent, the Borrower and the Lenders providing the Replacement Loans (as defined below) to permit the refinancing of all outstanding Term Loans of any Class ("**Replaced Loans**") with replacement term loans ("**Replacement Loans**") hereunder; *provided that*

(a) the aggregate principal amount of such Replacement Loans shall not exceed the aggregate principal amount of such Replaced Loans, *plus* accrued interest, fees, premiums (if any) and penalties thereon and fees and expenses incurred in connection with such refinancing of Replaced Loans with such Replacement Loans,

(b) the All-In Yield with respect to such Replacement Loans (or similar interest rate spread applicable to such Replacement Loans) shall not be higher than the All-In Yield for such

Replaced Loans (or similar interest rate spread applicable to such Replaced Loans) immediately prior to such refinancing,

(c) the Weighted Average Life to Maturity of such Replacement Loans shall not be shorter than the Weighted Average Life to Maturity of such Replaced Loans at the time of such refinancing; and

(d) all other terms (other than with respect to pricing, premiums and optional prepayment or redemption terms) applicable to such Replacement Loans shall be substantially identical to, or no more favorable taken as a whole (in each case as determined by the Borrower in its reasonable judgment) to the Lenders providing such Replacement Loans than, those applicable to such Replaced Loans, except to the extent necessary to provide for covenants and other terms applicable to any period after the Latest Maturity Date of the Loans in effect immediately prior to such refinancing (*provided* that an Officer's Certificate delivered to the Administrative Agent at least 5 Business Days prior to the incurrence of such Replacement Loans, together with a reasonably detailed description of the material terms and conditions of such Replacement Loans or drafts of the documentation relating thereto, stating that the Borrower has determined in good faith that such terms and conditions satisfy the requirement of this Section 10.01(2) shall be conclusive evidence that such terms and conditions satisfy such requirement unless the Required Administrative Lenders notify the Borrower and the Administrative Agent within such five 5 Business Day period that it disagrees with such determination (including a description of the basis upon which the Required Administrative Lenders disagree));

provided further that each amendment to this Agreement providing for Replacement Loans may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower to effect the provisions of this paragraph, and for the avoidance of doubt, this paragraph shall supersede any other provisions in this Section 10.01 to the contrary.

(3) In addition, notwithstanding anything to the contrary in this Section 10.01,

(a) the Guaranty, the Collateral Documents and related documents executed by Holdings, the Borrower or any Restricted Subsidiaries in connection with this Agreement and the other Loan Documents may be in a form reasonably determined by the Required Administrative Lenders and may be, together with this Agreement, amended and waived with the consent of the Required Administrative Lenders and the Administrative Agent at the request of the Borrower without the need to obtain the consent of any other Lender if such amendment or waiver is delivered in order (i) to comply with local Law or advice of local counsel, (ii) to cure ambiguities or defects or (iii) to cause the Guaranty, Collateral Documents or other document to be consistent with this Agreement and the other Loan Documents (including by adding additional parties as contemplated herein or therein) and

(b) if the Administrative Agent and the Borrower shall have jointly identified an obvious error (including, but not limited to, an incorrect cross-reference) or any error or omission of a technical or immaterial nature, in each case, in any provision of this Agreement or any other Loan Document (including, for the avoidance of doubt, any exhibit, schedule or other attachment to any Loan Document), then the Administrative Agent (acting in its sole discretion) and the Borrower or any other relevant Loan Party shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Loan Document. Notification of such amendment shall be made by the Administrative Agent to the Lenders promptly upon such amendment becoming effective.

Section 10.02 Notices and Other Communications; Facsimile Copies.

(1) General. Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in subsection (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by facsimile as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(a) if to Holdings, the Borrower or the Administrative Agent, to the address, facsimile number, electronic mail address or telephone number specified for such Person on Schedule 10.02; and

(b) if to any other Lender, to the address, facsimile number, electronic mail address or telephone number specified in its Administrative Questionnaire.

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next succeeding Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in subsection (2) below shall be effective as provided in such subsection (2).

(2) Electronic Communication. Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, *provided* that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, *provided* that approval of such procedures may be limited to particular notices or communications.

(3) Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), *provided* that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next succeeding Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(4) The Platform. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD-PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN

CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall any Agent or any of its Agent-Related Persons (collectively, the “**Agent Parties**”) have any liability to any Loan Party, any Lender, or any other Person for losses, claims, damages, liabilities or expenses of any kind, including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of the Borrower’s or such Agent’s transmission of Borrower Materials through the Internet or the Platform. Although the Platform and its primary web portal are secured with generally-applicable security procedures and policies implemented or modified by the Administrative Agent from time to time (including, as of the Closing Date, a user ID/password authorization system) and the Platform is secured through a per-deal authorization method whereby each user may access the Platform only on a deal-by-deal basis, each of the Lenders and the Borrower acknowledges and agrees that the distribution of material through an electronic medium is not necessarily secure, that the Agents are not responsible for approving or vetting the representatives or contacts of any Lender that are added to the Platform, and that there are confidentiality and other risks associated with such distribution. Each of the Lenders and the Borrower hereby approves distribution of the Borrower Materials through the Platform and understands and assumes the risks of such distribution.

(5) Change of Address. Each Loan Party and any Agent may change its address, facsimile or telephone number for notices and other communications hereunder by written notice to the other parties hereto. Each other Lender may change its address, facsimile or telephone number for notices and other communications hereunder by written notice to the Borrower and the Administrative Agent. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, facsimile number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the “Private-Side Information” or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender’s compliance procedures and applicable Law, including United States Federal and state securities Laws, to make reference to Borrower Materials that are not made available through the “Public Side Information” portion of the Platform and that may contain material non-public information with respect to the Borrower or its securities for purposes of United States Federal or state securities laws. In the event that any Public Lender has elected for itself to not access any information disclosed through the Platform or otherwise, such Public Lender acknowledges that (i) the Agents and other Lenders may have access to such information and (ii) neither the Borrower nor any Agent or other Lender with access to such information shall have (x) any responsibility for such Public Lender’s decision to limit the scope of information it has obtained in connection with this Agreement and the other Loan Documents or (y) any duty to disclose such information to such electing Lender or to use such information on behalf of such electing Lender, and shall not be liable for the failure to so disclose or use such information.

(6) Reliance by the Agents. The Agents and the Lenders shall be entitled to rely and act upon any notices purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify each Agent, each Lender and the Agent-Related Persons of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower. All telephonic notices to and other telephonic communications with any Agent may be recorded by such Agent, and each of the parties hereto hereby consents to such recording. The Borrower’s obligations under this Section 10.02(6) shall survive the resignation, replacement, or removal of any Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments, the repayment, satisfaction or discharge of all Obligations under any Loan Document, and the termination of this Agreement or any other Loan Document.

Section 10.03 No Waiver; Cumulative Remedies. No failure by any Lender or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Agents in accordance with Section 8.02 for the benefit of all the Lenders; *provided, however*, that the foregoing shall not prohibit (a) each Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as such) hereunder and under the other Loan Documents, (b) any Lender from exercising setoff rights in accordance with Section 10.10 (subject to the terms of Section 2.13), or (c) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Debtor Relief Law; and *provided further* that if at any time there is no Person acting as Administrative Agent or Collateral Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent or Collateral Agent, as applicable, pursuant to Section 8.02 and (ii) in addition to the matters set forth in clauses (b) and (c) of the preceding proviso and subject to Section 2.13, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

Section 10.04 Costs and Expenses. The Borrower agrees (a) if the Closing Date occurs, to pay or reimburse each Agent for all reasonable and documented out-of-pocket costs and expenses of such Agent (promptly following a written demand therefor, together with backup documentation supporting such reimbursement request) incurred in connection with the preparation, negotiation, syndication, execution, delivery and administration of this Agreement and the other Loan Documents and any amendment, waiver, consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated thereby are consummated), and the consummation and administration of the transactions contemplated hereby and thereby, including all Attorney Costs of Ballard Spahr LLP, as counsel to the Agents and, if necessary, a single local counsel in each relevant material jurisdiction, and (b) upon presentation of a summary statement, together with any supporting documentation reasonably requested by the Borrower, to pay or reimburse the Agents (taken as a whole) and the Lenders (taken as a whole), promptly following a written demand therefor for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law, and including (i) all Attorney Costs of one counsel to the Agents (and, if necessary, one local counsel in any relevant material jurisdiction) and (ii) all Attorney Costs of one counsel to the Lenders taken as a whole (and, if necessary, one local counsel in any relevant material jurisdiction and solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction to each group of affected Lenders similarly situated taken as a whole)). The agreements in this Section 10.04 shall survive the resignation, replacement, or removal of any Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments, the repayment, satisfaction or discharge of all Obligations under any Loan Document, and the termination of this Agreement or any other Loan Document. All amounts due under this Section 10.04 shall be paid promptly following receipt by the Borrower of an invoice relating thereto setting forth such expenses in reasonable detail.

Section 10.05 Indemnification by the Borrower. The Borrower shall indemnify and hold harmless the Agents, each other Lender and their respective Related Persons (collectively, the “**Indemnitees**”) from and against any and all losses, claims, actions, judgments, damages, liabilities or expenses (including Attorney Costs and Environmental Liabilities) to which any such Indemnitee may become subject arising out of, resulting from or in connection with (but limited, in the case of legal fees and expenses, to the reasonable and documented out-of-pocket fees, disbursements and other charges of (a) one counsel to the Agents and their Indemnitees taken as a whole and, if reasonably necessary, a single local counsel for the Agents and their Indemnitees taken as a whole in each relevant jurisdiction) and (b) one counsel to all other Indemnitees taken as a whole and, if reasonably necessary, a single local counsel for all other Indemnitees taken as a whole in each relevant jurisdiction, and solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction to each group of affected Indemnitees similarly situated taken as a whole) (i) any actual or threatened claim, litigation, investigation, proceeding or Environmental Liabilities relating to the Transactions or (ii) the execution, delivery, funding, enforcement, performance and administration of this Agreement, the other Loan Documents, the Loans or the use, or proposed use of the proceeds therefrom, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, litigation, investigation or proceeding), and regardless of whether any Indemnitee is a party thereto (all the foregoing, collectively, the “**Indemnified Liabilities**”); *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or expenses resulted from (x) the gross negligence, bad faith or willful misconduct of such Indemnitee or any of its Related Indemnified Persons as determined by a final, non-appealable judgment of a court of competent jurisdiction, (y) other than with respect to the Agents and their Indemnitees, the bad faith of or a material breach of any obligations under any Loan Document by such Indemnitee or any of its Related Indemnified Persons as determined by a final, non-appealable judgment of a court of competent jurisdiction or (z) any dispute solely among Indemnitees (other than any claims against an Indemnitee in its capacity or in fulfilling its role as an administrative agent, collateral agent, or arranger or any similar role under any Loan Document and other than any claims arising out of any act or omission of the Loan Parties or any of their Affiliates) (as determined by a final, non-appealable judgment of a court of competent jurisdiction). To the extent that the undertakings to indemnify and hold harmless set forth in this Section 10.05 may be unenforceable in whole or in part because they are violative of any applicable law or public policy, the Borrower shall contribute the maximum portion that they are permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by the Indemnitees or any of them. No Indemnitee shall be liable for any damages arising from the use by others of any information or other materials obtained through IntraLinks or other similar information transmission systems in connection with this Agreement (except to the extent such damages are found in a final non-appealable judgment of a court of competent jurisdiction to have resulted from the willful misconduct, bad faith or gross negligence of such Indemnitee), nor shall any Indemnitee or any Loan Party have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date) (other than, in the case of any Loan Party, in respect of any such damages incurred or paid by an Indemnitee to a third party for which such Indemnitee is otherwise entitled to indemnification pursuant to this Section 10.05). In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 10.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, its directors, stockholders or creditors or an Indemnitee or any other Person, whether or not any Indemnitee is otherwise a party thereto and whether or not any of the transactions contemplated hereunder or under any of the other Loan Documents is consummated. All amounts due under this Section 10.05 shall be paid within 20 Business Days after written demand therefor. The agreements in this Section 10.05 shall survive the resignation, replacement, or removal of any Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments, the repayment, satisfaction or discharge of all Obligations under any Loan Document, and the termination of this Agreement or any other Loan Document. This Section 10.05 shall not apply to Taxes, except any Taxes that represent losses or damages

arising from any non-Tax claim. Notwithstanding the foregoing, each Indemnitee shall be obligated to refund and return promptly any and all amounts paid by the Borrower under this Section 10.05 to such Indemnitee for any such fees, expenses or damages to the extent such Indemnitee is not entitled to payment of such amounts in accordance with the terms hereof.

Section 10.06 Marshaling; Payments Set Aside. None of the Agents or any Lender shall be under any obligation to marshal any assets in favor of the Loan Parties or any other party or against or in payment of any or all of the Obligations. To the extent that any payment by or on behalf of the Borrower is made to any Agent or any Lender, or any Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to any Agent upon demand its applicable share of any amount so recovered from or repaid by such Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the applicable Overnight Rate from time to time in effect.

Section 10.07 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither Holdings nor the Borrower may, except as permitted by Section 7.03, assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder (including to existing Lenders and their Affiliates) except (i) to an Eligible Assignee and (A) in the case of any Eligible Assignee that, immediately prior to or upon giving effect to such assignment, is an Affiliated Lender, in accordance with the provisions of Section 10.07(h) and (B) in the case of any Eligible Assignee that is Holdings, the Borrower or any Subsidiary thereof, in accordance with the provisions of Section 10.07(l), (ii) by way of participation in accordance with the provisions of Section 10.07(d), or (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.07(f), or (iv) to an SPC in accordance with the provisions of Section 10.07(g) (and any other attempted assignment or transfer by any party hereto (other than the replacement of the Administrative Agent pursuant to Article IX above) shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 10.07(d) and, to the extent expressly contemplated hereby, Related Persons of each of the Agents and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it); *provided* that any such assignment shall be subject to the following conditions:

(i) Minimum Amounts.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and the Loans at the time owing to it or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in subsection (b)(i)(A) of this Section 10.07, the aggregate amount of the Commitment or, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if “Trade Date” is specified in the Assignment and Assumption, as of the Trade Date, shall not be less than \$1.0 million, unless either (x) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund or (y) each of the Administrative Agent and the Borrower otherwise consents; *provided, however*, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met.

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender’s rights and obligations under this Agreement with respect to the Loans or the Commitment assigned.

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by Section 10.07(b)(i)(B) and, in addition:

(A) the consent of the Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (1) an Event of Default under Section 8.01(1) or, solely with respect to the Borrower, Section 8.01(6) has occurred and is continuing at the time of such assignment determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if a “Trade Date” is specified in the Assignment and Assumption, as of the Trade Date, or (2) in respect of an assignment of all or a portion of the Loans, such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund; *provided* that the Borrower shall be deemed to have consented to any assignment of all or a portion of the Term Loans unless it shall have objected thereto by written notice to the Administrative Agent within 10 Business Days after having received notice of a failure to respond to such request for assignment; *provided further* that no consent of the Borrower shall be required for an assignment of all or a portion of the Loans pursuant to Section 10.07(h) or (l); and

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required if such assignment is to a Person that is not a Lender, an Affiliate of a Lender or an Approved Fund with respect to a Lender; *provided* that no consent of the Administrative Agent shall be required for an assignment (i) of all or a portion of the Loans pursuant to Section 10.07(g), (h), or (l).

(iv) Assignment and Assumption. The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption via an electronic settlement system acceptable to the Administrative Agent (or, if previously agreed with the Administrative Agent, manually), and shall pay to the Administrative Agent a processing and recordation fee of \$3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent). Other than in the case of assignments pursuant to Section 10.07(l), the Eligible Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire. Each assignee Lender shall be required to represent in the Assignment and Assumption that it is not a Disqualified Institution or an Affiliate of a Disqualified Institution.

(v) No Assignments to Certain Persons. No such assignment shall be made (A) to Holdings, the Borrower or any of its Subsidiaries except as permitted under Section 2.05(1)(e) or Section 10.07(l), (B) subject to Sections 10.07(h) and (l) below, to any Affiliate of the Borrower, (C) to a natural person or (D) to any Disqualified Institution.

This Section 10.07(b) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities on a non-pro rata basis among such Facilities.

In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or sub participations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable Pro Rata Share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full Pro Rata Share of all Loans in accordance with its Pro Rata Share. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to clause (c) of this Section 10.07 (and, in the case of an Affiliated Lender or a Person that, after giving effect to such assignment, would become an Affiliated Lender, to the requirements of clause (h) of this Section 10.07), from and after the effective date specified in each Assignment and Assumption, other than in connection with an assignment pursuant to Section 10.07(l), (x) the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and (y) the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, 10.04 and 10.05 with respect to facts and circumstances occurring prior to the effective date of such assignment), but shall in any event continue to be subject to Section 10.09. Upon request, and the surrender by the assigning Lender of its Term Note, the Borrower (at its expense) shall execute and deliver a Term Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.07(d).

(c) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it, each Affiliated Lender Assignment and Assumption delivered to it, each notice of cancellation of any Loans delivered by the Borrower pursuant to subsections (h) or (l) below, and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans and amounts due under Section 2.03, owing to each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall

be available for inspection by the Borrower, any Agent and, with respect to its own Loans, any Lender, at any reasonable time and from time to time upon reasonable prior notice. This Section 10.07(3) and Section 2.11 shall be construed so that all Loans are at all times maintained in “registered form” within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code and any related Treasury regulations (or any other relevant or successor provisions of the Code or of such Treasury regulations). Notwithstanding the foregoing, in no event shall the Administrative Agent be obligated to ascertain, monitor or inquire as to whether any Lender is an Affiliated Lender, nor shall the Administrative Agent be obligated to monitor the aggregate amount of the Term Loans or Incremental Term Loans held by Affiliated Lenders.

(d) Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any Person (other than a natural person, the Borrower or any Affiliate or Subsidiary of the Borrower or a Disqualified Institution) (each, a “**Participant**”) in all or a portion of such Lender’s rights or obligations under this Agreement (including all or a portion of its Commitment or the Loans owing to it); *provided* that (i) such Lender’s obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or any other Loan Document; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 10.01 (other than clauses (d) and (i) thereof) that directly affects such Participant. Subject to subsection (e) of this Section 10.07, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.01 (subject to the requirements of Section 3.01 (including subsections (2), (3) and (4), as applicable as though it were a Lender)), 3.04 and 3.05 (through the applicable Lender) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to subsection (b) of this Section 10.07. To the extent permitted by applicable Law, each Participant also shall be entitled to the benefits of Section 10.10 as though it were a Lender; *provided* that such Participant agrees to be subject to Section 2.13 as though it were a Lender.

(e) Limitations upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower’s prior written consent. Each Lender that sells a participation shall (acting solely for this purpose as a non-fiduciary agent of the Borrower) maintain a register complying with the requirements of Sections 163(f), 871(h) and 881(c)(2) of the Code and the Treasury regulations issued thereunder on which is entered the name and address of each Participant and the principal amounts (and stated interest) of each Participant’s interest in the Loans or other obligations under this Agreement (the “**Participant Register**”). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender and the Borrower shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary; *provided* that no Lender shall have the obligation to disclose all or a portion of the Participant Register (including the identity of the Participant or any information relating to a Participant’s interest in any commitments, loans, letters of credit or other obligations under any Loan Document) to any Person except to the extent such disclosure is necessary to establish that any such commitments, loans, letters of credit or other obligations are in registered form for U.S. federal income tax purposes. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(f) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Term Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any other central bank; *provided* that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Notwithstanding anything to the contrary contained herein, any Lender (a “**Granting Lender**”) may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower (an “**SPC**”) the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; *provided* that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof and (iii) such SPC and the applicable Loan or any applicable part thereof shall be appropriately reflected in the Participant Register. Each party hereto hereby agrees that (i) neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrower under this Agreement (including its obligations under Section 3.01, 3.04 or 3.05), (ii) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable, and (iii) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the Lender hereunder. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Borrower and the Administrative Agent and with the payment of a processing fee of \$3,500 (which processing fee may be waived by the Administrative Agent in its sole discretion), assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

(h) Any Lender may at any time, assign all or a portion of its rights and obligations with respect to Loans and Commitments under this Agreement to a Person who is or will become, after such assignment, an Affiliated Lender through (x) Dutch auctions or other offers to purchase or take by assignment open to all Lenders on a pro rata basis in accordance with procedures of the type described in Section 2.05(1)(e) or (y) open market purchase on a non-pro rata basis, in each case subject to the following limitations:

(i) Affiliated Lenders will not make any challenge to any Agent’s or any Lender’s attorney-client privilege on the basis of its status as a Lender;

(ii) each Affiliated Lender that purchases any Loans or Commitments will clearly identify itself as an Affiliated Lender in any Affiliated Lender Assignment and Assumption executed in connection with such purchases or sales and each such Affiliated Lender Assignment and Assumption shall contain customary “big boy” representations but no requirement to make representations as to the absence of any material nonpublic information;

(iii) as a condition to each assignment pursuant to this subsection (h), the Administrative Agent and the Borrower shall have been provided a notice in connection with each assignment to an Affiliated Lender or a Person that upon effectiveness of such assignment would constitute an Affiliated Lender pursuant to which such Affiliated Lender (in its capacity as such)

shall waive any right to bring any action in connection with such Loans and Commitments against any Agent, in its capacity as such;

(iv) the aggregate principal amount of Term Loans of any Class under this Agreement held by Affiliated Lenders at the time of any such purchase or assignment shall not exceed 25.0% of the aggregate principal amount of Term Loans of such Class outstanding at such time under this Agreement (such percentage, the “**Affiliated Lender Cap**”); *provided* that to the extent any assignment to an Affiliated Lender would result in the aggregate principal amount of all Term Loans of any Class held by Affiliated Lenders exceeding the Affiliated Lender Cap (in each case, determined at the time of purchase), the assignment of such excess amount will be void *ab initio*; and

(v) the assigning Lender and the Affiliated Lender purchasing such Lender’s Term Loans shall execute and deliver to the Administrative Agent an assignment agreement substantially in the form of Exhibit D-2 hereto (an “**Affiliated Lender Assignment and Assumption**”).

Notwithstanding anything to the contrary contained herein, any Affiliated Lender that has purchased Term Loans pursuant to this subsection (h) may, in its sole discretion, contribute, directly or indirectly, the principal amount of such Term Loans or any portion thereof, *plus* all accrued and unpaid interest thereon, to the Borrower for the purpose of cancelling and extinguishing such Term Loans. Upon the date of such contribution, assignment or transfer, (x) the aggregate outstanding principal amount of Term Loans shall reflect such cancellation and extinguishing of the Term Loans then held by the Borrower and (y) the Borrower shall promptly provide notice to the Administrative Agent of such contribution of such Term Loans, and the Administrative Agent, upon receipt of such notice, shall reflect the cancellation of the applicable Term Loans in the Register.

Each Affiliated Lender agrees to notify the Administrative Agent and the Borrower promptly (and in any event within 10 Business Days) if it acquires any Person who is also a Lender, and each Lender agrees to notify the Administrative Agent and the Borrower promptly (and in any event within 10 Business Days) if it becomes an Affiliated Lender. The Administrative Agent may conclusively rely upon any notice delivered pursuant to the immediately preceding sentence or pursuant to clause (v) of this subsection (h) and shall not have any liability for any losses suffered by any Person as a result of any purported assignment to or from an Affiliated Lender.

Notwithstanding anything to the contrary contained herein, (x) any Affiliated Lender shall be entitled to (a) receive information made available to any Lender holding the same Class of Term Loans as such Affiliated Lender and (b) attend all lender meetings and participate in any conference calls with the Borrower that are open to any Lender holding the same Class of Term Loans as such Affiliated Lender and (y) with respect to any amendment, modification, waiver, consent or other action that requires the consent of Required Lenders or the consent of Required Facility Lenders, all fees and other benefits made available to any consenting Lenders holding the same Class of Term Loans any Affiliated Lender shall be made available to such Affiliated Lender on a no less than pro rata basis.

(i) Notwithstanding anything in Section 10.01 or the definition of “Required Lenders,” or “Required Facility Lenders” to the contrary, for purposes of determining whether the Required Lenders and Required Facility Lenders (in respect of a Class of Term Loans) have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, or subject to Section 10.07(j), any plan of reorganization pursuant to the Bankruptcy Code, (ii) otherwise acted on any matter related to any Loan Document, or (iii) directed or required any Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, no Affiliated

Lender shall have any right to consent (or not consent), otherwise act or direct or require any Agent or any Lender to take (or refrain from taking) any such action and:

(i) all Term Loans held by any Affiliated Lenders shall be deemed to be not outstanding for all purposes of calculating whether the Required Lenders and Required Facility Lenders (in respect of a Class of Term Loans) have taken any actions; and

(ii) all Term Loans held by Affiliated Lenders shall be deemed to have been voted in the same proportion as non-Affiliated Lenders voting on such matter unless the action in question affects such Affiliated Lender in a disproportionately adverse manner than its effect on other Lenders.

(j) Notwithstanding anything in this Agreement or the other Loan Documents to the contrary, each Affiliated Lender hereby agrees that, and each Affiliated Lender Assignment and Assumption shall provide a confirmation that, if a proceeding under any Debtor Relief Law shall be commenced by or against the Borrower or any other Loan Party at a time when such Lender is an Affiliated Lender, such Affiliated Lender irrevocably authorizes and empowers the Administrative Agent (at the direction of the Required Lenders) to vote on behalf of such Affiliated Lender with respect to the Term Loans held by such Affiliated Lender in the same proportion as non-Affiliated Lenders voting on such matter, unless the Administrative Agent (at the direction of the Required Lenders) instructs such Affiliated Lender to vote, in which case such Affiliated Lender shall vote with respect to the Term Loans held by it as the Administrative Agent (at the direction of the Required Lenders) directs; *provided* that such Affiliated Lender shall be entitled to vote in accordance with its sole discretion (and not in accordance with the direction of the Administrative Agent) in connection with any plan of reorganization to the extent any such plan of reorganization proposes to treat any Obligations held by such Affiliated Lender in a disproportionately adverse manner than the proposed treatment of similar Obligations held by Term Lenders that are not Affiliated Lenders.

(k) [Reserved].

(l) Any Lender may, so long as no Event of Default has occurred and is continuing, at any time, assign all or a portion of its rights and obligations with respect to Term Loans under this Agreement to Holdings, the Borrower or any Subsidiary of the Borrower through (x) Dutch auctions or other offers to purchase open to all Lenders on a pro rata basis in accordance with procedures of the type described in Section 2.05(1)(e) or (y) open market purchases on a non-pro rata basis; *provided* that:

(i) (x) if the assignee is Holdings or a Subsidiary of the Borrower, upon such assignment, transfer or contribution, the applicable assignee shall automatically be deemed to have contributed or transferred the principal amount of such Term Loans, *plus* all accrued and unpaid interest thereon, to the Borrower; or (y) if the assignee is the Borrower (including through contribution or transfers set forth in clause (x)), (a) the principal amount of such Term Loans, along with all accrued and unpaid interest thereon, so contributed, assigned or transferred to the Borrower shall be deemed automatically cancelled and extinguished on the date of such contribution, assignment or transfer, (b) the aggregate outstanding principal amount of Term Loans of the remaining Lenders shall reflect such cancellation and extinguishing of the Term Loans then held by the Borrower and (c) the Borrower shall promptly provide notice to the Administrative Agent of such contribution, assignment or transfer of such Term Loans, and the Administrative Agent, upon receipt of such notice, shall reflect the cancellation of the applicable Term Loans in the Register;

(ii) [Reserved]; and

(iii) purchases of Term Loans pursuant to this subsection (l) may not be funded with the proceeds of ABL Loans.

(m) Notwithstanding anything to the contrary contained herein, without the consent of the Borrower or the Administrative Agent, (1) any Lender may in accordance with applicable Law create a security interest in all or any portion of the Loans owing to it and the Term Note, if any, held by it and (2) any Lender that is a Fund may create a security interest in all or any portion of the Loans owing to it and the Term Note, if any, held by it to the trustee for holders of obligations owed, or securities issued, by such Fund as security for such obligations or securities; *provided* that unless and until such trustee actually becomes a Lender in compliance with the other provisions of this Section 10.07, (i) no such pledge shall release the pledging Lender from any of its obligations under the Loan Documents and (ii) such trustee shall not be entitled to exercise any of the rights of a Lender under the Loan Documents even though such trustee may have acquired ownership rights with respect to the pledged interest through foreclosure or otherwise.

(n) Notwithstanding the foregoing, no Disqualified Institution that purports to become a Lender hereunder (notwithstanding the provisions of this Agreement that prohibit Disqualified Institutions from becoming Lenders) shall be entitled to any of the rights or privileges enjoyed by the other Lenders with respect to voting, information and lender meetings. In addition, if any assignment or participation is made to any Disqualified Institution without the Borrower's express prior written consent (which consent shall state expressly that the Borrower acknowledges that the assignee Lender is a Disqualified Institution) in violation of clause (v) of Section 10.07(b), the Borrower may, in addition to any other rights and remedies that it may have against such Disqualified Institution, at its sole expense and effort, upon notice to the applicable Disqualified Institution and the Administrative Agent, (A) in the case of outstanding Term Loans held by Disqualified Institutions, purchase or prepay such Term Loan by paying the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Institution paid to acquire such Term Loans, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder and/or (B) require such Disqualified Institution to assign, without recourse (in accordance with and subject to the restrictions contained in Section 10.07), all of its interest, rights and obligations under this Agreement to one or more Eligible Assignees at the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Institution paid to acquire such interests, rights and obligations, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder.

(o) No Agent shall be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Institutions or otherwise take (or omit to take) any action with respect thereto. Without limiting the generality of the foregoing, no Agent shall (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Institution or (y) have any liability with respect to or arising out of any assignment or participation of Loans or Commitments, or disclosure of confidential information, to any Disqualified Institution.

Section 10.08 [Reserved].

Section 10.09 Confidentiality. Each of the Agents and the Lenders agrees to maintain the confidentiality of the Information in accordance with its customary procedures (as set forth below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, equity owners, investors, funding sources, legal counsel, independent auditors, agents, trustees, advisors and representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential, with such Affiliate being responsible for such Person's compliance with this

Section 10.09; *provided, however*, that such Agent or Lender, as applicable, shall be principally liable to the extent this Section 10.09 is violated by one or more of its Affiliates or any of its or their respective employees, directors or officers), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners); *provided, however*, that each Agent and each Lender agrees to seek confidential treatment with respect to any such disclosure, (c) to the extent required by applicable laws or regulations or by any subpoena or otherwise as required by applicable Law or regulation or as requested by a Governmental Authority; *provided* that such Agent or such Lender, as applicable, agrees (x) that it will notify the Borrower as soon as practicable in the event of any such disclosure by such Person (except in connection with any request as part of any audit or regulatory examination) unless such notification is prohibited by law, rule or regulation and (y) to seek confidential treatment with respect to any such disclosure, (d) to any other party hereto, (e) subject to an agreement containing provisions at least as restrictive as those of this Section 10.09, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or any Eligible Assignee (or its agent) invited to be an Additional Lender or (ii) with the prior consent of the Borrower, any actual or prospective direct or indirect counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower or any of their Subsidiaries or any of their respective obligations; *provided* that such disclosure shall be made subject to the acknowledgment and acceptance by such prospective Lender, Participant or Eligible Assignee that such Information is being disseminated on a confidential basis (on substantially the terms set forth in this paragraph or as is otherwise reasonably acceptable to the Borrower and the Agents, including as set forth in any confidential information memorandum or other marketing materials) in accordance with the standard syndication process of the Agents or market standards for dissemination of such type of information which shall in any event require “click through” or other affirmative action on the part of the recipient to access such confidential information, (f) for purposes of establishing a “due diligence” defense, (g) with the consent of the Borrower, (h) to the extent such Information (x) becomes publicly available other than as a result of a breach by any Person of this Section 10.09 or any other confidentiality provision in favor of any Loan Party, (y) becomes available to any Agent, any Lender or any of their respective Affiliates on a nonconfidential basis from a source other than Holdings, the Borrower or any Subsidiary thereof, and which source is not known by such Agent, such Lender or the applicable Affiliate to be subject to a confidentiality restriction in respect thereof in favor of Holdings, the Borrower or any Affiliate of the Borrower or (z) is independently developed by the Agents, the Lenders or their respective Affiliates, in each case, so long as not based on information obtained in a manner that would otherwise violate this Section 10.09 or (i) in order to enforce its respective rights under any Loan Document in any action or proceeding.

For purposes of this Section 10.09, “**Information**” means all information received from any Loan Party or any Subsidiary thereof relating to any Loan Party or any Subsidiary or Affiliate thereof or their respective businesses, other than any such information that is available to any Agent or any Lender on a nonconfidential basis prior to disclosure by any Loan Party or any Subsidiary thereof; it being understood that all information received from Holdings, the Borrower or any Subsidiary or Affiliate thereof after the date hereof shall be deemed confidential unless such information is clearly identified at the time of delivery as not being confidential. Any Person required to maintain the confidentiality of Information as provided in this Section 10.09 shall be considered to have complied with its obligation to do so in accordance with its customary procedures if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each Agent and each Lender acknowledges that (a) the Information may include trade secrets, protected confidential information, or material non-public information concerning the Borrower or a Subsidiary, as the case may be, (b) it has developed compliance procedures regarding the use of such information and (c) it will handle such information in accordance with applicable Law, including United States Federal and state securities Laws and to preserve its trade secret or confidential character.

The respective obligations of the Agents and the Lenders under this Section 10.09 shall survive, to the extent applicable to such Person, (x) the payment in full of the Obligations and the termination of this Agreement, (y) any assignment of its rights and obligations under this Agreement and (z) the resignation or removal of any Agent.

Section 10.10 Setoff. If an Event of Default shall have occurred and be continuing, each Lender is hereby authorized at any time and from time to time, after obtaining the prior written consent of the Administrative Agent, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender to or for the credit or the account of any Loan Party against any and all of the obligations of such Loan Party then due and payable under this Agreement or any other Loan Document to such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement or any other Loan Document; *provided* that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.17 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender under this Section 10.10 are in addition to other rights and remedies (including other rights of setoff) that such Lender may have. Each Lender agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application, *provided* that the failure to give such notice shall not affect the validity of such setoff and application.

Section 10.11 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the “**Maximum Rate**”). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Section 10.12 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging (including in .pdf format) means shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 10.13 Electronic Execution of Assignments and Certain Other Documents. The words “execution,” “signed,” “signature,” and words of like import in any Assignment and Assumption or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal

Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 10.14 Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by each Agent and each Lender, regardless of any investigation made by any Agent or any Lender or on their behalf and notwithstanding that any Agent or any Lender may have had notice or knowledge of any Default at the time of any Term Borrowing, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied.

Section 10.15 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 10.16 GOVERNING LAW.

(a) THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES THEREOF THAT WOULD RESULT IN THE APPLICATION OF ANY LAW OTHER THAN THE LAW OF THE STATE OF NEW YORK.

(b) THE BORROWER, HOLDINGS, THE ADMINISTRATIVE AGENT, THE COLLATERAL AGENT AND EACH LENDER EACH IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY IN THE BOROUGH OF MANHATTAN AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. EACH PARTY HERETO AGREES THAT THE AGENTS AND LENDERS RETAIN THE RIGHT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO BRING PROCEEDINGS AGAINST ANY LOAN PARTY IN THE COURTS OF ANY OTHER JURISDICTION IN CONNECTION WITH THE EXERCISE OF ANY RIGHTS UNDER ANY COLLATERAL DOCUMENT OR THE ENFORCEMENT OF ANY JUDGMENT.

(c) THE BORROWER, HOLDINGS, THE ADMINISTRATIVE AGENT, THE COLLATERAL AGENT AND EACH LENDER EACH IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (b) OF THIS SECTION 10.16. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

Section 10.17 WAIVER OF RIGHT TO TRIAL BY JURY. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.17.

Section 10.18 Binding Effect. This Agreement shall be binding upon and inure to the benefit of the Borrower, Holdings, each Agent and each Lender and their respective successors and assigns.

Section 10.19 Lender Action. Each Lender agrees that it shall not take or institute any actions or proceedings, judicial or otherwise, for any right or remedy against any Loan Party under any of the Loan Documents (including the exercise of any right of setoff, rights on account of any banker's lien or similar claim or other rights of self-help), or institute any actions or proceedings, or otherwise commence any remedial procedures, with respect to any Collateral or any other property of any such Loan Party, without the prior written consent of the Required Lenders.

Section 10.20 Use of Name, Logo, etc.. Each Loan Party consents to the publication in the ordinary course by any Agent of customary advertising material relating to the financing transactions contemplated by this Agreement using such Loan Party's name, product photographs, logo or trademark. Such consent shall remain effective until revoked by such Loan Party in writing to such Agent.

Section 10.21 USA PATRIOT Act. Each Lender that is subject to the USA PATRIOT Act and each Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or Agent, as applicable, to identify each Loan Party in accordance with the USA PATRIOT Act. The Borrower shall, promptly following a request by any Agent or any Lender, provide all documentation and other information that such Agent or Lender reasonably requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the USA PATRIOT Act and the Beneficial Ownership Regulation.

Section 10.22 Service of Process. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 10.02. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

Section 10.23 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each of the Borrower and Holdings acknowledges and agrees that (i) (A) the arranging and other services regarding this Agreement provided by the Agents and the Lenders are arm's-length commercial transactions between the Borrower, Holdings and their respective Affiliates, on the one hand, and the Agents and the Lenders, on the other hand, (B) each of the Borrower and Holdings has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) each of the Borrower and Holdings is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) each Agent and Lender is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower, Holdings or any of their respective Affiliates, or any other Person and (B) none of the Agents nor any Lender has any obligation to the Borrower, Holdings or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Agents, the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower, Holdings and their respective Affiliates, and none of the Agents nor any Lender has any obligation to disclose any of such interests to the Borrower, Holdings or any of their respective Affiliates. To the fullest extent permitted by law, each of the Borrower and Holdings hereby waives and releases any claims that it may have against the Agents or any Lender with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 10.24 Release of Collateral and Guarantee Obligations; Subordination of Liens.

(a) The Lenders hereby irrevocably agree that the Liens granted to the Collateral Agent by the Loan Parties on any Collateral shall be automatically released (i) in full, as set forth in clause (b) below, (ii) upon the sale or other transfer of such Collateral (including as part of or in connection with any other sale or other transfer permitted hereunder) to any Person other than another Loan Party, to the extent such sale, transfer or other disposition is made in compliance with the terms of this Agreement (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry), (iii) to the extent such Collateral is comprised of property leased to a Loan Party by a Person that is not a Loan Party, upon termination or expiration of such lease, (iv) if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders (or such other percentage of the Lenders whose consent may be required in accordance with Section 10.01), (v) to the extent the property constituting such Collateral is owned by any Guarantor, upon the release of such Guarantor from its obligations under the Guaranty (in accordance with the second succeeding sentence), (vi) as required by the Collateral Agent to effect any sale, transfer or other disposition of Collateral in connection with any exercise of remedies of the Collateral Agent pursuant to the Collateral Documents and (vii) to the extent such Collateral otherwise becomes Excluded Assets. Any such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those being released) upon (or obligations (other than those being released) of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral except to the extent otherwise released in accordance with the provisions of the Loan Documents. Additionally, the Lenders hereby irrevocably agree that the Guarantors shall be released from the Guaranties upon consummation of any transaction permitted hereunder resulting in such Subsidiary ceasing to constitute a Restricted

Subsidiary, or otherwise becoming an Excluded Subsidiary. The Lenders hereby authorize the Administrative Agent and the Collateral Agent, as applicable, to execute and deliver any instruments, documents, and agreements necessary or desirable to evidence and confirm the release of any Guarantor or Collateral pursuant to the foregoing provisions of this paragraph, all without the further consent or joinder of any Lender. The Administrative Agent or the Collateral Agent, as applicable, shall, at the Borrower's expense, upon receipt of an Officer's Certificate from the Borrower certifying that the requested release is permitted under this Section 10.24, release the requested Collateral from the Liens securing the Obligations and provide the Borrower with such additional documentation as the Borrower may reasonably request to evidence such release; *provided* that such release shall be without recourse to or representation or warranty by the Administrative Agent and the Collateral Agent. Any representation, warranty or covenant contained in any Loan Document relating to any such released Collateral or Guarantor shall no longer be deemed to be repeated.

(b) Notwithstanding anything to the contrary contained herein or any other Loan Document, when all Obligations (other than any contingent obligations not then due) have been paid in full and all Commitments have terminated, upon request of the Borrower, the Administrative Agent or Collateral Agent, as applicable, shall (without notice to, or vote or consent of, any Secured Party) take such actions as shall be required to release its security interest in all Collateral, and to release all obligations under any Loan Document, whether or not on the date of such release there may be any contingent obligations not then due. Any such release of Obligations shall be deemed subject to the provision that such Obligations shall be reinstated if after such release any portion of any payment in respect of the Obligations guaranteed thereby shall be rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payment had not been made.

(c) Notwithstanding anything to the contrary contained herein or in any other Loan Document, upon request of the Borrower in connection with any Permitted Lien specified in clause (7) of the definition thereof securing obligations in respect of Indebtedness, Disqualified Stock or Preferred Stock permitted to be incurred pursuant to clause (4) of Section 7.02(b) in any Collateral, and at the Borrower's expense, the Administrative Agent or Collateral Agent, as applicable, shall (without notice to, or vote or consent of, any Secured Party) take such actions as shall be required to subordinate the Lien on any Collateral to any such Permitted Lien to be senior to the Liens in favor of the Collateral Agent; *provided*, that the Borrower shall have provided the Administrative Agent or Collateral Agent, as applicable, with an Officer's Certificate certifying that such requested subordination and such requested actions are permitted under this Section 10.24; *provided, further*, that such requested actions shall not expose the Administrative Agent or the Collateral Agent to liability and shall be without recourse to or representation or warranty by the Administrative Agent and the Collateral Agent.

(d) Notwithstanding the foregoing or anything in the Loan Documents to the contrary, at the direction of the Required Lenders, the Administrative Agent may, in exercising remedies, take any and all necessary and appropriate action to effectuate a credit bid of all Loans (or any lesser amount thereof) for the Borrower's assets in a bankruptcy, foreclosure or other similar proceeding, forbear from exercising remedies upon an Event of Default, or in a bankruptcy proceeding, enter into a settlement agreement on behalf of all Lenders.

Section 10.25 [Reserved].

Section 10.26 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another

currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrower in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the “**Judgment Currency**”) other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the “**Agreement Currency**”), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrower in the Agreement Currency, the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to the Borrower (or to any other Person who may be entitled thereto under applicable Law). The obligations of the Borrower under this Section 10.26 shall survive the resignation, replacement, or removal of any Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments, the repayment, satisfaction or discharge of all Obligations under any Loan Document, and the termination of this Agreement or any other Loan Document.

Section 10.27 Amendment and Restatement. On the Closing Date, the Existing Credit Agreement shall be amended, restated and superseded in its entirety by this Agreement. The parties hereto acknowledge and agree that (i) this Agreement and the other documents entered into in connection herewith do not constitute a novation or termination of the “Obligations” (as defined in the Existing Credit Agreement, as applicable) under the Existing Credit Agreement, as applicable, as in effect prior to the Closing Date, (ii) such “Obligations” are in all respects continuing (as amended and restated hereby) as indebtedness and obligations outstanding under this Agreement and (iii) all claims, actions, causes of action, suits, damages and indemnities by any Loan Party or any Agent or Lender on account of any action, breach, non-compliance or default by any Loan Party or any Agent or Lender that occurred, or any inaction by any Loan Party or any Agent or Lender that should have occurred, in each case, on or prior to the Closing Date, whether known or unknown, whether now existing or hereafter arising, whether arising at law or in equity, shall cease to exist and be forever waived, released and discharged to the full extent permitted by law.

Section 1.07 Pro Forma and Other Calculations.

(1) Notwithstanding anything to the contrary herein, financial ratios and tests, including the Senior Secured Leverage Ratio and the Total Net Leverage Ratio shall be calculated in the manner prescribed by this Section 1.07. In addition, whenever a financial ratio or test is to be calculated on a *pro forma* basis, the reference to “Test Period” for purposes of calculating such financial ratio or test shall be deemed to be a reference to, and shall be based on, the most recently ended Test Period for which financial statements of the Borrower have been delivered pursuant to Section 6.01(1) or (2), as applicable.

(2) For purposes of calculating any financial ratio or test (or Total Assets), Specified Transactions (and, subject to clause (4) below, the incurrence or repayment of any Indebtedness in connection therewith) that have been made (a) during the applicable Test Period or (b) subsequent to such Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made shall be calculated on a *pro forma* basis assuming that all such Specified Transactions (and any increase or decrease in Adjusted EBITDA and the component financial definitions used therein attributable to any Specified Transaction) had occurred on the first day of the applicable Test Period (or, in the case of Total Assets, on the last day of the applicable Test Period). If since the beginning of any applicable Test Period any Person that subsequently became a Restricted Subsidiary or was merged, amalgamated or consolidated with or into the Borrower or any Restricted Subsidiary since the beginning of such Test Period shall have made any Specified Transaction that would have required adjustment pursuant to this Section 1.07, then such financial ratio or test (or Total Assets) shall be calculated to give *pro forma* effect thereto in accordance with this Section 1.07 as if such Specified Transaction had occurred at the beginning of the most recently ended Test Period.

(3) Whenever *pro forma* effect is to be given to a Specified Transaction, the *pro forma* calculations shall be made in good faith by a Financial Officer of the Borrower and may include, for the avoidance of doubt, the amount of “run-rate” cost savings, synergies and operating expense reductions resulting from or related to any such Specified Transaction (including the Transactions) which is being given *pro forma* effect that have been realized or are expected to be realized and for which the actions necessary to realize such cost savings, operating expense reductions and synergies are taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken no later than twelve (12) months after the date of any such Specified Transaction (calculated on a *pro forma* basis as though such cost savings, operating expense reductions and synergies had been realized on the first day of such period and as if such cost savings, operating expense reductions and synergies were realized during the entirety of such period and “run-rate” means the full recurring benefit for a period that is associated with any action taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken (including any savings expected to result from the elimination of a public target’s compliance costs with public company requirements) net of the amount of actual benefits realized during such period from such actions, and any such adjustments shall be included in the initial *pro forma* calculations of such financial ratios or tests and during any subsequent Test Period in which the effects thereof are expected to be realized) relating to such Specified Transaction; *provided* that (a) such amounts are (i) reasonably identifiable and projected in the good faith judgment of the Borrower to result from such actions and (ii) such actions are taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken no later than twelve (12) months after the date of such Specified Transaction, (b) no amounts shall be added to the extent duplicative of any amounts that are otherwise added back in computing Adjusted EBITDA (or any other components thereof), whether through a *pro forma* adjustment or otherwise, with respect to such period and (c) amounts added back pursuant to this clause (3) shall be subject to the Combined Adjusted EBITDA Cap.

(4) In the event that (a) the Borrower or any Restricted Subsidiary incurs (including by assumption or guarantees), issues or repays (including by redemption, repurchase, repayment, retirement

or extinguishment) any Indebtedness (other than Indebtedness incurred or repaid under any revolving credit facility or line of credit unless such Indebtedness has been permanently repaid and not replaced), (b) the Borrower or any Restricted Subsidiary issues, repurchases or redeems Disqualified Stock, (c) any Restricted Subsidiary issues, repurchases or redeems Preferred Stock or (d) the Borrower or any Restricted Subsidiary establishes or eliminates any Designated Revolving Commitments, in each case included in the calculations of any financial ratio or test, (i) during the applicable Test Period or (ii) subsequent to the end of the applicable Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made, then such financial ratio or test shall be calculated giving *pro forma* effect to such incurrence, issuance, repayment or redemption of Indebtedness, issuance, repurchase or redemption of Disqualified Stock or Preferred Stock, or establishment or elimination of any Designated Revolving Commitments, in each case to the extent required, as if the same had occurred on the last day of the applicable Test Period (except in the case of the Senior Secured Leverage Ratio or Total Net Leverage Ratio (or similar ratio), in which case such incurrence, issuance, repayment or redemption of Indebtedness, issuance, repurchase or redemption of Disqualified Stock or Preferred Stock, or establishment or elimination of any Designated Revolving Commitments, in each case will be given effect, as if the same had occurred on the first day of the applicable Test Period) and, in the case of Indebtedness for all purposes as if such Indebtedness in the full amount of any undrawn Designated Revolving Commitments had been incurred thereunder throughout such period in each case to the extent required, as if the same had occurred on the last day of the applicable Test Period.

(5) If any Indebtedness bears a floating rate of interest and is being given *pro forma* effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the date of the event for which the calculation of the Senior Secured Leverage Ratio and/or Total Net Leverage Ratio, is made had been the applicable rate for the entire period (taking into account any interest hedging arrangements applicable to such Indebtedness). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a Financial Officer of the Borrower to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate shall be determined to have been based upon the rate actually chosen, or if none, then based upon such optional rate chosen as the Borrower or applicable Restricted Subsidiary may designate.

(6) Notwithstanding anything to the contrary in this Section 1.07 or in any classification under GAAP of any Person, business, assets or operations in respect of which a definitive agreement for the disposition thereof has been entered into, no *pro forma* effect shall be given to any discontinued operations (and the Adjusted EBITDA attributable to any such Person, business, assets or operations shall not be excluded for any purposes hereunder) until such disposition shall have been consummated.

(7) Any determination of Total Assets shall be made by reference to the last day of the Test Period most recently ended for which financial statements of the Borrower have been delivered pursuant to Section 6.01(1) or (2), as applicable, on or prior to the relevant date of determination.

(8) Notwithstanding anything in this Agreement or any Loan Document to the contrary, when (a) calculating any applicable ratio, Consolidated Net Income or Adjusted EBITDA in connection with the making of an Investment, (b) determining compliance with any provision of this Agreement which requires that no Default or Event of Default has occurred, is continuing or would result therefrom, (c) determining compliance with any provision of this Agreement which requires compliance with any representations and warranties set forth herein or (d) the satisfaction of all other conditions precedent to the making of an Investment, in each case in connection with a Limited Condition Acquisition, the date of determination of such ratio or other provisions, determination of whether any Default or Event of Default has occurred, is continuing or would result therefrom, determination of compliance with any representations or warranties or the satisfaction of any other conditions shall, at the option of the Borrower (the Borrower's election to

exercise such option in connection with any Limited Condition Acquisition, an “**LCA Election**”), be deemed to be the date the definitive agreements for such Limited Condition Acquisition are entered into (the “**LCA Test Date**”). If on a *pro forma* basis after giving effect to such Limited Condition Acquisition and the other transactions to be entered into in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) such ratios and other provisions are calculated as if such Limited Condition Acquisition or other transactions had occurred at the beginning of the most recent Test Period ending prior to the LCA Test Date for which financial statements of the Borrower have been delivered pursuant to Section 6.01(1) or (2), as applicable, the Borrower could have taken such action on the relevant LCA Test Date in compliance with the applicable ratios or other provisions, such provisions shall be deemed to have been complied with. For the avoidance of doubt, (i) if any of such ratios or other provisions are exceeded or breached as a result of fluctuations in such ratio (including due to fluctuations in Adjusted EBITDA or other components of such ratio) or other provisions at or prior to the consummation of the relevant Limited Condition Acquisition, such ratios and other provisions will not be deemed to have been exceeded as a result of such fluctuations solely for purposes of determining whether the Limited Condition Acquisition is permitted hereunder and (ii) such ratios and compliance with such conditions shall not be tested at the time of consummation of such Limited Condition Acquisition or related Specified Transactions. If the Borrower has made an LCA Election for any Limited Condition Acquisition, then in connection with any subsequent calculation of any ratio or Basket availability with respect to any other Specified Transaction on or following the relevant LCA Test Date and prior to the earlier of the date on which such Limited Condition Acquisition is consummated or the date that the definitive agreement for such Limited Condition Acquisition is terminated or expires without consummation of such Limited Condition Acquisition, any such ratio or Basket shall be calculated on a *pro forma basis* assuming such Limited Condition Acquisition and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) had been consummated on the LCA Test Date except that (other than solely with respect to the incurrence test under which such Limited Condition Acquisition is being made) Adjusted EBITDA, assets and Consolidated Net Income of any target of such Limited Condition Acquisition can only be used in the determination of the relevant ratios and Baskets if and when such acquisition has closed. Notwithstanding anything in this Agreement or any Loan Document to the contrary, if the Borrower or its Restricted Subsidiaries (x) incurs Indebtedness, creates Liens, makes Asset Sales, makes Investments, makes Restricted Payments or repays any Indebtedness in connection with any Limited Condition Acquisition under a ratio-based Basket and (y) incurs Indebtedness, creates Liens, makes Asset Sales, Investments or Restricted Payments or repays any Indebtedness in connection with such Limited Condition Acquisition under a non-ratio-based Basket (which shall occur within five Business Days of the events in clause (x) above), then the applicable ratio will be calculated with respect to any such action under the applicable ratio-based Basket without regard to any such action under such non-ratio-based Basket made in connection with such Limited Condition Acquisition.

Section 1.08 Available Amount Transaction. If more than one action occurs on any given date the permissibility of the taking of which is determined hereunder by reference to the Available Amount immediately prior to the taking of such action, the permissibility of the taking of each such action shall be determined independently and in no event may any two or more such actions be treated as occurring simultaneously, i.e., each transaction must constitute a permitted use of the Available Amount.

Section 1.09 [Reserved].

Section 1.10 Currency Generally.

(1) The Borrower shall determine in good faith the dollar amount of any utilization or other measurement denominated in a currency other than Dollars for purposes of compliance with any Basket. For purposes of determining compliance with any Basket under Article VII or VIII with respect to any amount expressed in a currency other than Dollars, no Default shall be deemed to have occurred solely as

a result of changes in rates of currency exchange occurring after the time such Basket utilization occurs or other Basket measurement is made (so long as such Basket utilization or other measurement, at the time incurred, made or acquired, was permitted hereunder). Except with respect to any ratio calculated under any Basket, any subsequent change in rates of currency exchange with respect to any prior utilization or other measurement of a Basket previously made in reliance on such Basket (as the same may have been reallocated in accordance with this Agreement) shall be disregarded for purposes of determining any unutilized portion under such Basket.

(2) For purposes of determining the Senior Secured Leverage Ratio and/or the Total Net Leverage Ratio, the amount of Indebtedness and cash and Cash Equivalents shall reflect the currency translation effects, determined in accordance with GAAP, of Hedging Obligations permitted hereunder for currency exchange risks with respect to the applicable currency in effect on the date of determination of the Dollar equivalent of such Indebtedness.

(3) For purposes of determining compliance under any Basket under Article VII or VIII, any amount in a currency other than Dollars will be converted to Dollars in a manner consistent with that used in calculating net income in the Borrower's annual financial statements delivered pursuant to Section 6.01(1); provided, however, that the foregoing shall not be deemed to apply to the determination of any amount of Indebtedness. For purposes of determining compliance with any restriction on the incurrence of Indebtedness, the Dollar equivalent of the principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed, in the case of revolving credit debt; provided that if such Indebtedness is incurred to extend, replace, refund, refinance, renew or defease other Indebtedness denominated in a foreign currency, and such extension, replacement, refunding, refinancing, renewal or defeasance would cause the applicable restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such extension, replacement, refunding, refinancing, renewal or defeasance, such restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being extended, replaced, refunded, refinanced, renewed or defeased.

Section 1.11 Divisions. For all purposes under the Loan Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized on the first date of its existence by the holders of its Equity Interests at such time.

ARTICLE II

The Commitments and Borrowings

Section 2.01 The Loans.

Subject to the terms and conditions set forth herein and in the Plan of Reorganization, on the Closing Date, pursuant to the Plan of Reorganization, the certain of the Prepetition Second Lien Term Loans held by the Lenders as of such date shall be automatically converted into (and be deemed to be prepaid), and each Lender shall be deemed to have made on the Closing Date to the Borrower Closing Date Term Loans in a principal amount equal to its Closing Date Term Loan Commitment. Amounts borrowed under this Section 2.01 and repaid or prepaid may not be reborrowed.

Section 2.02 Borrowings, Conversions and Continuations of Loans.

(1) Each Term Borrowing shall be made upon the Borrower's irrevocable notice, on behalf of the Borrower, to the Administrative Agent (*provided* that the notice in respect of any Term Borrowing on the Closing Date may be conditioned on the closing of the Transactions (other than any transactions constituting such Term Borrowing)). Each such notice must be received by the Administrative Agent not later than 12:00 p.m., New York time one (1) Business Day prior to the requested date of any Borrowing. Each notice by the Borrower pursuant to this Section 2.02(1) must be a written Committed Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower. Except as provided in Sections 2.14, 2.15 and 2.16, each Borrowing of Loans shall be in a principal amount of \$1.0 million or a whole multiple of \$500,000 in excess thereof. Each Committed Loan Notice shall specify:

- (i) ~~[Reserved]~~.
- (ii) the requested date of the Borrowing (which shall be a Business Day),
- (iii) the principal amount of Loans to be borrowed,
- (iv) ~~[Reserved]~~.
- (v) the Class of Loans to be borrowed,
- (vi) ~~[Reserved]~~ and
- (vii) wire instructions of the account(s) to which funds are to be disbursed.

Following receipt of a Committed Loan Notice, the Administrative Agent shall promptly notify each Lender of the amount of its Pro Rata Share or other applicable share provided for under this Agreement of the applicable Class of Loans. In the case of each Borrowing, each Appropriate Lender shall make the amount of its Loan available to the Administrative Agent in Same Day Funds at the Administrative Agent's Office not later than, in the case of Borrowing on the Closing Date, 10:00 a.m., New York time, and otherwise 2:00 p.m., New York time, on the Business Day specified in the applicable Committed Loan Notice. Upon satisfaction of the applicable conditions set forth in Section 4.01 for the Borrowing on the Closing Date, the Administrative Agent shall make all funds so received available to the applicable Borrower in like funds as received by the Administrative Agent either by (a) crediting the account(s) of the applicable Borrower on the books of the Administrative Agent with the amount of such funds or (b) wire transfer of such funds, in each case in accordance with instructions provided by the Borrower to (and reasonably acceptable to) the Administrative Agent.

- (2) ~~[Reserved]~~
- (3) ~~[Reserved]~~
- (4) ~~[Reserved]~~

(5) The failure of any Lender to make the Loan to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on the date of any Borrowing.

(6) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing, that such Lender will not make available to the Administrative Agent such Lender's Pro Rata Share of such Borrowing, the Administrative Agent may assume that such Lender has made such Pro Rata Share available to the Administrative Agent on the date of such Borrowing in accordance with paragraph (2) above, and the Administrative Agent may (but shall have no obligation to), in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If the Administrative Agent shall have so made funds available, then, to the extent that such Lender shall not have made such portion available to the Administrative Agent, each of such Lender and the Borrower severally agrees to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Administrative Agent at (a) in the case of the Borrower, the interest rate applicable at the time to the Loans comprising such Borrowing and (b) in the case of such Lender, the Overnight Rate *plus* any administrative, processing or similar fees customarily charged by the Administrative Agent in accordance with the foregoing. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this Section 2.02(7) shall be conclusive in the absence of manifest error. If the Borrower and such Lender shall both pay all or any portion of the principal amount in respect of such Borrowing or interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such Borrowing or interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

Section 2.03 [Reserved].

Section 2.04 [Reserved].

Section 2.05 Prepayments.

(1) Optional.

(a) The Borrower may, upon written notice to the Administrative Agent by the Borrower, at any time or from time to time voluntarily prepay any Class or Classes of Term Loans in whole or in part without premium or penalty; *provided that*

(i) such notice must be received by the Administrative Agent not later than 12:00 p.m., New York time, one (1) Business Day prior to any date of prepayment of Term Loans;

(ii) [Reserved]; and

(iii) any prepayment of Term Loans shall be in a principal amount of \$1.0 million or a whole multiple of \$100,000 in excess thereof or, if less, the entire principal amount thereof then outstanding.

Each such notice shall specify the date and amount of such prepayment and the Class(es) of Loans to be prepaid. The Administrative Agent will promptly notify each Appropriate Lender of its receipt of each such notice, and of the amount of such Lender's Pro Rata Share or other applicable share provided for under this Agreement of such prepayment. If such notice is given, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. In the case of each prepayment of the Loans pursuant to this Section 2.05(1), the Borrower may in its sole discretion select the Borrowing or Borrowings (and the order of maturity of principal payments) to be

repaid, and such payment shall be paid to the Appropriate Lenders in accordance with their respective Pro Rata Shares or other applicable share provided for under this Agreement.

(b) [Reserved].

(c) Notwithstanding anything to the contrary contained in this Agreement, the Borrower may rescind any notice of prepayment under Section 2.05(1)(a) if such prepayment would have resulted from a refinancing of all or a portion of the applicable Facility, which refinancing shall not be consummated or shall otherwise be delayed.

(d) Each prepayment in respect of any Term Loans pursuant to this Section 2.05(1) may be applied to any Class of Term Loans as directed by the Borrower. For the avoidance of doubt, the Borrower may (i) prepay Term Loans of any Term Loan Class pursuant to this Section 2.05 without any requirement to prepay Extended Loans that were converted or exchanged from such Term Loan Class and (ii) prepay Extended Loans pursuant to this Section 2.05 without any requirement to prepay any Term Loans that were not converted or exchanged for such Extended Loans. In the event that the Borrower does not specify the order in which to apply prepayments to reduce scheduled installments of principal or as between Classes of Term Loans, the Borrower shall be deemed to have elected that such proceeds be applied to reduce the scheduled installments of principal in direct order of maturity on a *pro rata* basis among Term Loan Classes.

(e) Notwithstanding anything in any Loan Document to the contrary, so long as (x) no Event of Default has occurred and is continuing or shall occur as a result thereof and (y) no proceeds of ABL Loans are used for this purpose, any Borrower Party may (i) purchase outstanding Term Loans on a non-pro rata basis through open market purchases or (ii) prepay the outstanding Term Loans (which Term Loans shall, for the avoidance of doubt, be automatically and permanently canceled immediately upon such purchase or prepayment, and the Borrower shall provide notice of such cancellation to the Administrative Agent), which in the case of clause (ii) only shall be prepaid without premium or penalty on the following basis:

(A) Any Borrower Party shall have the right to make a voluntary prepayment of Loans at a discount to par pursuant to a Borrower Offer of Specified Discount Prepayment, Borrower Solicitation of Discount Range Prepayment Offers or Borrower Solicitation of Discounted Prepayment Offers (any such prepayment, the “**Discounted Term Loan Prepayment**”), in each case made in accordance with this Section 2.05(1)(e) and without premium or penalty.

(B) any Borrower Party may from time to time offer to make a Discounted Term Loan Prepayment by providing the Auction Agent with five (5) Business Days’ notice (or such shorter period as agreed by the Auction Agent) in the form of a Specified Discount Prepayment Notice; *provided* that (I) any such offer shall be made available, at the sole discretion of the applicable Borrower Party, to (x) each Term Lender or (y) each Term Lender with respect to any Class of Term Loans on an individual Class basis, (II) any such offer shall specify the aggregate principal amount offered to be prepaid (the “**Specified Discount Prepayment Amount**”) with respect to each applicable Class, the Class or Classes of Term Loans subject to such offer and the specific percentage discount to par (the “**Specified Discount**”) of such Term Loans to be prepaid (it being understood that different Specified Discounts or Specified Discount Prepayment Amounts may be offered with respect to different Classes of Term Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section 2.05(1)(e)(B)), (III) the Specified Discount Prepayment Amount shall be in an aggregate amount not less than

\$5.0 million and whole increments of \$1.0 million in excess thereof and (IV) each such offer shall remain outstanding through the Specified Discount Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Specified Discount Prepayment Notice and a form of the Specified Discount Prepayment Response to be completed and returned by each such Term Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York time, on the third Business Day after the date of delivery of such notice to such Lenders (the “**Specified Discount Prepayment Response Date**”).

(1) Each Term Lender receiving such offer shall notify the Auction Agent (or its delegate) by the Specified Discount Prepayment Response Date whether or not it agrees to accept a prepayment of any of its applicable then outstanding Term Loans at the Specified Discount and, if so (such accepting Lender, a “**Discount Prepayment Accepting Lender**”), the amount and the Classes of such Lender’s Term Loans to be prepaid at such offered discount. Each acceptance of a Discounted Term Loan Prepayment by a Discount Prepayment Accepting Lender shall be irrevocable. Any Term Lender whose Specified Discount Prepayment Response is not received by the Auction Agent by the Specified Discount Prepayment Response Date shall be deemed to have declined to accept the applicable Borrower Offer of Specified Discount Prepayment.

(2) If there is at least one Discount Prepayment Accepting Lender, the relevant Borrower Party will make a prepayment of outstanding Term Loans pursuant to this paragraph (B) to each Discount Prepayment Accepting Lender in accordance with the respective Outstanding Amount and Classes of Term Loans specified in such Lender’s Specified Discount Prepayment Response given pursuant to subsection (2) above; *provided* that if the aggregate principal amount of Term Loans accepted for prepayment by all Discount Prepayment Accepting Lenders exceeds the Specified Discount Prepayment Amount, such prepayment shall be made pro rata among the Discount Prepayment Accepting Lenders in accordance with the respective principal amounts accepted to be prepaid by each such Discount Prepayment Accepting Lender and the Auction Agent (in consultation with such Borrower Party and subject to rounding requirements of the Auction Agent made in its reasonable discretion) will calculate such proration (the “**Specified Discount Proration**”). The Auction Agent shall promptly, and in any case within three (3) Business Days following the Specified Discount Prepayment Response Date, notify (I) the relevant Borrower Party of the respective Term Lenders’ responses to such offer, the Discounted Prepayment Effective Date and the aggregate principal amount of the Discounted Term Loan Prepayment and the Classes to be prepaid, (II) the Administrative Agent and each Term Lender of the Discounted Prepayment Effective Date, and the aggregate principal amount and the Classes of Term Loans to be prepaid at the Specified Discount on such date and (III) the Administrative Agent and each Discount Prepayment Accepting Lender of the Specified Discount Proration, if any, and confirmation of the principal amount, Class of Term Loans of such Lender to be prepaid at the Specified Discount on such date. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the applicable Borrower Party and such Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the applicable Borrower Party shall be due and payable by such Borrower Party on the Discounted

Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(C) Subject to the proviso to subsection (A) above, any Borrower Party may from time to time solicit Discount Range Prepayment Offers by providing the Auction Agent with five (5) Business Days' notice (or such shorter period as agreed by the Auction Agent) in the form of a Discount Range Prepayment Notice; *provided* that (I) any such solicitation shall be extended, at the sole discretion of such Borrower Party, to (x) each Term Lender or (y) each Term Lender with respect to any Class of Term Loans on an individual Class basis, (II) any such notice shall specify the maximum aggregate principal amount of the relevant Term Loans (the "**Discount Range Prepayment Amount**"), the Class or Classes of Term Loans subject to such offer and the maximum and minimum percentage discounts to par (the "**Discount Range**") of the principal amount of such Term Loans with respect to each relevant Class of Term Loans willing to be prepaid by such Borrower Party (it being understood that different Discount Ranges or Discount Range Prepayment Amounts may be offered with respect to different Classes of Term Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section 2.05(1)(e)(C)), (III) the Discount Range Prepayment Amount shall be in an aggregate amount not less than \$5.0 million and whole increments of \$1.0 million in excess thereof and (IV) unless rescinded, each such solicitation by the applicable Borrower Party shall remain outstanding through the Discount Range Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Discount Range Prepayment Notice and a form of the Discount Range Prepayment Offer to be submitted by a responding Term Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York time, on the third Business Day after the date of delivery of such notice to such Lenders (the "**Discount Range Prepayment Response Date**"). Each Term Lender's Discount Range Prepayment Offer shall be irrevocable and shall specify a discount to par within the Discount Range (the "**Submitted Discount**") at which such Lender is willing to allow prepayment of any or all of its then outstanding Term Loans of the applicable Class or Classes and the maximum aggregate principal amount and Classes of such Lender's Term Loans (the "**Submitted Amount**") such Term Lender is willing to have prepaid at the Submitted Discount. Any Term Lender whose Discount Range Prepayment Offer is not received by the Auction Agent by the Discount Range Prepayment Response Date shall be deemed to have declined to accept a Discounted Term Loan Prepayment of any of its Term Loans at any discount to their par value within the Discount Range.

(1) The Auction Agent shall review all Discount Range Prepayment Offers received on or before the applicable Discount Range Prepayment Response Date and shall determine (in consultation with such Borrower Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the Applicable Discount and Term Loans to be prepaid at such Applicable Discount in accordance with this subsection (C). The relevant Borrower Party agrees to accept on the Discount Range Prepayment Response Date all Discount Range Prepayment Offers received by the Auction Agent by the Discount Range Prepayment Response Date, in the order from the Submitted Discount that is the largest discount to par to the Submitted Discount that is the smallest discount to par, up to and including the Submitted Discount that is the smallest discount to par within the Discount Range (such Submitted Discount that is the smallest discount to par within the Discount Range being referred to as the "**Applicable Discount**") which yields a Discounted Term Loan Prepayment in an aggregate principal

amount equal to the lower of (I) the Discount Range Prepayment Amount and (II) the sum of all Submitted Amounts. Each Term Lender that has submitted a Discount Range Prepayment Offer to accept prepayment at a discount to par that is larger than or equal to the Applicable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Submitted Amount (subject to any required proration pursuant to the following subsection (3)) at the Applicable Discount (each such Term Lender, a “**Participating Lender**”).

(2) If there is at least one Participating Lender, the relevant Borrower Party will prepay the respective outstanding Term Loans of each Participating Lender in the aggregate principal amount and of the Classes specified in such Lender’s Discount Range Prepayment Offer at the Applicable Discount; *provided* that if the Submitted Amount by all Participating Lenders offered at a discount to par greater than the Applicable Discount exceeds the Discount Range Prepayment Amount, prepayment of the principal amount of the relevant Term Loans for those Participating Lenders whose Submitted Discount is a discount to par greater than or equal to the Applicable Discount (the “**Identified Participating Lenders**”) shall be made pro rata among the Identified Participating Lenders in accordance with the Submitted Amount of each such Identified Participating Lender and the Auction Agent (in consultation with such Borrower Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the “**Discount Range Proration**”). The Auction Agent shall promptly, and in any case within five (5) Business Days following the Discount Range Prepayment Response Date, notify (I) the relevant Borrower Party of the respective Term Lenders’ responses to such solicitation, the Discounted Prepayment Effective Date, the Applicable Discount, the aggregate principal amount of the Discounted Term Loan Prepayment and the Classes to be prepaid, (II) the Administrative Agent and each Term Lender of the Discounted Prepayment Effective Date, the Applicable Discount and the aggregate principal amount and Classes of Term Loans to be prepaid at the Applicable Discount on such date, (III) the Administrative Agent and each Participating Lender of the aggregate principal amount and Classes of such Term Lender to be prepaid at the Applicable Discount on such date and (IV) if applicable, each Identified Participating Lender of the Discount Range Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the relevant Borrower Party and Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the applicable Borrower Party shall be due and payable by such Borrower Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(D) Subject to the proviso to subsection (A) above, any Borrower Party may from time to time solicit Solicited Discounted Prepayment Offers by providing the Auction Agent with five (5) Business Days’ notice in the form of a Solicited Discounted Prepayment Notice (or such later notice specified therein); *provided* that (I) any such solicitation shall be extended, at the sole discretion of such Borrower Party, to (x) each Term Lender or (y) each Lender with respect to any Class of Term Loans on an individual Class basis, (II) any such notice shall specify the maximum aggregate amount of the Term Loans (the “**Solicited Discounted Prepayment Amount**”) and the Class or Classes of Term Loans the applicable Borrower Party is willing to prepay at a discount (it being understood that different Solicited Discounted Prepayment Amounts may be offered with

respect to different Classes of Term Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section 2.05(1)(e)(D)), (III) the Solicited Discounted Prepayment Amount shall be in an aggregate amount not less than \$5.0 million and whole increments of \$1.0 million in excess thereof and (IV) unless rescinded, each such solicitation by the applicable Borrower Party shall remain outstanding through the Solicited Discounted Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Solicited Discounted Prepayment Notice and a form of the Solicited Discounted Prepayment Offer to be submitted by a responding Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York time, on the third Business Day after the date of delivery of such notice to such Term Lenders (the “**Solicited Discounted Prepayment Response Date**”). Each Term Lender’s Solicited Discounted Prepayment Offer shall (x) be irrevocable, (y) remain outstanding until the Acceptance Date and (z) specify both a discount to par (the “**Offered Discount**”) at which such Term Lender is willing to allow prepayment of its then outstanding Term Loan and the maximum aggregate principal amount and Classes of such Term Loans (the “**Offered Amount**”) such Term Lender is willing to have prepaid at the Offered Discount. Any Term Lender whose Solicited Discounted Prepayment Offer is not received by the Auction Agent by the Solicited Discounted Prepayment Response Date shall be deemed to have declined prepayment of any of its Term Loans at any discount.

(1) The Auction Agent shall promptly provide the relevant Borrower Party with a copy of all Solicited Discounted Prepayment Offers received on or before the Solicited Discounted Prepayment Response Date. Such Borrower Party shall review all such Solicited Discounted Prepayment Offers and select the largest of the Offered Discounts specified by the relevant responding Term Lenders in the Solicited Discounted Prepayment Offers that is acceptable to the applicable Borrower Party (the “**Acceptable Discount**”), if any. If the applicable Borrower Party elects to accept any Offered Discount as the Acceptable Discount, then as soon as practicable after the determination of the Acceptable Discount, but in no event later than by the third Business Day after the date of receipt by such Borrower Party from the Auction Agent of a copy of all Solicited Discounted Prepayment Offers pursuant to the first sentence of this subsection (2) (the “**Acceptance Date**”), the applicable Borrower Party shall submit an Acceptance and Prepayment Notice to the Auction Agent setting forth the Acceptable Discount. If the Auction Agent shall fail to receive an Acceptance and Prepayment Notice from the applicable Borrower Party by the Acceptance Date, such Borrower Party shall be deemed to have rejected all Solicited Discounted Prepayment Offers.

(2) Based upon the Acceptable Discount and the Solicited Discounted Prepayment Offers received by the Auction Agent by the Solicited Discounted Prepayment Response Date, within three (3) Business Days after receipt of an Acceptance and Prepayment Notice (the “**Discounted Prepayment Determination Date**”), the Auction Agent will determine (in consultation with the consent of such Borrower Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the aggregate principal amount and the Classes of Term Loans (the “**Acceptable Prepayment Amount**”) to be prepaid by the relevant Borrower Party at the Acceptable Discount in accordance with this Section 2.05(1)(e)(D). If the applicable Borrower Party elects to accept any Acceptable Discount, then such Borrower Party agrees to accept all Solicited Discounted Prepayment Offers received by the Auction Agent by the Solicited Discounted Prepayment Response Date, in the order from largest

Offered Discount to smallest Offered Discount, up to and including the Acceptable Discount. Each Term Lender that has submitted a Solicited Discounted Prepayment Offer with an Offered Discount that is greater than or equal to the Acceptable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Offered Amount (subject to any required pro-rata reduction pursuant to the following sentence) at the Acceptable Discount (each such Lender, a “**Qualifying Lender**”). The applicable Borrower Party will prepay outstanding Term Loans pursuant to this subsection (D) to each Qualifying Lender in the aggregate principal amount and of the Classes specified in such Lender’s Solicited Discounted Prepayment Offer at the Acceptable Discount; *provided* that if the aggregate Offered Amount by all Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount exceeds the Solicited Discounted Prepayment Amount, prepayment of the principal amount of the Term Loans for those Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount (the “**Identified Qualifying Lenders**”) shall be made pro rata among the Identified Qualifying Lenders in accordance with the Offered Amount of each such Identified Qualifying Lender and the Auction Agent (in consultation with such Borrower Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the “**Solicited Discount Proration**”). On or prior to the Discounted Prepayment Determination Date, the Auction Agent shall promptly notify (I) the relevant Borrower Party of the Discounted Prepayment Effective Date and Acceptable Prepayment Amount comprising the Discounted Term Loan Prepayment and the Classes to be prepaid, (II) the Administrative Agent and each Term Lender of the Discounted Prepayment Effective Date, the Acceptable Discount, and the Acceptable Prepayment Amount of all Term Loans and the Classes to be prepaid to be prepaid at the Applicable Discount on such date, (III) the Administrative Agent and each Qualifying Lender of the aggregate principal amount and the Classes of such Term Lender to be prepaid at the Acceptable Discount on such date, and (IV) if applicable, each Identified Qualifying Lender of the Solicited Discount Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to such Borrower Party and Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to such Borrower Party shall be due and payable by such Borrower Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(E) In connection with any Discounted Term Loan Prepayment, the Borrower Parties and the Term Lenders acknowledge and agree that the Auction Agent may require, as a condition to the applicable Discounted Term Loan Prepayment, the payment of customary fees and expenses from a Borrower Party to such Auction Agent for its own account in connection therewith.

(F) If any Term Loan is prepaid in accordance with subsections (B) through (D) above, a Borrower Party shall prepay such Term Loans on the Discounted Prepayment Effective Date. The relevant Borrower Party shall make such prepayment to the Administrative Agent, for the account of the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, at the Administrative Agent’s Office in immediately available funds not later than 12:00 p.m., New York time, on the Discounted Prepayment Effective Date and all such prepayments shall be applied to the

relevant Class(es) and Lenders as specified by the applicable Borrower Party in the applicable offer. The Term Loans so prepaid shall be accompanied by all accrued and unpaid interest on the par principal amount so prepaid up to, but not including, the Discounted Prepayment Effective Date. Each prepayment of the outstanding Term Loans pursuant to this Section 2.05(1)(e) shall be paid to the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, and shall be applied to the relevant Loans of such Lenders in accordance with their respective applicable share as calculated by the Auction Agent in accordance with this Section 2.05(1)(e). The aggregate principal amount of the Classes and installments of the relevant Term Loans outstanding shall be deemed reduced by the full par value of the aggregate principal amount of the Classes of Term Loans prepaid on the Discounted Prepayment Effective Date in any Discounted Term Loan Prepayment. In connection with each prepayment pursuant to this Section 2.05(1)(e), the relevant Borrower Party shall make a representation to the assigning or assignee Term Lenders, as applicable, that it does not possess material non-public information with respect to the Borrower and its Subsidiaries or the securities of any of them that has not been disclosed to the Term Lenders generally (other than Term Lenders that have elected not to receive such information) or shall make a statement that such representation cannot be made.

(G) To the extent not expressly provided for herein, each Discounted Term Loan Prepayment shall be consummated pursuant to procedures consistent with the provisions in this Section 2.05(1)(e), established by the Auction Agent acting in its reasonable discretion and as reasonably agreed by the applicable Borrower Party.

(H) Notwithstanding anything in any Loan Document to the contrary, for purposes of this Section 2.05(1)(e), each notice or other communication required to be delivered or otherwise provided to the Auction Agent (or its delegate) shall be deemed to have been given upon Auction Agent's (or its delegate's) actual receipt during normal business hours of such notice or communication; *provided* that any notice or communication actually received outside of normal business hours shall be deemed to have been given as of the opening of business on the next succeeding Business Day.

(I) Each of the Borrower Parties and the Term Lenders acknowledge and agree that the Auction Agent may perform any and all of its duties under this Section 2.05(1)(e) by itself or through any Affiliate of the Auction Agent and expressly consents to any such delegation of duties by the Auction Agent to such Affiliate and the performance of such delegated duties by such Affiliate. The exculpatory provisions pursuant to this Agreement shall apply to each Affiliate of the Auction Agent and its respective activities in connection with any Discounted Term Loan Prepayment provided for in this Section 2.05(1)(e) as well as activities of the Auction Agent.

(J) Each Borrower Party shall have the right, by written notice to the Auction Agent, to revoke in full (but not in part) its offer to make a Discounted Term Loan Prepayment and rescind the applicable Specified Discount Prepayment Notice, Discount Range Prepayment Notice or Solicited Discounted Prepayment Notice therefor at its discretion at any time on or prior to the applicable Specified Discount Prepayment Response Date, Discount Range Prepayment Response Date or Solicited Discounted Prepayment Response Date (and if such offer is revoked pursuant to the preceding clauses, any failure by such Borrower Party to make any prepayment to a Lender, as applicable, pursuant to this Section 2.05(1)(e) shall not constitute a Default or Event of Default under Section 8.01 or otherwise).

(K) The Administrative Agent (i) shall not be required to serve as the Auction Agent or have any other obligations to participate in (other than mechanical administrative duties), or facilitate any Discounted Term Loan Prepayment unless it is reasonably satisfied with the terms and restrictions thereof and (ii) shall not have any obligation to participate in, arrange, sell or otherwise facilitate, and will have no liability in connection with, any open market repurchases by Holdings, the Borrower or any of its Restricted Subsidiaries.

(2) Mandatory.

(a) [Reserved-~~1~~]

(b) Subject to Section 2.05(2)(f) below, (i) if (x) the Borrower or any Restricted Subsidiary makes an Asset Sale or (y) any Casualty Event occurs, which results in the realization or receipt by the Borrower or such Restricted Subsidiary of Net Proceeds, the Borrower shall prepay, or cause to be prepaid, on or prior to the date which is ten (10) Business Days after the date of the realization or receipt by the Borrower or such Restricted Subsidiary of such Net Proceeds, subject to clause (ii) of this Section 2.05(2)(b) (solely in connection with Net Proceeds realized or received in connection with any Casualty Event) and clauses (2)(g) and (h) of this Section 2.05, an aggregate principal amount of Term Loans equal to 100% of all Net Proceeds realized or received; *provided* that no prepayment shall be required pursuant to this Section 2.05(2)(b)(i) with respect to such portion of such Net Proceeds that the Borrower shall have, on or prior to such date, given written notice to the Administrative Agent of its intent to reinvest (or entered into a binding commitment to reinvest) in accordance with Section 2.05(2)(b)(ii); *provided further* that

(A) if at the time that any such prepayment would be required, the Borrower (or any Restricted Subsidiary) is required to Discharge any Other Applicable Indebtedness with Other Applicable Net Proceeds pursuant to the terms of the documentation governing such Indebtedness, then the Borrower (or any Restricted Subsidiary) may apply such Net Proceeds on a *pro rata* basis (determined on the basis of the aggregate outstanding principal amount of the Term Loans and Other Applicable Indebtedness requiring such Discharge at such time);

(B) the portion of such Net Proceeds allocated to the Other Applicable Indebtedness shall not exceed the amount of such Other Applicable Net Proceeds required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof, and the remaining amount, if any, of such Net Proceeds shall be allocated to the Term Loans in accordance with the terms hereof to the prepayment of the Term Loans and to the repurchase or prepayment of Other Applicable Indebtedness, and the amount of prepayment of the Term Loans that would have otherwise been required pursuant to this Section 2.05(2)(b)(i) shall be reduced accordingly; and

(C) to the extent the holders of Other Applicable Indebtedness decline to have such Indebtedness repurchased or prepaid with such portion of such Net Proceeds, the declined amount shall promptly (and in any event within ten (10) Business Days after the date of such rejection) be applied to prepay the Term Loans in accordance with the terms hereof; *provided further* that no prepayment shall be required pursuant to this Section 2.05(2)(b)(i) with respect to such portion of such Net Proceeds that the Borrower shall have, on or prior to such date, given written notice to the Administrative Agent of its intent to reinvest (or entered into a binding commitment to reinvest) in accordance with Section 2.05(2)(b)(ii).

(ii) With respect to any Net Proceeds realized or received with respect to any Casualty Event, the Borrower or any Restricted Subsidiary, at its option, may reinvest all or any portion of such Net Proceeds in assets (other than Cash Equivalents) used or useful in the business of the Loan Parties (including capital expenditures) within (x) twelve (12) months following receipt of such Net Proceeds or (y) if the Borrower or any Restricted Subsidiary enters into a legally binding commitment to reinvest such Net Proceeds within twelve (12) months following receipt thereof, within the later of (A) twelve (12) months following receipt thereof and (B) one hundred eighty (180) days of the date of such legally binding commitment; *provided* that, (i) the aggregate amount of any such Net Proceeds reinvested pursuant to this Section 2.05(b)(ii) shall not exceed \$5.0 million in any fiscal year (with any unused amount being carried over to the next fiscal year, with such carried over amounts being utilized first in any given year) and (ii) if any Net Proceeds are no longer intended to be or cannot be so reinvested at any time after delivery of a notice of reinvestment election, and subject to clauses (g) and (h) of this Section 2.05(2), an amount equal to any such Net Proceeds shall be applied within five (5) Business Days after the Borrower reasonably determines that such Net Proceeds are no longer intended to be or cannot be so reinvested to the prepayment of the Term Loans as set forth in this Section 2.05.

(c) [Reserved].

(d) Subject to Section 2.05(2)(f) below, if (1) the Borrower or any Restricted Subsidiary incurs or issues any Indebtedness (A) not expressly permitted to be incurred or issued pursuant to Section 7.02(b) or (B) that constitutes Credit Agreement Refinancing Indebtedness or Refinancing Loans, the Borrower shall prepay, or cause to be prepaid, an aggregate principal amount of Term Loans of any Class or Classes (in each case, as directed by the Borrower) equal to 100% of all Net Proceeds received therefrom on or prior to the date which is five (5) Business Days after the receipt by the Borrower or such Restricted Subsidiary of such Net Proceeds or (2) the Borrower receives any "Declined Proceeds" (as defined in the First Lien Credit Agreement) other than in respect of Section 2.05(2)(a) thereof, the Borrower shall within five (5) Business Days after receipt of such "Declined Proceeds" (as defined in the First Lien Credit Agreement), offer to prepay, in accordance with clause (g) below, a principal amount of Term Loans and unpaid accrued interest thereon in an amount equal to 100% of such "Declined Proceeds" (as defined in the First Lien Credit Agreement) other than in respect of Section 2.05(2)(a) thereof.

(e) Except as otherwise set forth in any Refinancing Amendment ~~or~~ Extension Amendment or Incremental Amendment (*provided*, in each case, that such amendment may not provide that such Class of Term Loans shall receive a greater than pro rata portion of mandatory prepayments pursuant to Section 2.05(2) than the Class of Term Loans refinanced, converted or extended thereby):

(i) each prepayment of Term Loans required by Sections 2.05(2)(a) through (d) shall be applied to each Class of Term Loans then outstanding on a *pro rata* basis or a less than *pro rata* basis (but not greater than *pro rata* basis) with any other Term Loans (in each case, other than pursuant to a refinancing); and

(ii) each such prepayment shall be paid to the Lenders in accordance with their respective Pro Rata Shares of such prepayment.

(f) If the Borrower or any Restricted Subsidiary enters into a Specified Sale-Leaseback Transaction, which results in the receipt by the Borrower or such Restricted Subsidiary of Specified Sale-Leaseback Net Proceeds, or the Borrower or any Restricted Subsidiary enters into any Qualified Securitization Facility, which results in the receipt by the Borrower or such Restricted Subsidiary of Net Proceeds (in each case, determined after giving effect to the Transactions and without giving effect

to the last *proviso* of clause (1) of the definition of “Net Proceeds”), the Borrower shall, within three (3) Business Days after the receipt of such proceeds, prepay the Term Loans in an aggregate principal amount equal to the amount of such proceeds received.

(g) The Borrower shall notify the Administrative Agent in writing of any mandatory prepayment of Term Loans required to be made pursuant to clauses (b) through (d) or (f) of this Section 2.05(2) at least three (3) Business Days prior to the date of such prepayment. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the aggregate amount of such prepayment to be made by the Borrower. The Administrative Agent will promptly notify each Appropriate Lender of the contents of the Borrower’s prepayment notice and of such Appropriate Lender’s Pro Rata Share of the prepayment or other applicable share provided for under this Agreement. Each Term Lender may reject all or a portion of its Pro Rata Share, or other applicable share provided for under this Agreement, of any mandatory prepayment (such declined amounts, the “**Declined Proceeds**”) of Term Loans required to be made pursuant to clauses (a), (b), (d)(2) or (f) of this Section 2.05(2) by providing written notice (each, a “**Rejection Notice**”) to the Administrative Agent and the Borrower no later than 5:00 p.m., New York time, ~~one (1)~~ two (2) Business Days prior to the date of such prepayment. Each Rejection Notice from a given Lender shall specify the principal amount of the mandatory repayment of Term Loans to be rejected by such Lender. If a Term Lender fails to deliver a Rejection Notice to the Administrative Agent within the time frame specified above or such Rejection Notice fails to specify the principal amount of the Term Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory prepayment of Term Loans. Any Declined Proceeds remaining shall be retained by the Borrower (or the applicable Restricted Subsidiary) and may be applied by the Borrower or such Restricted Subsidiary in any manner not prohibited by this Agreement.

(h) Notwithstanding any other provisions of this Section 2.05(2), (A) to the extent that any or all of the Net Proceeds of any Asset Sale by a Foreign Subsidiary giving rise to a prepayment event pursuant to Section 2.05(2)(b) or (f) (a “**Foreign Asset Sale**”) or the Net Proceeds of any Casualty Event from a Foreign Subsidiary (a “**Foreign Casualty Event**”), the Specified Sale-Leaseback Net Proceeds of any Specified Sale-Leaseback Transaction by a Foreign Subsidiary (a “**Foreign Sale-Leaseback**”) are prohibited or delayed by applicable local law from being repatriated to the United States, the portion of such Net Proceeds, Specified Sale-Leaseback Net Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 2.05(2) but may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law will not permit repatriation to the United States (the Borrower hereby agreeing to cause the applicable Foreign Subsidiary to promptly take all commercially reasonable actions available under by the applicable local law to permit such repatriation), and once such repatriation of any of such affected Net Proceeds or Specified Sale-Leaseback Net Proceeds is permitted under the applicable local law such repatriation will be promptly effected and an amount equal to such repatriated Net Proceeds or Excess Cash Flow will be promptly (and in any event not later than two (2) Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Term Loans pursuant to this Section 2.05(2) to the extent otherwise provided herein and (B) to the extent that the Borrower has determined in good faith that repatriation of any or all of the Net Proceeds of any Foreign Asset Sale or Foreign Casualty Event or the Specified Sale-Leaseback Net Proceeds of any Foreign Sale-Leaseback would have a material adverse tax consequence (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation) with respect to such Net Proceeds or Specified Sale-Leaseback Net Proceeds, the Net Proceeds or Specified Sale-Leaseback Net Proceeds so affected may be retained by the applicable Foreign Subsidiary.

(i) Notwithstanding anything to the contrary set forth in any other clause in this Section 2.05, other than in the case of mandatory prepayments (x) declined by the lenders under the First Lien Credit Agreement in accordance with Section 2.05(2)(g) thereof (other than in respect of Section

2.05(2)(a) thereof) and offered to the Lenders under Section 2.05(2)(d)(2) or (y) required under Section 2.05(2)(d)(1)(B), until the Discharge of Senior Obligations (as defined in the Term Intercreditor Agreement) shall have occurred, no mandatory prepayments of Term Loans that would have otherwise been required under this Section 2.05(b) shall be required to be made.

(j) Interest. All prepayments under this Section 2.05 shall be accompanied by all accrued interest thereon.

Section 2.06 Termination or Reduction of Commitments.

~~(3)~~(1) Optional. The Borrower may, upon written notice by the Borrower to the Administrative Agent, terminate the unused Commitments of any Class, or from time to time permanently reduce the unused Commitments of any Class, in each case without premium or penalty; *provided that*

(a) any such notice shall be received by the Administrative Agent three (3) Business Days prior to the date of termination or reduction, and

(b) any such partial reduction shall be in an aggregate amount of \$5.0 million or any whole multiple of \$1.0 million in excess thereof or, if less, the entire amount thereof.

~~(4)~~(2) Mandatory. The Closing Date Term Loan Commitment of each Lender on the Closing Date shall be automatically and permanently reduced to \$0 upon the conversion of such Lender's Prepetition Second Lien Term Loans into Closing Date Term Loans pursuant to Section 2.01~~(3)(a)~~ and the Plan of Reorganization.

~~(5)~~(3) Application of Commitment Reductions. Upon any reduction of unused Commitments of any Class, the Commitment of each Lender of such Class shall be reduced by such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the amount by which such Commitments are reduced (other than the termination of the Commitment of any Lender as provided in Section 3.07).

~~Section 2.06~~Section 2.07 Repayment of Loans. The Borrower shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders on the Maturity Date for the Closing Date Term Loans, the aggregate principal amount of all Closing Date Term Loans outstanding on such date.

~~Section 2.07~~Section 2.08 Interest.

(1) Each Closing Date Term Loan shall bear interest on the outstanding principal amount thereof at a rate per annum equal to PIK Interest of 10.00% (the "**PIK Rate**").

(2) During the continuance of an Event of Default, the Borrower shall pay interest on all outstanding Obligations in respect of the Closing Date Term Loans at an interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws; *provided that*, no interest at the Default Rate shall accrue or be payable to a Defaulting Lender so long as such Lender shall be a Defaulting Lender. Accrued and unpaid interest based on the Default Rate (including interest on interest) shall be due and payable upon demand.

(3) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

~~Section 2.08~~Section 2.09 Fees. The Borrower shall pay to the Agents such fees as shall have been separately agreed upon in the Agent Fee Letter in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever (except as expressly agreed between the Borrower and the applicable Agent).

~~Section 2.09~~Section 2.10 Computation of Interest and Fees. All computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed, notwithstanding the use of the phrase “per annum” or similar phrases. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; *provided* that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(1), bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

~~Section 2.10~~Section 2.11 Evidence of Indebtedness.

(1) The Term Borrowings made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of Treasury Regulation Section 5f.103-1(c), as a non-fiduciary agent for the Borrower, in each case in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be prima facie evidence absent manifest error of the amount of the Term Borrowings made by the Lenders to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent, as set forth in the Register, in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender, the Borrower shall execute and deliver to such Lender a Term Note payable to such Lender, which shall evidence such Lender’s Loans in addition to such accounts or records. Each Lender may attach schedules to its Term Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(2) [Reserved].

(3) Entries made in good faith by the Administrative Agent in the Register pursuant to Section 2.11(1), and by each Lender in its account or accounts pursuant to Section 2.11(1), shall be prima facie evidence of the amount of principal and interest due and payable or to become due and payable from the Borrower to, in the case of the Register, each Lender and, in the case of such account or accounts, such Lender, under this Agreement and the other Loan Documents, absent manifest error; *provided* that the failure of the Administrative Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such account or accounts shall not limit or otherwise affect the obligations of the Borrower under this Agreement and the other Loan Documents.

~~Section 2.11~~Section 2.12 Payments Generally.

(1) All payments to be made by the Borrower shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent’s Office for payment and in Same Day Funds not later than 2:00 p.m., New York time, on the date specified herein. The Administrative Agent will promptly distribute to each Appropriate Lender its Pro Rata Share (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such

Lender's Lending Office. Any payments under this Agreement that are made later than 2:00 p.m., New York time, shall be deemed to have been made on the next succeeding Business Day (but the Administrative Agent may extend such deadline for purposes of computing interest and fees (but not beyond the end of such day) in its sole discretion whether or not such payments are in process).

(2) If any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

(3) Unless the Borrower or any Lender has notified the Administrative Agent, prior to the date, any payment is required to be made by it to the Administrative Agent hereunder (in the case of the Borrower, for the account of any Lender hereunder or, in the case of the Lenders, for the account of the Borrower hereunder), that the Borrower or such Lender, as the case may be, will not make such payment, the Administrative Agent may assume that the Borrower or such Lender, as the case may be, has timely made such payment and may (but shall not be so required to), in reliance thereon, make available a corresponding amount to the Person entitled thereto. If and to the extent that such payment was not in fact made to the Administrative Agent in Same Day Funds, then:

(a) if the Borrower failed to make such payment, each Lender shall forthwith on demand repay to the Administrative Agent the portion of such assumed payment that was made available to such Lender in Same Day Funds, together with interest thereon in respect of each day from and including the date such amount was made available by the Administrative Agent to such Lender to the date such amount is repaid to the Administrative Agent in Same Day Funds at the applicable Overnight Rate from time to time in effect; and

(b) if any Lender failed to make such payment, such Lender shall forthwith on demand pay to the Administrative Agent the amount thereof in Same Day Funds, together with interest thereon for the period from the date such amount was made available by the Administrative Agent to the Borrower to the date such amount is recovered by the Administrative Agent (the "**Compensation Period**") at a rate per annum equal to the applicable Overnight Rate from time to time in effect. When such Lender makes payment to the Administrative Agent (together with all accrued interest thereon), then such payment amount (excluding the amount of any interest which may have accrued and been paid in respect of such late payment) shall constitute such Lender's Loan included in the applicable Borrowing. If such Lender does not pay such amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent may make a demand therefor upon the Borrower, and the Borrower shall pay such amount, or cause such amount to be paid, to the Administrative Agent, together with interest thereon for the Compensation Period at a rate per annum equal to the rate of interest applicable to the applicable Borrowing. Nothing herein shall be deemed to relieve any Lender from its obligation to fulfill its Commitment or to prejudice any rights which the Administrative Agent or the Borrower may have against any Lender as a result of any default by such Lender hereunder. A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under this Section 2.12(3) shall be conclusive, absent manifest error.

(c) If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Term Borrowing set forth in Section 4.01 are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(d) The obligations of the Lenders hereunder to make Loans are several and not joint. The failure of any Lender to make any Loan on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan.

(e) Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(f) Whenever any payment received by the Administrative Agent under this Agreement or any of the other Loan Documents is insufficient to pay in full all amounts due and payable to the Administrative Agent and the Lenders under or in respect of this Agreement and the other Loan Documents on any date, such payment shall be distributed by the Administrative Agent and applied by the Administrative Agent and the Lenders in the order of priority set forth in Section 8.03 (or otherwise expressly set forth herein). If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the manner in which such funds are to be applied, the Administrative Agent may, but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the sum of the Outstanding Amount of all Loans outstanding at such time, in repayment or prepayment of such of the outstanding Loans or other Obligations then owing to such Lender.

~~Section 2.12~~ Section 2.13 Sharing of Payments. Other than as expressly provided elsewhere herein (including with respect to any discounted prepayment of Term Loans pursuant to Section 2.05(2)(e) or 2.05(2)(g)), if any Lender of any Class shall obtain payment in respect of any principal of or interest on account of the Loans of such Class made by it (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (1) notify the Administrative Agent of such fact, and (2) purchase from the other Lenders such participations in the Loans of such Class made by them, as shall be necessary to cause such purchasing Lender to share the excess payment in respect of any principal of or interest on such Loans of such Class, pro rata with each of them; *provided* that if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (a) the amount of such paying Lender's required repayment to (b) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon. For avoidance of doubt, the provisions of this Section 2.13 shall not be construed to apply to (i) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement as in effect from time to time (including the application of funds arising from the existence of a Defaulting Lender) or (ii) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant permitted hereunder. The Borrower agrees that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by applicable Law, exercise all its rights of payment (including the right of setoff, but subject to Section 10.10) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation. Each Lender that purchases a participation pursuant to this Section 2.13 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased.

~~Section 2.13 — [Reserved].~~Section 2.14 Incremental Term Facilities.

(1) Incremental Term Loan Request. The Borrower may at any time and from time to time, on one or more occasions, after the Closing Date, by notice to the Administrative Agent increase the aggregate principal amount of the Closing Date Term Loans (a “Term Loan Increase”) or add one or more additional Classes of term loans under the Loan Documents (each an “Incremental Term Facility” and the term loans made thereunder, the “Incremental Term Loans”).

(2) Ranking. Incremental Term Facilities will be secured by Liens over the Collateral that rank on a *pari passu* basis with the Closing Date Term Loans and only Guarantors shall provide guarantees of Incremental Term Facilities; *provided* that any Liens that rank on a *pari passu* basis or junior basis to the Liens securing the Obligations will be subject to the Applicable Intercreditor Agreement.

(3) Size. The aggregate principal amount of Incremental Term Facilities incurred on any date will not exceed \$15.0 million. Each Incremental Term Facility will be in an integral multiple of \$1.0 million and in an aggregate principal amount that is not less than \$10.0 million (or such lesser minimum amount approved by the Administrative Agent in its reasonable discretion); *provided* that such amount may be less than such minimum amount or integral multiple amount if such amount represents all the remaining availability under the limit set forth above.

(4) Incremental Lenders. Incremental Term Facilities may be provided by any existing Lender (it being understood that no existing Lender will have an obligation to make all or any portion of any Incremental Term Loan, nor will the Borrower have any obligation to approach any existing Lender(s) to provide any Incremental Term Loan) or by any Additional Lender on terms permitted by this Section 2.14. While existing Lenders may (but are not obligated, unless invited and so elect, to) participate in any syndication of an Incremental Term Facility and may (but are not obligated, unless invited and so elect, to) become lenders with respect thereto, the existing Lenders will not have any right to participate in any syndication, and will not have any right of first refusal or other right to provide all or any portion, of any Incremental Term Facility or Incremental Term Loan except to the extent the Borrower and the arrangers thereof, if any, in their discretion, choose to invite or include any such existing Lender (which may or may not apply to all existing Lenders and may or may not be prorata among existing Lenders). Final allocations in respect of Incremental Term Facilities will be made by the Borrower together with the arrangers thereof, if any, in their discretion, on the terms permitted by this Section 2.14.

(5) Incremental Term Facility Amendments; Use of Proceeds. Each Incremental Term Facility will become effective pursuant to an amendment (each, an “Incremental Amendment”) to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, each Person providing such Incremental Term Facility and the Administrative Agent. The Administrative Agent will promptly notify each Lender as to the effectiveness of each Incremental Amendment. Incremental Amendments may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.14. An Incremental Amendment may (a) add “call protection” to the Closing Date Term Loans, including amendments to Section 2.18, (b) [reserved] and (c) make other amendments to the terms of the existing Closing Date Term Loans, in the case of each clause (a) and (c), so that such Incremental Term Loans and the applicable existing Closing Date Term Loans form the same Class of Term Loans; *provided* that such amendments are not adverse to the existing Term Lenders (as determined in good faith by the Borrower). Each of the parties hereto hereby agrees that, upon the effectiveness of any Incremental Amendment, this Agreement and the other Loan Documents, as applicable, will be amended to the extent necessary to reflect the existence and terms of the Incremental

Term Facility and the Incremental Term Loans evidenced thereby. The Borrower may use the proceeds of the Incremental Term Loans for any purpose not prohibited by this Agreement.

(6) Conditions. The availability of Incremental Term Facilities under this Agreement will be subject solely to the following conditions:

(a) No Event of Default shall have occurred and be continuing or, in the case of a Permitted Acquisition or similar committed investment, no Event of Default under Section 8.01(1) or Section 8.01(6) (with respect to the Borrower only) shall have occurred and be continuing; provided that in the case of a Limited Condition Acquisition, at the Borrower's option, such Event of Default may be tested in accordance with Section 1.07(8) so long as at the time of the consummation of such Limited Condition Acquisition, no Event of Default under Section 8.01(1) or Section 8.01(6) (with respect to the Borrower only) shall have occurred and be continuing; and

(b) all representations and warranties set forth in Article V shall be true and correct in all material respects on and as of the date of incurrence of the Incremental Term Facilities except any representations and warranties which expressly relate to a given date or period shall be required only to be true and correct in all material respects as of the respective date or for the respective period, as the case may be.

(7) Terms. Each Incremental Amendment will set forth the amount and terms of the relevant Incremental Term Facility. The terms of each Incremental Term Facility will be as agreed between the Borrower and the Persons providing such Incremental Term Loans; provided that:

(a) the final maturity date of such Incremental Term Loans will be no earlier than the Latest Maturity Date of the existing Closing Date Term Loans;

(b) the Weighted Average Life to Maturity of such Incremental Term Loans will be no shorter than the longest remaining Weighted Average Life to Maturity of the existing Closing Date Term Loans;

(c) such Incremental Term Loans may participate on a *pro rata* basis or a less than *pro rata* basis (but not greater than a *pro rata* basis) in any mandatory repayments or prepayments of the Closing Date Term Loans (in each case, other than pursuant to a refinancing or with respect to greater than *pro rata* payments to an earlier maturing tranche) and may participate on a *pro rata* basis, greater than *pro rata* basis or less than *pro rata* basis in any voluntary prepayments of the Closing Date Term Loans; and

(d) except as otherwise set forth herein, all other terms of any (i) Term Loan Increase will be on terms and pursuant to documentation applicable to the Closing Date Term Loans and (ii) any Incremental Term Facility shall be on terms and pursuant to documentation to be determined; provided that to the extent such terms and documentation are not consistent with the existing Closing Date Term Loans (except to the extent permitted by clause (8) below), they shall be reasonably satisfactory to the Administrative Agent (except for covenants or other provisions applicable only to the periods after the Latest Maturity Date of the existing Closing Date Term Loans or any Incremental Term Facility in effect at such time) (it being understood that to the extent that any financial maintenance covenant is contained in any Incremental Term Facility, no consent shall be required from the Administrative Agent or any Lender to the extent that such financial maintenance covenant is also added for the benefit of the existing Closing Date Term Loans or any Incremental Term Facility in effect at such time).

(8) Pricing. The interest rate, fees, original issue discount, rate floors and fees and maturity and amortization schedule for any Incremental Term Facilities will be as determined by the Borrower and the Persons providing such Incremental Term Facilities; provided that in the event that with respect to the existing Closing Date Term Loans, the All-In Yield applicable to any Incremental Term Loans exceeds the All-In Yield of any existing Closing Date Term Loans by more than 50 basis points, then the interest rate margins for such existing Closing Date Term Loans shall be increased to the extent necessary so that the All-In Yield of such existing Closing Date Term Loans is equal to the All-In Yield of such Incremental Term Loans minus 50 basis points; provided further that any increase in All-In Yield of the existing Closing Date Term Loans due to the increase in a Eurodollar Rate or Base Rate floor on any Incremental Term Loan shall be effected solely through an increase in any Eurodollar Rate or Base Rate floor applicable to such existing Closing Date Term Loans.

(9) The Administrative Agent and the Lenders hereby agree that the minimum borrowing, *pro rata* borrowing and *pro rata* payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence.

Section 2.15 Refinancing Amendments.

(1) Refinancing Loans. At any time after the Closing Date, the Borrower may obtain, from any Lender or any Additional Lender, Credit Agreement Refinancing Indebtedness in respect of all or any portion of the Term Loans then outstanding under this Agreement, in the form of Refinancing Loans or Refinancing Commitments in each case pursuant to a Refinancing Amendment.

(2) Refinancing Amendments. The effectiveness of any Refinancing Amendment will be subject only to the satisfaction on the date thereof of such conditions precedent as may be requested by the providers of the applicable Refinancing Loans. The Administrative Agent will promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Refinancing Amendments may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate in the reasonable opinion of the Required Administrative Lenders and the Borrower, to effect the provisions of this Section 2.15 and to reflect the existence and terms of the Refinancing Loans incurred pursuant thereto (including any amendments necessary to treat the Term Loans subject thereto as Refinancing Term Loans). A Refinancing Amendment may (a) extend or add “call protection” to any existing Class of Term Loans, (b) [Reserved] and (c) make other amendments to the terms of any existing Term Loans, in the case of each clause (a), (b) and (c), so that such Refinancing Term Loans and the applicable existing Term Loans form the same Class of Term Loans; *provided* that such amendments are not adverse to the applicable existing Term Lenders (as determined in good faith by the Borrower). Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement and the other Loan Documents, as applicable, will be amended to the extent necessary to reflect the existence and terms of the Refinancing Loans. At the request of the Administrative Agent, the Borrower shall deliver an Officer’s Certificate to the Administrative Agent, certifying that the conditions and requirements with respect to such Refinancing Loans set forth in this Section 2.15 have been met and such Refinancing Amendment is authorized under this Section 2.15 (upon which the Administrative Agent may conclusively rely without independent inquiry).

(3) Required Consents. Any Refinancing Amendment may, without the consent of any Person other than the Administrative Agent, the Borrower and the Persons providing the applicable Refinancing Loans, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Required Administrative Lenders and the Borrower, to effect the provisions of this Section 2.15. This Section 2.15 supersedes any provision in this Agreement to the contrary (including Section 10.01).

(4) Providers of Refinancing Loans. Refinancing Loans may be provided by any existing Lender (it being understood that no existing Lender shall have an obligation to make all or any portion of any Refinancing Loan) or by any Additional Lender on terms permitted by this Section 2.15; *provided* that the Administrative Agent shall have consented (in each case, such consent not to be unreasonably withheld, conditioned or delayed) to any such Person's providing Refinancing Loans or Refinancing Commitments if such consent would be required under Section 10.07(b)(iii) for an assignment of Loans or Commitments to such Person. For the avoidance of doubt, any Affiliated Lender that provides any Refinancing Term Loans will be subject to the limitations on Affiliated Lenders set forth in Section 10.07(h) (including the Affiliated Lender Cap).

Section 2.16 Extensions of Loans.

(1) Extension Offers. Pursuant to one or more offers (each, an “**Extension Offer**”) made from time to time by the Borrower to all Lenders holding Loans or Commitments of a particular Class with a like Maturity Date, the Borrower may extend such Maturity Date and otherwise modify the terms of such Loans or Commitments pursuant to the terms set forth in an Extension Offer (each, an “**Extension**,” and each group of Loans or Commitments so extended, as well as any Loans of the same Class not so extended, each being a “**tranche**” for purposes of this Section 2.16). Each Extension Offer will specify the minimum amount of Loans or Commitments with respect to which an Extension Offer may be accepted, which will be an integral multiple of \$1.0 million and an aggregate principal amount that is not less than \$10.0 million, or if less, (a) the aggregate principal amount of such Loans outstanding or (b) such lesser minimum amount as is approved by the Administrative Agent, such consent not to be unreasonably withheld, conditioned or delayed. Extension Offers will be made on a *pro rata* basis to all Lenders holding Loans or Commitments of a particular Class with a like Maturity Date. If the aggregate outstanding principal amount of such Loans (calculated on the face amount thereof) or Commitments in respect of which Lenders have accepted an Extension Offer exceeds the maximum aggregate principal amount of Loans or Commitments offered to be extended pursuant to such Extension Offer, then the Loans or Commitments of such Lenders will be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Lenders have accepted such Extension Offer. There is no requirement that any Extension Offer or Extension Amendment (defined as follows) be subject to any “most favored nation” pricing provisions, any condition on the non-existence of any Default or Event of Default or any financial ratio tests. The terms of an Extension Offer shall be determined by the Borrower, and Extension Offers may contain one or more conditions to their effectiveness, including a condition that a minimum amount of Loans or Commitments of any or all applicable tranches be tendered.

(2) Extension Amendments. The Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments to this Agreement and the other Loan Documents (each, an “**Extension Amendment**”) as may be necessary or appropriate in order to effect the provisions of this Section 2.16, establish new tranches in respect of Extended Loans and Extended Commitments and such amendments as permitted by clause (5) below as may be necessary or appropriate in the reasonable opinion of the Required Administrative Lenders and the Borrower in connection with the establishment of such Extended Loans and Extended Commitments. An Extension Amendment may (a) extend or add “call protection” to any existing Class of Term Loans, (b) amend the schedule of amortization payments relating to any existing tranche of Term Loans, including amendments to Section 2.07 (*provided* that any such amendment shall not decrease the dollar amount of any amortization payment to any Lender that would have otherwise been payable to such Lender prior to the effectiveness of the applicable Extension Amendment) and (c) make other amendments to the terms of any existing Term Loans, in the case of each clause (a), (b) and (c), so that such Extended Loans and the applicable existing Term Loans form the same Class of Term Loans; *provided* that such amendments are not adverse to the existing Term Loan Lenders (as determined in good faith by the Borrower). At the request of the Administrative Agent, the Borrower shall deliver an Officer's Certificate to the Administrative Agent, certifying that the conditions and requirements with respect to such

Extension Loans set forth in this Section 2.16 have been met and such Extension Amendment is authorized under this Section 2.16 (upon which the Administrative Agent may conclusively rely without independent inquiry). This Section 2.16 supersedes any provision(s) in Section 2.13 or 10.01 to the contrary. Except as otherwise set forth in an Extension Offer, there will be no conditions to the effectiveness of an Extension Amendment. Extensions will not constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement. Any Lender of an existing Class of Term Loans that elects not to participate in Extended Loans or Extended Commitments of such Class of Term Loans shall be referred to herein as a “**Non-Extended Lender**”.

(3) Terms of Extension Offers and Extension Amendments. The terms of any Extended Loans and Extended Commitments will be set forth in an Extension Offer and as agreed between the Borrower and the Extending Lenders accepting such Extension Offer; *provided* that:

(a) the final maturity date of such Extended Loans and Extended Commitments will be no earlier than the Latest Maturity Date applicable to the Loans or Commitments subject to such Extension Offer;

(b) the Weighted Average Life to Maturity of any Extended Loans that are Term Loans will be no shorter than the remaining Weighted Average Life to Maturity of the Term Loans subject to such Extension Offer;

(c) any Extended Loans that are Term Loans may participate on a pro rata basis or a less than pro rata basis (but not greater than a pro rata basis) in any mandatory repayments or prepayments of the Term Loans (in each case, other than pursuant to a refinancing) and may participate on a pro rata basis, greater than pro rata basis or less than pro rata basis in any voluntary prepayments of the Term Loans;

(d) such Extended Loans and Extended Commitments are not secured by any assets or property that does not constitute Collateral and may not be secured on a senior basis to the existing Term Loans;

(e) such Extended Loans and Extended Commitments are not guaranteed by any Subsidiary of the Borrower other than a Subsidiary Guarantor; and

(f) the covenants and events of default applicable to Extended Loans or Extended Commitments are substantially identical to, or, taken as a whole, no more favorable to the Lenders providing such Extended Loans or Extended Commitments than, those applicable to the Loans subject to such Extension Offer, as determined in good faith by a Responsible Officer of the Borrower in its reasonable judgment; *provided* that this clause (f) will not apply:

(A) [reserved] or

(B) to any of the following:

- (1) terms addressed in the preceding clauses (a) through (e),
- (2) interest rate, fees, funding discounts and other pricing terms,
- (3) redemption, prepayment or other premiums,
- (4) optional redemption or prepayment terms and

(5) covenants and events of default applicable only to periods after the Latest Maturity Date at the time of incurrence of such Indebtedness.

Any Extended Loans will constitute a separate tranche of Term Loans from the Term Loans held by Lenders that did not accept the applicable Extension Offer.

(4) Required Consents. No consent of any Lender or any other Person will be required to effectuate any Extension, other than the consent of the Administrative Agent (such consent not to be unreasonably withheld, delayed or conditioned), the Borrower and the applicable Extending Lender. The transactions contemplated by this Section 2.16 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Loans on such terms as may be set forth in the relevant Extension Offer) will not require the consent of any other Lender or any other Person, and the requirements of any provision of this Agreement or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.16 will not apply to any of the transactions effected pursuant to this Section 2.16.

Section 2.17 Defaulting Lenders.

(1) Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(a) Waivers and Amendments. That Defaulting Lender's right to approve or disapprove of any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 10.01.

(b) Reallocation of Payments. Any payment of principal, interest, fees or other amounts received by any Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise), shall be applied at such time or times as may be determined by such Agent as follows: first, to the payment of any amounts owing by that Defaulting Lender to ~~such~~any Agent hereunder; second, as the Borrower may request (so long as no Default or Event of Default has occurred and is continuing), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; third, if so determined by the Administrative Agent and the Borrower, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; fourth, to the payment of any amounts owing to the Lenders, as a result of any judgment of a court of competent jurisdiction obtained by any Lender, against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; fifth, so long as no Default or Event of Default has occurred and is continuing, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and sixth, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; *provided* that if (i) such payment is a payment of the principal amount of any Loans in respect of which that Defaulting Lender has not fully funded its appropriate share and (ii) such Loans were made at a time when the conditions set forth in Section 4.01 were satisfied or waived, such payment shall be applied solely to pay the Loans of all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of that Defaulting Lender. Any payments, prepayments or other amounts payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(2) Defaulting Lender Cure. If the Borrower and the Administrative Agent agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, that Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders, whereupon that Lender will cease to be a Defaulting Lender; *provided* that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; *provided further* that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

ARTICLE III

TAXES, INCREASED COSTS PROTECTION AND ILLEGALITY

Section 3.01 Taxes, Increased Costs Protection and Illegality Taxes.

(1) Except as required by applicable Law, any and all payments by any Loan Party to or for the account of any Agent or any Lender under any Loan Document shall be made free and clear of and without deduction or withholding for any Taxes.

(2) If any Loan Party or any other applicable withholding agent is required by applicable Law (as determined in the good faith discretion of such Loan Party or withholding agent) to make any deduction or withholding on account of any Taxes from any sum paid or payable by any Loan Party to any Lender or Agent under any of the Loan Documents:

(a) the applicable Loan Party shall notify the Administrative Agent of any such requirement or any change in any such requirement as soon as such Loan Party becomes aware of it;

(b) the applicable Loan Party or other applicable withholding agent shall be entitled to make such deduction or withholding and shall pay any amounts deducted or withheld to the relevant Governmental Authority any such Tax before the date on which penalties attach thereto, such payment to be made (if the liability to pay is imposed on any Loan Party) for its own account or (if that liability is imposed on the Lender or Agent) on behalf of and in the name of the Lender or Agent (as applicable);

(c) if the Tax in question is a Non-Excluded Tax or Other Tax, the sum payable to such Lender or Agent (as applicable) shall be increased by such Loan Party to the extent necessary to ensure that, after the making of any required deduction or withholding for Non-Excluded Taxes or Other Taxes (including any deductions or withholdings for Non-Excluded Taxes or Other Taxes attributable to any payments required to be made under this Section 3.01), such Lender or such Agent (as applicable) receives on the due date a net sum equal to what it would have received had no such deduction or withholding been required or made; and

(d) within thirty days after paying any sum from which it is required by Law to make any deduction or withholding, and within thirty days after the due date of payment of any Tax which it is required by clause (b) above to pay, the Borrower shall deliver to the Administrative Agent evidence reasonably satisfactory to the other affected parties of such deduction or withholding and of the remittance thereof to the relevant Governmental Authority.

(3) Status of Lender. ~~Each~~ The Administrative Agent and each Lender shall, at such times as are reasonably requested by the Borrower or the Administrative Agent, provide the Borrower and the

Administrative Agent with any documentation prescribed by Laws or reasonably requested by the Borrower or the Administrative Agent certifying as to any entitlement of the Administrative Agent and such Lender, as applicable, to an exemption from, or reduction in, withholding Tax with respect to any payments to be made to the Administrative Agent or such Lender under any Loan Document. In addition, Administrative Agent or any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not the Administrative Agent or such Lender is subject to backup withholding or information reporting requirements. Each such Lender or Administrative Agent shall, whenever a lapse in time or change in circumstances renders such documentation (including any specific documentation required below in this Section 3.01(3)) obsolete, expired or inaccurate in any material respect, deliver promptly to the Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Borrower or the Administrative Agent) or promptly notify the Borrower and Administrative Agent of its inability to do so.

Without limiting the foregoing:

(a) Each U.S. Lender shall deliver to the Borrower and the Administrative Agent on or before the date on which such Lender becomes a party to this Agreement two properly completed and duly signed copies of Internal Revenue Service Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding.

(b) Each Foreign Lender shall deliver to the Borrower and the Administrative Agent on or before the date on which such Lender becomes a party to this Agreement (and from time to time thereafter upon the request of the Borrower or the Administrative Agent) whichever of the following is applicable:

(i) two properly completed and duly signed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable (or any successor forms) claiming eligibility for the benefits of an income tax treaty to which the United States is a party, and such other documentation as required under the Code,

(ii) two properly completed and duly signed copies of Internal Revenue Service Form W-8ECI (or any successor forms),

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or Section 881(c) of the Code, (A) two properly completed and duly signed certificates substantially in the form of Exhibit H (any such certificate, a “**United States Tax Compliance Certificate**”) and (B) two properly completed and duly signed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable (or any successor forms),

(iv) to the extent a Foreign Lender is not the beneficial owner (for example, where the Foreign Lender is a partnership or a participating Lender), executed originals of Internal Revenue Service Form W-8IMY (or any successor forms) of the Foreign Lender, accompanied by a Form W-8ECI, Form W-8BEN or W-8BEN-E, as applicable, a United States Tax Compliance Certificate, Form W-9, Form W-8IMY and any other required information (or any successor forms) from each beneficial owner that would be required under this Section 3.01(3) if such beneficial owner were a Lender, as applicable (*provided* that if one or more beneficial owners are claiming the portfolio interest exemption, the United States Tax Compliance Certificate may be provided by such Foreign Lender on behalf of such beneficial owner), or

(v) two properly completed and duly signed copies of any other form prescribed by applicable U.S. federal income tax laws (including the Treasury Regulations) as a basis for claiming a complete exemption from, or a reduction in, United States federal withholding Tax on any payments to such Lender under the Loan Documents.

(c) If a payment made to a Lender under any Loan Document would be subject to Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this paragraph, the term "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Notwithstanding any other provision of this clause (c), a Lender shall not be required to deliver any form that such Lender is not legally eligible to deliver.

(4) In addition to the payments by a Loan Party required by Section 3.01(2), the Borrower shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law and as soon as practicable after any payment of Taxes by the Borrower to a Governmental Authority pursuant to this Section, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(5) The Loan Parties shall, jointly and severally, indemnify a Lender or Agent (each a "**Tax Indemnatee**"), within 10 days after written demand therefor, for the full amount of any Non-Excluded Taxes paid or payable by such Tax Indemnatee on or attributable to any payment under or with respect to any Loan Document, and any Other Taxes payable by such Tax Indemnatee (including Non-Excluded Taxes or Other Taxes imposed on or attributable to amounts payable under this Section 3.01), whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability prepared in good faith and delivered by the Tax Indemnatee or by the Administrative Agent on its own behalf or on behalf of another Tax Indemnatee, shall be conclusive absent manifest error.

(6) If and to the extent that a Tax Indemnatee, in its sole discretion (exercised in good faith), determines that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 3.01 (including by the payment of additional amounts pursuant to this Section 3.01), then such Tax Indemnatee shall pay to the relevant Loan Party the amount of such refund, net of all out-of-pocket expenses of the Tax Indemnatee (including any Taxes imposed with respect to such refund), and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), *provided* that the Loan Party, upon the request of the Tax Indemnatee, agrees to repay the amount paid over by the Tax Indemnatee (*plus* any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Tax Indemnatee to the extent the Tax Indemnatee is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (6), in no event will the Tax Indemnatee be required to pay any amount to a Loan Party pursuant to this paragraph (6) the payment of which would place the Tax Indemnatee in a less favorable net after-Tax position than the Tax Indemnatee would have been in if the Tax subject to indemnification and giving rise to such refund had not

been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This subsection shall not be construed to require a Tax Indemnitee to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Loan Party or any other Person.

(7) The agreements in this Section 3.01 shall survive the resignation, replacement, or removal of any Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments, the repayment, satisfaction or discharge of all Obligations under any Loan Document, and the termination of this Agreement or any other Loan Document.

(8) For purposes of this Section, the term "Applicable Law" includes FATCA.

Section 3.03 ~~[Reserved.]~~

1

Section 3.04 Increased Cost and Reduced Return; Capital Adequacy.

(1) Increased Costs Generally. If any Change in Law shall:

(a) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender; or

(b) subject any Lender to any Tax of any kind whatsoever with respect to this Agreement or change the basis of taxation of payments to such Lender in respect thereof (except for Non-Excluded Taxes or Other Taxes covered by Section 3.01 and any Excluded Taxes).;

and the result of any of the foregoing shall be to increase the cost to such Lender, or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or any other amount) then, from time to time within fifteen (15) days after demand by such Lender setting forth in reasonable detail such increased costs (with a copy of such demand to the Administrative Agent), the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered; *provided* that such amounts shall only be payable by the Borrower to the applicable Lender under this Section 3.04(1) so long as it is such Lender's general policy or practice to demand compensation in similar circumstances under comparable provisions of other financing agreements.

(2) Capital Requirements. If any Lender reasonably determines that any Change in Law affecting such Lender or any Lending Office of such Lender or such Lender's holding company, if any, regarding capital requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by it, to a level below that which such Lender or such Lender's holding company, as the case may be, could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time upon demand of such Lender setting forth in reasonable detail the charge and the calculation of such reduced rate of return (with a copy of such demand to the

Administrative Agent), the Borrower will pay to such Lender additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered; *provided* that such amounts shall only be payable by the Borrower to the applicable Lender under this Section 3.04(2) so long as it is such Lender's general policy or practice to demand compensation in similar circumstances under comparable provisions of other financing agreements.

(3) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in subsection (1) or (2) of this Section 3.04 and delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender, as the case may be, the amount shown as due on any such certificate within fifteen (15) days after receipt thereof.

Section 3.05 ~~[Reserved.]~~

1.

Section 3.06 Matters Applicable to All Requests for Compensation.

(1) Designation of a Different Lending Office. If any Lender requests compensation under Section 3.04, or the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01 then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the good faith judgment of such Lender such designation or assignment (a) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, and (b) in each case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material economic, legal or regulatory respect.

(2) ~~[Reserved.]~~

(3) ~~[Reserved.]~~

(4) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of Sections 3.01 or 3.04 shall not constitute a waiver of such Lender's right to demand such compensation; *provided* that the Borrower shall not be required to compensate a Lender pursuant to the foregoing provisions of Section 3.01 or 3.04 for any increased costs incurred or reductions suffered more than one hundred and eighty (180) days prior to the date that such Lender notifies the Borrower of the event giving rise to such claim and of such Lender's intention to claim compensation therefor (except that, if the circumstance giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof).

Section 3.07 Replacement of Lenders under Certain Circumstances. If (1) any Lender requests compensation under Section 3.04, (2) the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, (3) any Lender is a Non-Consenting Lender or Non-Extended Lender, (4) any Lender becomes a Defaulting Lender or (5) any other circumstance exists hereunder that gives the Borrower the right to replace a Lender as a party hereto, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent:

(a) require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.07), all of its interests, rights and obligations under this Agreement (or, with respect to clause (3) above, all of its interests, rights and obligations with respect to the Class of Loans or Commitments that is the subject of the related consent, waiver, or amendment, as applicable) and the related Loan Documents to one or more Eligible Assignees that shall assume such obligations (any of which assignee may be another Lender, if a Lender accepts such assignment), *provided that*:

(i) the Borrower shall have paid to the Administrative Agent the assignment fee specified in Section 10.07(b)(iv);

(ii) such Lender shall have received payment of an amount equal to the applicable outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts);

(iii) such Lender being replaced pursuant to this Section 3.07 shall (i) execute and deliver an Assignment and Assumption with respect to all, or a portion, as applicable, of such Lender's Commitment and outstanding Loans and (ii) deliver any Term Notes evidencing such Loans to the Borrower (or a lost or destroyed note indemnity in lieu thereof); *provided that* the failure of any such Lender to execute an Assignment and Assumption or deliver such Term Notes shall not render such sale and purchase (and the corresponding assignment) invalid and such assignment shall be recorded in the Register and the Term Notes shall be deemed to be canceled upon such failure;

(iv) the Eligible Assignee shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans and Commitments, except with respect to indemnification and confidentiality provisions under this Agreement, which shall survive as to such assigning Lender;

(v) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter;

(vi) such assignment does not conflict with applicable Laws; and

(vii) the Lender that acts as an Agent cannot be replaced in its capacity as such Agent other than in accordance with Section 9.11, or

(b) terminate the Commitment of such Lender and in the case of a Lender, repay all Obligations of the Borrower owing to such Lender relating to the Loans held by such Lender as of such termination date; *provided that* in the case of any such termination of the Commitment of a Non-Consenting Lender such termination shall be sufficient (together with all other consenting Lenders) to cause the adoption of the applicable consent, waiver or amendment of the Loan Documents and such termination shall, with respect to clause (3) above, be in respect of all of its interests, rights and obligations with respect to the Class of Loans or Commitments that is the subject of the related consent, waiver and amendment.

In the event that (i) the Borrower or the Administrative Agent has requested that the Lenders consent to a departure or waiver of any provisions of the Loan Documents or agree to any

amendment thereto, (ii) the consent, waiver or amendment in question requires the agreement of each Lender, all affected Lenders or all the Lenders or all affected Lenders with respect to a certain Class or Classes of the Loans/Commitments and (iii) the Required Lenders or Required Facility Lenders, as applicable, have agreed to such consent, waiver or amendment, then any Lender who does not agree to such consent, waiver or amendment shall be deemed a “**Non-Consenting Lender.**”

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

Section 3.08 Survival. All of the Borrower’s obligations under this Article III shall survive the resignation, replacement, or removal of any Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments, the repayment, satisfaction or discharge of all Obligations under any Loan Document, and the termination of this Agreement or any other Loan Document.

To the knowledge of the Borrower, the operation of the respective businesses of the Borrower or any Subsidiary of the Borrower as currently conducted does not infringe upon, dilute, misappropriate or violate any IP Rights held by any Person except for such infringements, dilutions, misappropriations or violations, individually or in the aggregate, that would not reasonably be expected to have a Material Adverse Effect. For purposes of determining compliance with any Dollar denominated restriction on the incurrence of Indebtedness or issuance of Disqualified Stock or Preferred Stock, the Dollar equivalent principal amount of Indebtedness or Disqualified Stock or Preferred Stock denominated in a foreign currency will be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness, Disqualified Stock or Preferred Stock was incurred, in the case of term debt, or first committed or first incurred (whichever yields the lower Dollar equivalent), in the case of revolving credit debt; *provided* that if such Indebtedness, Disqualified Stock or Preferred Stock is issued to Refinance other Indebtedness, Disqualified Stock or Preferred Stock denominated in a foreign currency, and such refinancing would cause the applicable Dollar denominated (or the applicable growth component with respect to such Basket, if greater) restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such Dollar denominated restriction will be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness, Disqualified Stock or Preferred Stock does not exceed (i) the principal amount of such Indebtedness, Disqualified Stock or Preferred Stock (as applicable) being refinanced *plus* (ii) the aggregate amount of accrued but unpaid interest, fees, underwriting discounts, defeasance costs, premiums (including tender premiums) and other costs and expenses (including OID, upfront fees or similar fees) incurred in connection with such refinancing.

The principal amount of any Indebtedness, Disqualified Stock or Preferred Stock incurred to refinance other Indebtedness, Disqualified Stock or Preferred Stock, if incurred in a different currency from the Indebtedness, Disqualified Stock or Preferred Stock, as applicable, being refinanced, will be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness or Disqualified Stock or Preferred Stock is denominated that is in effect on the date of such refinancing. The principal amount of any non-interest bearing Indebtedness or other discount security constituting Indebtedness at any date will be the principal amount thereof that would be shown on a balance sheet of the Borrower dated such date prepared in accordance with GAAP.

For purposes of determining compliance with this Section 7.02, if any Indebtedness is refinanced in reliance on a Basket measured by reference to a percentage of Adjusted EBITDA, and such refinancing would cause the percentage of Adjusted EBITDA to be exceeded if calculated based on the Adjusted EBITDA on the date of such refinancing, such percentage of Adjusted EBITDA will not be deemed to be exceeded to the extent the principal amount of such obligations secured by such newly incurred Indebtedness does not exceed the sum of (i) the principal amount of such Indebtedness being refinanced, *plus* (ii) the related costs incurred or payable in connection with such refinancing.

(22) (a) transactions with a Person that is an Affiliate of the Borrower (other than an Unrestricted Subsidiary) solely because the Borrower or any Restricted Subsidiary owns, directly or indirectly, Equity Interests in such Person and (b) transactions with any Person that is an Affiliate solely because a director or officer of such Person is a director or officer of the Borrower, any Restricted Subsidiary or any Parent Company;

(1) Non-Payment. The Borrower fails to pay (a) when and as required to be paid herein, any amount of principal of any Loan or (b) within five (5) Business Days after the same becomes due, any interest on any Loan or any other amount payable hereunder or with respect to any other Loan Document; or

(6) Insolvency Proceedings, etc. Holdings, the Borrower, any Loan Party or any Restricted Subsidiary that is a Significant Subsidiary institutes or consents to the institution of any proceeding under any Debtor Relief Law, or makes an assignment for the benefit of creditors; or applies for or consents to the appointment of any receiver, trustee, custodian, conservator, liquidator, rehabilitator, administrator, administrative receiver or similar officer for it or for all or any material part of its property; or any receiver, trustee, custodian, conservator, liquidator, rehabilitator, administrator, administrative receiver or similar officer is appointed without the application or consent of such Person and the appointment continues undischarged or unstayed for sixty (60) calendar days; or any proceeding under any Debtor Relief Law relating to any such Person or to all or any material part of its property is instituted without the consent of such Person and continues undismissed or unstayed for sixty (60) calendar days, or an order for relief is entered in any such proceeding; or

(7) Judgments. There is entered against any Loan Party or any Restricted Subsidiary a final judgment and order for the payment of money in an aggregate amount exceeding the Threshold Amount (to the extent not covered by independent third-party insurance as to which the insurer has been notified of such judgment or order and has not denied coverage thereof) and such judgment or order shall not have been satisfied, vacated, discharged or stayed or bonded pending an appeal for a period of sixty (60) calendar days; or

(8) ERISA. (a) An ERISA Event occurs with respect to a Pension Plan or Multiemployer Plan, (b) the Borrower or any Subsidiary Guarantor or any of their respective ERISA Affiliates fails to pay when due, after the expiration of any applicable grace period, any installment payment with respect to its Withdrawal Liability under Section 4201 of ERISA under a Multiemployer Plan, or (c) with respect to a Foreign Plan a termination, withdrawal or noncompliance with applicable Law or plan terms, except, with respect to each of the foregoing clauses of this Section 8.01(8), as would not reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect; or

(9) Invalidity of Loan Documents. Any material provision of the Loan Documents, taken as a whole, at any time after its execution and delivery and for any reason, other than (a) as expressly permitted by any Loan Documents (including as a result of a transaction permitted under Section 7.03 or 7.04), (b) as a result of acts or omissions by an Agent (it being understood that the foregoing exception shall not impose any obligations on any Agent exculpated under Article IX) or any Lender or (c) due to the satisfaction in full of the Termination Conditions, ceases to be in full force and effect; or any Loan Party contests in writing the validity or enforceability of the Loan Documents, taken as a whole (other than as a result of the satisfaction of the Termination Conditions), or any Loan Party denies in writing that it has any or further liability or obligation under the Loan Documents, taken as a whole (other than as a result of the satisfaction of the Termination Conditions), or purports in writing to revoke or rescind the Loan Documents, taken as a whole, prior to the satisfaction of the Termination Conditions; or

(10) Collateral Documents. Any Collateral Document with respect to a material portion of the Collateral after delivery thereof pursuant to Section 4.01, 6.11 or 6.13 for any reason (other than pursuant to the terms hereof or thereof including as a result of a transaction not prohibited under this Agreement) ceases to create, a valid and perfected Lien with the priority required by the Applicable Intercreditor Agreement (or other security purported to be created on the applicable Collateral) on and security interest in any material portion of the Collateral purported to be covered thereby, subject to Liens permitted under Section 7.01, except to the extent that any such loss of perfection or priority is not required pursuant to the Collateral and Guarantee Requirement or results from the failure of the Administrative Agent or the Collateral Agent to maintain possession of Collateral actually delivered to it and pledged under the Collateral Documents or to file Uniform Commercial Code amendments relating to a Loan Party's change of name or jurisdiction of formation (solely to the extent that the Borrower provides the Collateral Agent written notice thereof in accordance with the Security Agreement, and the Collateral Agent and the

Borrower have agreed that the Collateral Agent will be responsible for filing such amendments; provided that each party to this Agreement acknowledges and agrees that the Collateral Agent and the Required Administrative Lenders may use an outside service provider for the tracking of all Uniform Commercial Code financing statements required to be filed pursuant to the Loan Documents and notification to the Collateral Agent or the Required Administrative Lenders, as the case may be, of, among other things, the upcoming lapse or expiration thereof) and continuation statements or to take any other action primarily within its control with respect to the Collateral and except as to Collateral consisting of Real Property to the extent that such losses are covered by a lender's title insurance policy and such insurer has not denied coverage (it being understood that the foregoing exception shall not impose any obligations on any Agent exculpated under Article IX); or

(11) Change of Control. There occurs any Change of Control.

Section 8.02 Remedies upon Event of Default. If any Event of Default occurs and is continuing, the Administrative Agent may with the consent of the Required Lenders and shall, at the request of the Required Lenders, take any or all of the following actions:

(1) declare the Commitments of each Lender to be terminated, whereupon such Commitments will be terminated;

(2) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable under any Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrower; and

(3) exercise on behalf of itself and the Lenders all rights and remedies available to it and the Lenders under the Loan Documents or applicable Law;

provided that upon ~~the filing of a petition for relief by the Borrower or~~ the occurrence of an actual or deemed entry of an order for relief, with respect to the Borrower under Title 11 of the United States Code entitled "Bankruptcy," as now or hereafter in effect, or any successor thereto (the "Bankruptcy Code"), the Commitments of each Lender will automatically terminate and the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid will automatically become due and payable without further act of the Administrative Agent or any Lender.

Section 8.03 Application of Funds. After the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable as set forth in the proviso to Section 8.02), subject to the Applicable Intercreditor Agreement then in effect, any amounts received on account of the Obligations will be applied by the Administrative Agent in the following order:

First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and all other amounts (other than principal and interest, but including Attorney Costs payable under Sections 10.04 and 10.05 and amounts payable under Article III) payable to the Agents in their capacity as such;

Second, to payment of that portion of the Obligations constituting fees, indemnities and other amounts (other than principal and interest, but including Attorney Costs payable under Sections 10.04 and 10.05 and amounts payable under Article III) payable to the Lenders, ratably among them in proportion to the amounts described in this clause Second payable to them;

Third, to payment of that portion of the Obligations constituting accrued and unpaid interest on the Loans, ratably among the Lenders in proportion to the respective amounts described in this clause Third payable to them;

Fourth, to payment of that portion of the Obligations constituting unpaid principal of the Loans, ratably among the Secured Parties in proportion to the respective amounts described in this clause Fourth held by them;

Fifth, to the payment of all other Obligations of the Loan Parties that are due and payable to the other Secured Parties on such date, ratably based upon the respective aggregate amounts of all such Obligations owing to the other Secured Parties on such date; and

(1) *Last*, the balance, if any, after all of the Obligations have been paid in full, to the Borrower or as otherwise required by Law.

ARTICLE IX

Administrative Agent, Collateral Agent and Other Agents

Section 9.01 Appointment and Authorization of the Agents.

(1) Each Lender hereby irrevocably appoints Wilmington Trust, National Association, to act on its behalf as the Administrative Agent and Collateral Agent hereunder and under the other Loan Documents and authorizes the Agents to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent and Collateral Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article IX (other than Sections 9.09, 9.10, 9.11, 9.12 and 9.16) are solely for the benefit of the Agents and the Lenders and the Borrower and the other Loan Parties shall not have rights as a third-party beneficiary of any such provision.

(2) Each of the Lenders hereby irrevocably appoints and authorizes the Collateral Agent to act as the agent of (and to hold any security interest created by the Collateral Documents for and on behalf of or in trust for) such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Collateral Agent (and any co-agents, sub-agents and attorneys-in-fact appointed by the Collateral Agent pursuant to Section 9.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent), shall be entitled to the benefits of all provisions of this Article IX and Article X (including Sections 9.07, 9.08, 10.04 and 10.05, as though such co-agents, sub-agents and attorneys-in-fact were the Collateral Agent under the Loan Documents), and all other rights, privileges, protections, immunities, and indemnities granted to the Administrative Agent and the Collateral Agent under this Agreement and the other Loan Documents. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Administrative Agent and the Collateral Agent to (i) execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto (including any Applicable Intercreditor Agreement), as contemplated by and in accordance with the provisions of this Agreement and the Collateral Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders, and (ii) negotiate, enforce or settle any claim, action or proceeding affecting the Lenders in their capacity as such, at the written direction of the Required Lenders, which negotiation, enforcement or settlement will be binding upon each Lender.

Section 9.02 Rights as a Lender. Any Lender that is also serving as an Agent (including as Administrative Agent or Collateral Agent) hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include each Lender (if any) serving as an Agent hereunder in its individual capacity. Any such Person serving as an Agent and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not an Agent hereunder and without any duty to account therefor to the Lenders. The Lenders acknowledge that, pursuant to such activities, any Agent or its Affiliates may receive information regarding any Loan Party or any of its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that no Agent shall be under any obligation to provide such information to them.

Section 9.03 Exculpatory Provisions. The Administrative Agent and the Collateral Agent shall not have any duties, obligations or responsibilities except those expressly set forth in this Agreement and in the other Loan Documents. Without limiting the generality of the foregoing, an Agent (including the Administrative Agent and the Collateral Agent):

(1) shall not be subject to any fiduciary or other implied duties or obligations, regardless of whether a Default or Event of Default has occurred and is continuing and without limiting the generality of the foregoing, the use of the term “agent” or “ad hoc group” herein and in the other Loan Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law and instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative or representative relationship between independent contracting parties;

(2) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), *provided* that notwithstanding anything to the contrary contained in this Agreement or the other Loan Documents, the Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable law; and

(3) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower, the Loan Parties, or any of their Affiliates that is communicated to or obtained by any Person serving as an Agent or any of its Affiliates in any capacity.

Section 9.04 Lack of Reliance on the Agents. Independently and without reliance upon the Agents, each Lender and the holder of each Term Note, to the extent it deems appropriate, has made and shall continue to make (i) its own independent investigation of the financial condition and affairs of Holdings, the Borrower and the Restricted Subsidiaries in connection with the making and the continuance of the Loans and the taking or not taking of any action in connection herewith and (ii) its own appraisal of the creditworthiness of Holdings, the Borrower and the Restricted Subsidiaries and, except as expressly provided in this Agreement, the Agents shall not have any duty or responsibility, either initially or on a continuing basis, to provide any Lender or the holder of any Term Note with any credit or other information with respect thereto, whether coming into its possession before the making of the Loans or at any time or times thereafter. other Loan Document, such Agent shall be entitled to refrain from such act or taking such action unless and until such Agent shall have received instructions from the Required Lenders; and such Agent shall not incur liability to any Lender by reason of so refraining. Without limiting the foregoing, neither any Lender nor the holder of any Term Note shall have any right of action whatsoever against any Agent as a result of such Agent acting or refraining from acting hereunder or under any other Loan Document in accordance with the instructions of the Required Lenders.

Section 9.06 Reliance by the Agents. The Agents shall be entitled to rely upon, and shall be fully protected in relying upon, any note, writing, resolution, notice, statement, certificate, telex, teletype or facsimile message, cablegram, radiogram, order or other document or telephone message signed, sent or made by any Person that such Agent believed to be the proper Person, and, with respect to all legal matters pertaining to this Agreement and any other Loan Document and its duties hereunder and thereunder, upon advice of counsel selected by such Agent. In determining compliance with any condition hereunder to the making of a Loan, that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. The Agents may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Section 9.08 Indemnification. Whether or not the transactions contemplated hereby are consummated, to the extent the Agents or any other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent or Collateral Agent) is not reimbursed and indemnified by the Borrower, the Lenders will reimburse and indemnify the Agents or any other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent or Collateral Agent) in proportion to their respective "percentage" as used in determining the Required Lenders for and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, judgments, costs, expenses or disbursements of whatsoever kind or nature which may be imposed on, asserted against or incurred by the Administrative Agent, the Collateral Agent or any other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent or the Collateral Agent) in performing its duties hereunder or under any other Loan Document or in any way relating to or arising out of this Agreement or any other Loan Document; *provided* that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, claims, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent's or the Collateral Agent's gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision). In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this Section 9.08 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse the Administrative Agent or the Collateral Agent, as applicable, upon demand for its ratable share of any costs or out-of-pocket expenses (including Attorney Costs) incurred by such Agent in connection with the preparation, execution, delivery,

administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that such Agent is not promptly reimbursed for such expenses by or on behalf of the Borrower, *provided* that such reimbursement by the Lenders shall not affect the Borrower's continuing reimbursement obligations with respect thereto, *provided further* that the failure of any Lender to indemnify or reimburse the Administrative Agent or the Collateral Agent shall not relieve any other Lender of its obligation in respect thereof. The undertaking in this Section 9.08 shall survive termination of the Aggregate Commitments, the payment of all other Obligations and the resignation of the Administrative Agent and the Collateral Agent.

Section 9.09 The Agents in their Individual Capacity. With respect to its obligation to make Loans under this Agreement, the Agents shall have the rights and powers specified herein for a "Lender" and may exercise the same rights and powers as though it were not performing the duties specified herein; and the term "Lender," "Required Lenders" or any similar terms shall, unless the context clearly indicates otherwise, include the Agents in their respective individual capacities. The Agents and their affiliates may accept deposits from, lend money to, and generally engage in any kind of banking, investment banking, trust or other business with, or provide debt financing, equity capital or other services (including financial advisory services) to any Loan Party or any Affiliate of any Loan Party (or any Person engaged in a similar business with any Loan Party or any Affiliate thereof) as if they were not performing the duties specified herein, and may accept fees and other consideration from any Loan Party or any Affiliate of any Loan Party for services in connection with this Agreement and otherwise without having to account for the same to the Lenders. The Lenders acknowledge that, pursuant to such activities, any Agent or its Affiliates may receive information regarding any Loan Party or any of its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that no Agent shall be under any obligation to provide such information to them.

Section 9.10 Holders. The Administrative Agent may deem and treat the payee of any Term Note as the owner thereof for all purposes hereof unless and until a written notice of the assignment, transfer or endorsement thereof, as the case may be, shall have been filed with the Administrative Agent. Any request, authority or consent of any Person who, at the time of making such request or giving such authority or consent, is the holder of any Term Note shall be conclusive and binding on any subsequent holder, transferee, assignee or endorsee, as the case may be, of such Term Note or of any Term Note or Term Notes issued in exchange therefor.

Section 9.11 Resignation by the Agents. The Administrative Agent and the Collateral Agent may resign from the performance of all its respective functions and duties hereunder or under the other Loan Documents at any time by giving 30 days prior written notice to the Lenders and the Borrower. If the Administrative Agent or the Collateral Agent is in material breach of its obligations hereunder, then such Agent may be removed as the Administrative Agent and/or Collateral Agent at the reasonable request of the Required Lenders. If any Agent is a Defaulting Lender, the Borrower may remove the Defaulting Lender from such role upon 15 days prior written notice to the Lenders.

Upon any such notice of resignation by, or notice of removal of, the Administrative Agent or the Collateral Agent, the Required Lenders shall appoint a successor Administrative Agent or Collateral Agent hereunder or thereunder who shall be a commercial bank or trust company reasonably acceptable to the Borrower, which acceptance shall not be unreasonably withheld or delayed (*provided* that the Borrower's approval shall not be required if an Event of Default under Section 8.01(1) or Section 8.01(6) has occurred and is continuing).

If a successor Administrative Agent or Collateral Agent shall not have been so appointed within such 30 day period, the Administrative Agent or Collateral Agent, as applicable, with the consent of the

Borrower (which consent shall not be unreasonably withheld or delayed, *provided* that the Borrower's consent shall not be required if an Event of Default under Section 8.01(1) or Section 8.01(6) has occurred and is continuing), shall then appoint a successor Administrative Agent or Collateral Agent, who shall serve as Administrative Agent or Collateral Agent hereunder or thereunder until such time, if any, as the Required Lenders appoint a successor Administrative Agent or Collateral Agent as provided above.

If no successor Administrative Agent or Collateral Agent has been appointed pursuant to the foregoing by the 30th day after the date such notice of resignation was given by the Administrative Agent or Collateral Agent, or such notice of removal was given by the Required Lenders or the Borrower, as applicable, such Agent's resignation shall nonetheless become effective and the Required Lenders shall thereafter perform all the duties of the Administrative Agent and/or Collateral Agent, as applicable, hereunder or under any other Loan Document until such time, if any, as the Required Lenders appoint a successor Administrative Agent or Collateral Agent as provided above. The retiring Administrative Agent or Collateral Agent, as applicable, shall be discharged from its respective duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Collateral Agent on behalf of the Lenders under any of the Loan Documents, the retiring Collateral Agent shall continue to hold such collateral security until such time as a successor Collateral Agent is appointed) and all payments, communications and determinations provided to be made by, to or through the such Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders appoint a successor Administrative Agent or Collateral Agent as provided for above in this Section 9.11.

Upon the acceptance of a successor's appointment as Administrative Agent and/or Collateral Agent hereunder and upon the execution and filing or recording of such financing statements, or amendments thereto, and such amendments or supplements to the Mortgages, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders may request, in order to (i) continue the perfection of the Liens granted or purported to be granted by the Collateral Documents or (ii) otherwise ensure that the Collateral and Guarantee Requirement is satisfied, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Agent, and the retiring Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section 9.11).

The fees payable by the Borrower to a successor Administrative Agent or Collateral Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Administrative Agent's or Collateral Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article IX and Sections 10.04 and 10.05 and all other rights, privileges, protections, immunities, and indemnities granted to the Administrative Agent and the Collateral Agent hereunder and the other Loan Documents shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Agent-Related Persons in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent or Collateral Agent was acting as Administrative Agent and/or Collateral Agent, as applicable.

Upon a resignation of the Administrative Agent or Collateral Agent pursuant to this Section 9.11, such Agent (i) shall continue to be subject to Section 10.09 and (ii) shall remain indemnified to the extent provided in this Agreement and the other Loan Documents and the provisions of this Article IX (and the analogous provisions of the other Loan Documents) shall continue in effect for the benefit of the Administrative Agent or Collateral Agent, as applicable, for all of its actions and inactions while serving as the Administrative Agent or Collateral Agent.

Each Lender hereby agrees, and each holder of any Term Note by the acceptance thereof will be deemed to agree, that, except as otherwise set forth herein, any action taken by the Required Lenders in accordance with the provisions of this Agreement or the Collateral Documents, and the exercise by the Required Lenders of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all of the Lenders. The Collateral Agent is hereby authorized on behalf of all of the Lenders, without the necessity of any notice to or further consent from any Lender, from time to time prior to an Event of Default, to take any action with respect to any Collateral or Collateral Documents which may be necessary to perfect and maintain perfected the security interest in and liens upon the Collateral granted pursuant to the Collateral Documents.

Upon request by the Administrative Agent at any time, the Lenders will confirm in writing the Collateral Agent's authority to release particular types or items of Collateral pursuant to this Section 9.12. In each case as specified in this Section 9.12, the applicable Agent will (and each Lender irrevocably authorizes the applicable Agent to), at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release or subordination of such item of Collateral from the assignment and security interest granted under the Collateral Documents, or to evidence the release of such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 9.12.

The Collateral Agent shall have no obligation whatsoever to the Lenders or to any other Person to assure that the Collateral exists or is owned by any Loan Party or is cared for, protected or insured or that the Liens granted to the Collateral Agent herein or pursuant hereto have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, or to exercise or to continue exercising at all or in any manner or under any duty of care, disclosure or fidelity any of the rights, authorities and powers granted or available to the Collateral Agent in this Section 9.12, Section 10.24 or in any of the Collateral Documents, it being understood and agreed that in respect of the Collateral, or any act, omission or event related thereto, the Collateral Agent may act in any manner it may deem appropriate, in its sole discretion, and that the Collateral Agent shall have no duty or liability whatsoever to the Lenders, except for its gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

(A) no Defaulting Lender shall have any right to approve or disapprove of any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders, the Required Lenders, the Required Facility Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders) (it being understood that any Commitments or Loans held or deemed held by any Defaulting Lender shall be excluded for a vote of the Lenders hereunder requiring any consent of the Lenders);

(B) no Lender consent is required to effect any amendment or supplement to any Applicable Intercreditor Agreement (i) that is for the purpose of adding the holders of Credit Agreement Refinancing Indebtedness or any other Permitted Indebtedness that is secured Indebtedness (or a Debt Representative with respect thereto) as parties thereto, as expressly contemplated by the terms of such Applicable Intercreditor Agreement, as applicable (it being understood that any such amendment, modification or supplement may make such other changes to the applicable Applicable Intercreditor Agreement as, in the good faith determination of the Required Administrative Lenders, are required to effectuate

the foregoing and provided that such other changes are not adverse, in any material respect, to the interests of the Lenders) or (ii) that is expressly contemplated by any Applicable Intercreditor Agreement; *provided further* that no such agreement shall amend, modify or otherwise affect the rights or duties of, or any fees or other amounts payable to, any Agent hereunder or under any other Loan Document without the prior written consent of such Agent, as applicable;

(C) this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (i) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans and the accrued interest and fees in respect thereof and (ii) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders;

(D) any waiver, amendment or modification of this Agreement that by its terms affects the rights or duties under this Agreement of Lenders holding Loans or Commitments of a particular Class (but not the Lenders holding Loans or Commitments of any other Class) may be effected by an agreement or agreements in writing entered into by the Borrower and the requisite percentage in interest of the affected Class of Lenders that would be required to consent thereto under this Section 10.01 if such Class of Lenders were the only Class of Lenders hereunder at the time;

(E) Without limiting the scope of Section 10.01(3) below, any provision of this Agreement or any other Loan Document may be amended by an agreement in writing entered into by the Borrower and the Administrative Agent to cure any ambiguity, omission, defect or inconsistency (including amendments, supplements or waivers to any of the Collateral Documents, guarantees, intercreditor agreements or related documents executed by any Loan Party or any other Subsidiary in connection with this Agreement if such amendment, supplement or waiver is delivered in order to cause such Collateral Documents, guarantees, intercreditor agreements or related documents to be consistent with this Agreement and the other Loan Documents) so long as, in each case, the Lenders shall have received at least 5 Business Days' prior written notice thereof and the Administrative Agent shall not have received, within 5 Business Days of the date of such notice to the Lenders, a written notice from the Required Lenders stating that the Required Lenders object to such amendment; *provided* that the consent of the Lenders or the Required Lenders, as the case may be, shall not be required to make any such changes necessary to be made in connection with any borrowing of Incremental Term Loans, Refinancing Loans, any Extension or any borrowing of Replacement Loans and otherwise to effect the provisions of Section 2.14, 2.15 or 2.16 or the immediately succeeding paragraph of this Section 10.01, respectively; ~~and~~

(F) the Borrower and the Collateral Agent may, without the input or consent of the other Lenders, but with the consent of the Required Administrative Lenders, (i) effect changes to any Mortgage or any other Collateral Document as may be necessary or appropriate in the opinion of the Required Administrative Lenders and (ii) effect changes to this Agreement that are necessary and appropriate to effect the offering process set forth in Section 2.05(1)(e); ~~and~~

(G) with respect to the consent of Required Lenders or Required Administrative Lenders expressly required by any Deemed Consent Provision (but not, for the avoidance of doubt, any amendment or waiver of, or consent to a departure from, any Deemed Consent Provision), the Administrative Agent or the Collateral Agent, as applicable, shall deliver any such request from the Borrower to the Lenders and, if the Lenders shall have received at least 15 Business Days' prior written notice thereof and the Administrative Agent or the Collateral Agent shall not have received, within 15 Business Days of the date of such notice to the Lenders, a written notice from the Required Lenders or Required Administrative Lenders, as applicable, stating that the Required Lenders or Required Administrative Lenders, as applicable, object to such request, then the Required Lenders or Required Administrative Lenders, as applicable, shall be deemed to have accepted (provided, however, for the avoidance of doubt, this clause (G) shall not alter or be deemed to alter the rights, privileges, protections, immunities and indemnities granted to any Agent under this Agreement, including, without limitation, Article IX above, and the other Loan Documents).

(2) In addition, notwithstanding anything to the contrary in this Section 10.01, this Agreement may be amended with the written consent of the Administrative Agent, the Borrower and the Lenders providing the Replacement Loans (as defined below) to permit the refinancing of all outstanding Term Loans of any Class ("**Replaced Loans**") with replacement term loans ("**Replacement Loans**") hereunder; *provided that*

(a) the aggregate principal amount of such Replacement Loans shall not exceed the aggregate principal amount of such Replaced Loans, *plus* accrued interest, fees, premiums (if any) and penalties thereon and fees and expenses incurred in connection with such refinancing of Replaced Loans with such Replacement Loans,

(b) the All-In Yield with respect to such Replacement Loans (or similar interest rate spread applicable to such Replacement Loans) shall not be higher than the All-In Yield for such Replaced Loans (or similar interest rate spread applicable to such Replaced Loans) immediately prior to such refinancing,

(c) the Weighted Average Life to Maturity of such Replacement Loans shall not be shorter than the Weighted Average Life to Maturity of such Replaced Loans at the time of such refinancing; and

(d) all other terms (other than with respect to pricing, premiums and optional prepayment or redemption terms) applicable to such Replacement Loans shall be substantially identical to, or no more favorable taken as a whole (in each case as determined by the Borrower in its reasonable judgment) to the Lenders providing such Replacement Loans than, those applicable to such Replaced Loans, except to the extent necessary to provide for covenants and other terms applicable to any period after the Latest Maturity Date of the Loans in effect immediately prior to such refinancing (*provided that* an Officer's Certificate delivered to the Administrative Agent at least 5 Business Days prior to the incurrence of such Replacement Loans, together with a reasonably detailed description of the material terms and conditions of such Replacement Loans or drafts of the documentation relating thereto, stating that the Borrower has determined in good faith that such terms and conditions satisfy the requirement of this Section 10.01(2) shall be conclusive evidence that such terms and conditions satisfy such requirement unless the Required Administrative Lenders notify the Borrower and the Administrative Agent within such five 5 Business Day period that it disagrees with such determination (including a description of the basis upon which the Required Administrative Lenders disagree));

provided further that each amendment to this Agreement providing for Replacement Loans may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower to effect the provisions of this paragraph, and for the avoidance of doubt, this paragraph shall supersede any other provisions in this Section 10.01 to the contrary.

(3) In addition, notwithstanding anything to the contrary in this Section 10.01,

(a) the Guaranty, the Collateral Documents and related documents executed by Holdings, the Borrower or any Restricted Subsidiaries in connection with this Agreement and the other Loan Documents may be in a form reasonably determined by the Required Administrative Lenders and may be, together with this Agreement, amended and waived with the consent of the Required Administrative Lenders and the Administrative Agent at the request of the Borrower without the need to obtain the consent of any other Lender if such amendment or waiver is delivered in order (i) to comply with local Law or advice of local counsel, (ii) to cure ambiguities or defects or (iii) to cause the Guaranty, Collateral Documents or other document to be consistent with this Agreement and the other Loan Documents (including by adding additional parties as contemplated herein or therein) and

(b) if the Administrative Agent and the Borrower shall have jointly identified an obvious error (including, but not limited to, an incorrect cross-reference) or any error or omission of a technical or immaterial nature, in each case, in any provision of this Agreement or any other Loan Document (including, for the avoidance of doubt, any exhibit, schedule or other attachment to any Loan Document), then the Administrative Agent (acting in its sole discretion) and the Borrower or any other relevant Loan Party shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Loan Document. Notification of such amendment shall be made by the Administrative Agent to the Lenders promptly upon such amendment becoming effective.

Section 10.02 Notices and Other Communications; Facsimile Copies.

(1) General. Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in subsection (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by facsimile as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(a) if to Holdings, the Borrower or the Administrative Agent, to the address, facsimile number, electronic mail address or telephone number specified for such Person on Schedule 10.02; and

(b) if to any other Lender, to the address, facsimile number, electronic mail address or telephone number specified in its Administrative Questionnaire.

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next succeeding Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in subsection (2) below shall be effective as provided in such subsection (2).

(2) Electronic Communication. Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, *provided* that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, *provided* that approval of such procedures may be limited to particular notices or communications.

(3) Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), *provided* that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next succeeding Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(4) The Platform. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD-PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall any Agent or any of its Agent-Related Persons (collectively, the "**Agent Parties**") have any liability to any Loan Party, any Lender, or any other Person for losses, claims, damages, liabilities or expenses of any kind, including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of the Borrower's or such Agent's transmission of Borrower Materials through the Internet or the Platform. Although the Platform and its primary web portal are secured with generally-applicable security procedures and policies implemented or modified by the Administrative Agent from time to time (including, as of the Closing Date, a user ID/password authorization system) and the Platform is secured through a per-deal authorization method whereby each user may access the Platform only on a deal-by-deal basis, each of the Lenders and the Borrower acknowledges and agrees that the distribution of material through an electronic medium is not necessarily secure, that the Agents are not responsible for approving or vetting the representatives or contacts of any Lender that are added to the Platform, and that there are confidentiality and other risks associated with such distribution. Each of the Lenders and the Borrower hereby approves distribution of the Borrower Materials through the Platform and understands and assumes the risks of such distribution.

(5) Change of Address. Each Loan Party and any Agent may change its address, facsimile or telephone number for notices and other communications hereunder by written notice to the other parties hereto. Each other Lender may change its address, facsimile or telephone number for notices and other communications hereunder by written notice to the Borrower and the Administrative Agent. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, facsimile number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire

instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private-Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable Law, including United States Federal and state securities Laws, to make reference to Borrower Materials that are not made available through the "Public Side Information" portion of the Platform and that may contain material non-public information with respect to the Borrower or its securities for purposes of United States Federal or state securities laws. In the event that any Public Lender has elected for itself to not access any information disclosed through the Platform or otherwise, such Public Lender acknowledges that (i) the Agents and other Lenders may have access to such information and (ii) neither the Borrower nor any Agent or other Lender with access to such information shall have (x) any responsibility for such Public Lender's decision to limit the scope of information it has obtained in connection with this Agreement and the other Loan Documents or (y) any duty to disclose such information to such electing Lender or to use such information on behalf of such electing Lender, and shall not be liable for the failure to so disclose or use such information.

(6) Reliance by the Agents. The Agents and the Lenders shall be entitled to rely and act upon any notices purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify each Agent, each Lender and the Agent-Related Persons of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower. All telephonic notices to and other telephonic communications with any Agent may be recorded by such Agent, and each of the parties hereto hereby consents to such recording. The Borrower's obligations under this Section 10.02(6) shall survive the resignation, replacement, or removal of any Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments, the repayment, satisfaction or discharge of all Obligations under any Loan Document, and the termination of this Agreement or any other Loan Document.

Section 10.03 No Waiver; Cumulative Remedies. No failure by any Lender or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Agents in accordance with Section 8.02 for the benefit of all the Lenders; *provided, however*, that the foregoing shall not prohibit (a) each Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as such) hereunder and under the other Loan Documents, (b) any Lender from exercising setoff rights in accordance with Section 10.10 (subject to the terms of Section 2.13), or (c) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Debtor Relief Law; and *provided further* that if at any time there is no Person acting as Administrative Agent or Collateral Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent or Collateral Agent, as applicable, pursuant to Section 8.02 and (ii) in addition to the matters set forth in clauses (b) and (c) of the preceding proviso and subject to Section 2.13, any Lender may, with the consent

of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

Section 10.04 Costs and Expenses. The Borrower agrees (a) if the Closing Date occurs, to pay or reimburse each Agent for all reasonable and documented out-of-pocket costs and expenses of such Agent (promptly following a written demand therefor, together with backup documentation supporting such reimbursement request) incurred in connection with the preparation, negotiation, syndication, execution, delivery and administration of this Agreement and the other Loan Documents and any amendment, waiver, consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated thereby are consummated), and the consummation and administration of the transactions contemplated hereby and thereby, including all Attorney Costs of Ballard Spahr LLP, as counsel to the Agents and, if necessary, a single local counsel in each relevant material jurisdiction, and (b) upon presentation of a summary statement, together with any supporting documentation reasonably requested by the Borrower, to pay or reimburse the Agents (taken as a whole) and the ~~other~~ Lenders (taken as a whole), promptly following a written demand therefor for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law, and including (i) all Attorney Costs of one counsel to the Agents (and, if necessary, one local counsel in any relevant material jurisdiction) and (ii) all Attorney Costs of one counsel to the Lenders taken as a whole (and, if necessary, one local counsel in any relevant material jurisdiction and solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction to each group of affected Lenders similarly situated taken as a whole)). The agreements in this Section 10.04 shall survive the resignation, replacement, or removal of any Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments, the repayment, satisfaction or discharge of all Obligations under any Loan Document, and the termination of this Agreement or any other Loan Document. All amounts due under this Section 10.04 shall be paid promptly following receipt by the Borrower of an invoice relating thereto setting forth such expenses in reasonable detail.

Section 10.05 Indemnification by the Borrower. The Borrower shall indemnify and hold harmless the Agents, each other Lender and their respective Related Persons (collectively, the “**Indemnitees**”) from and against any and all losses, claims, actions, judgments, damages, liabilities or expenses (including Attorney Costs and Environmental Liabilities) to which any such Indemnitee may become subject arising out of, resulting from or in connection with (but limited, in the case of legal fees and expenses, to the reasonable and documented out-of-pocket fees, disbursements and other charges of (a) one counsel to the Agents and their Indemnitees taken as a whole and, if reasonably necessary, a single local counsel for the Agents and their Indemnitees taken as a whole in each relevant jurisdiction) and (b) one counsel to all other Indemnitees taken as a whole and, if reasonably necessary, a single local counsel for all other Indemnitees taken as a whole in each relevant jurisdiction, and solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction to each group of affected Indemnitees similarly situated taken as a whole) (i) any ~~+~~ actual or threatened claim, litigation, investigation, proceeding or Environmental Liabilities relating to the Transactions or (ii) ~~to~~ the execution, delivery, funding, enforcement, performance and administration of this Agreement, the other Loan Documents, the Loans or the use, or proposed use of the proceeds therefrom, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, litigation, investigation or proceeding), and regardless of whether any Indemnitee is a party thereto (all the foregoing, collectively, the “**Indemnified Liabilities**”); *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or expenses resulted from (x) the gross negligence, bad faith or willful misconduct of such Indemnitee or any of its Related Indemnified Persons as determined by a final, non-appealable judgment of a court of competent jurisdiction, (y) other than with respect to the Agents and their Indemnitees, the bad faith of or a material breach of any obligations under any Loan Document by such Indemnitee or any of its Related Indemnified Persons as

determined by a final, non-appealable judgment of a court of competent jurisdiction or (z) any dispute solely among Indemnites (other than any claims against an Indemnitee in its capacity or in fulfilling its role as an administrative agent, collateral agent, or arranger or any similar role under any Loan Document and other than any claims arising out of any act or omission of the Loan Parties or any of their Affiliates) (as determined by a final, non-appealable judgment of a court of competent jurisdiction). To the extent that the undertakings to indemnify and hold harmless set forth in this Section 10.05 may be unenforceable in whole or in part because they are violative of any applicable law or public policy, the Borrower shall contribute the maximum portion that they are permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by the Indemnites or any of them. No Indemnitee shall be liable for any damages arising from the use by others of any information or other materials obtained through IntraLinks or other similar information transmission systems in connection with this Agreement (except to the extent such damages are found in a final non-appealable judgment of a court of competent jurisdiction to have resulted from the willful misconduct, bad faith or gross negligence of such Indemnitee), nor shall any Indemnitee or any Loan Party have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date) (other than, in the case of any Loan Party, in respect of any such damages incurred or paid by an Indemnitee to a third party for which such Indemnitee is otherwise entitled to indemnification pursuant to this Section 10.05). In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 10.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, its directors, stockholders or creditors or an Indemnitee or any other Person, whether or not any Indemnitee is otherwise a party thereto and whether or not any of the transactions contemplated hereunder or under any of the other Loan Documents is consummated. All amounts due under this Section 10.05 shall be paid within 20 Business Days after written demand therefor. The agreements in this Section 10.05 shall survive the resignation, replacement, or removal of any Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments, the repayment, satisfaction or discharge of all Obligations under any Loan Document, and the termination of this Agreement or any other Loan Document. This Section 10.05 shall not apply to Taxes, except any Taxes that represent losses or damages arising from any non-Tax claim. Notwithstanding the foregoing, each Indemnitee shall be obligated to refund and return promptly any and all amounts paid by the Borrower under this Section 10.05 to such Indemnitee for any such fees, expenses or damages to the extent such Indemnitee is not entitled to payment of such amounts in accordance with the terms hereof.

Section 10.06 Marshaling; Payments Set Aside. None of the Agents or any Lender shall be under any obligation to marshal any assets in favor of the Loan Parties or any other party or against or in payment of any or all of the Obligations. To the extent that any payment by or on behalf of the Borrower is made to any Agent or any Lender, or any Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to any Agent upon demand its applicable share of any amount so recovered from or repaid by such Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the applicable Overnight Rate from time to time in effect.

Section 10.07 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither

Holdings nor the Borrower may, except as permitted by Section 7.03, assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder (including to existing Lenders and their Affiliates) except (i) to an Eligible Assignee and (A) in the case of any Eligible Assignee that, immediately prior to or upon giving effect to such assignment, is an Affiliated Lender, in accordance with the provisions of Section 10.07(h) and (B) in the case of any Eligible Assignee that is Holdings, the Borrower or any Subsidiary thereof, in accordance with the provisions of Section 10.07(l), (ii) by way of participation in accordance with the provisions of Section 10.07(d), or (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.07(f), or (iv) to an SPC in accordance with the provisions of Section 10.07(g) (and any other attempted assignment or transfer by any party hereto (other than the replacement of the Administrative Agent pursuant to Article IX above) shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 10.07(d) and, to the extent expressly contemplated hereby, Related Persons of each of the Agents and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it); *provided* that any such assignment shall be subject to the following conditions:

(i) Minimum Amounts.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and the Loans at the time owing to it or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in subsection (b)(i)(A) of this Section 10.07, the aggregate amount of the Commitment or, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date, shall not be less than \$1.0 million, unless either (x) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund or (y) each of the Administrative Agent and the Borrower otherwise consents; *provided, however*, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met.

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned.

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by Section 10.07(b)(i)(B) and, in addition:

(A) the consent of the Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (1) an Event of Default under Section 8.01(1) or, solely

with respect to the Borrower, Section 8.01(6) has occurred and is continuing at the time of such assignment determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if a "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date, or (2) in respect of an assignment of all or a portion of the Loans, such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund; *provided* that the Borrower shall be deemed to have consented to any assignment of all or a portion of the Term Loans unless it shall have objected thereto by written notice to the Administrative Agent within 10 Business Days after having received notice of a failure to respond to such request for assignment; *provided further* that no consent of the Borrower shall be required for an assignment of all or a portion of the Loans pursuant to Section 10.07(h) or (l); and

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required if such assignment is to a Person that is not a Lender, an Affiliate of a Lender or an Approved Fund with respect to a Lender; *provided* that no consent of the Administrative Agent shall be required for an assignment (i) of all or a portion of the Loans pursuant to Section 10.07(g), (h), or (h); and

~~(C) — [Reserved]; and~~

~~(D) — [Reserved].~~

(iv) Assignment and Assumption. The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption via an electronic settlement system acceptable to the Administrative Agent (or, if previously agreed with the Administrative Agent, manually), and shall pay to the Administrative Agent a processing and recordation fee of \$3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent). Other than in the case of assignments pursuant to Section 10.07(l), the Eligible Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire. Each assignee Lender shall be required to represent in the Assignment and Assumption that it is not a Disqualified Institution or an Affiliate of a Disqualified Institution.

(v) No Assignments to Certain Persons. No such assignment shall be made (A) to Holdings, the Borrower or any of its Subsidiaries except as permitted under Section 2.05(1)(e) or Section 10.07(l), (B) subject to Sections 10.07(h) and (l) below, to any Affiliate of the Borrower, (C) to a natural person or (D) to any Disqualified Institution.

This Section 10.07(b) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities on a non-pro rata basis among such Facilities.

In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or sub participations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable Pro Rata Share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full Pro Rata Share of all Loans in accordance with its Pro Rata Share. Notwithstanding the foregoing, in the event that any assignment of rights and obligations

of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to clause (c) of this Section 10.07 (and, in the case of an Affiliated Lender or a Person that, after giving effect to such assignment, would become an Affiliated Lender, to the requirements of clause (h) of this Section 10.07), from and after the effective date specified in each Assignment and Assumption, other than in connection with an assignment pursuant to Section 10.07(l), (x) the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and (y) the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, 10.04 and 10.05 with respect to facts and circumstances occurring prior to the effective date of such assignment), but shall in any event continue to be subject to Section 10.09. Upon request, and the surrender by the assigning Lender of its Term Note, the Borrower (at its expense) shall execute and deliver a Term Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.07(d).

(c) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it, each Affiliated Lender Assignment and Assumption delivered to it, each notice of cancellation of any Loans delivered by the Borrower pursuant to subsections (h) or (l) below, and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans and amounts due under Section 2.03, owing to each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, any Agent and, with respect to its own Loans, any Lender, at any reasonable time and from time to time upon reasonable prior notice. This Section 10.07(3) and Section 2.11 shall be construed so that all Loans are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code and any related Treasury regulations (or any other relevant or successor provisions of the Code or of such Treasury regulations). Notwithstanding the foregoing, in no event shall the Administrative Agent be obligated to ascertain, monitor or inquire as to whether any Lender is an Affiliated Lender, nor shall the Administrative Agent be obligated to monitor the aggregate amount of the Term Loans or Incremental Term Loans held by Affiliated Lenders.

(d) Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any Person (other than a natural person, the Borrower or any Affiliate or Subsidiary of the Borrower or a Disqualified Institution) (each, a "**Participant**") in all or a portion of such Lender's rights or obligations under this Agreement (including all or a portion of its Commitment or the Loans owing to it); *provided that* (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such

a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or any other Loan Document; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 10.01 (other than clauses (d) and (i) thereof) that directly affects such Participant. Subject to subsection (e) of this Section 10.07, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.01 (subject to the requirements of Section 3.01 (including subsections (2), (3) and (4), as applicable as though it were a Lender)), 3.04 and 3.05 (through the applicable Lender) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to subsection (b) of this Section 10.07. To the extent permitted by applicable Law, each Participant also shall be entitled to the benefits of Section 10.10 as though it were a Lender; *provided* that such Participant agrees to be subject to Section 2.13 as though it were a Lender.

(e) Limitations upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent. Each Lender that sells a participation shall (acting solely for this purpose as a non-fiduciary agent of the Borrower) maintain a register complying with the requirements of Sections 163(f), 871(h) and 881(c)(2) of the Code and the Treasury regulations issued thereunder on which is entered the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement (the "**Participant Register**"). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender and the Borrower shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary; *provided* that no Lender shall have the obligation to disclose all or a portion of the Participant Register (including the identity of the Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or other obligations under any Loan Document) to any Person except to the extent such disclosure is necessary to establish that any such commitments, loans, letters of credit or other obligations are in registered form for U.S. federal income tax purposes. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(f) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Term Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any other central bank; *provided* that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Notwithstanding anything to the contrary contained herein, any Lender (a "**Granting Lender**") may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower (an "**SPC**") the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; *provided* that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof and (iii) such SPC and the applicable Loan or any applicable part thereof shall be appropriately reflected in the Participant Register. Each party hereto hereby agrees that (i) neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrower under this Agreement (including its obligations under Section 3.01, 3.04 or 3.05), (ii) no SPC shall be liable for any indemnity or similar payment obligation under

this Agreement for which a Lender would be liable, and (iii) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the Lender hereunder. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Borrower and the Administrative Agent and with the payment of a processing fee of \$3,500 (which processing fee may be waived by the Administrative Agent in its sole discretion), assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

(h) Any Lender may at any time, assign all or a portion of its rights and obligations with respect to Loans and Commitments under this Agreement to a Person who is or will become, after such assignment, an Affiliated Lender through (x) Dutch auctions or other offers to purchase or take by assignment open to all Lenders on a pro rata basis in accordance with procedures of the type described in Section 2.05(1)(e) or (y) open market purchase on a non-pro rata basis, in each case subject to the following limitations:

(i) Affiliated Lenders will not make any challenge to any Agent's or any Lender's attorney-client privilege on the basis of its status as a Lender;

(ii) each Affiliated Lender that purchases any Loans or Commitments will clearly identify itself as an Affiliated Lender in any Affiliated Lender Assignment and Assumption executed in connection with such purchases or sales and each such Affiliated Lender Assignment and Assumption shall contain customary "big boy" representations but no requirement to make representations as to the absence of any material nonpublic information;

(iii) as a condition to each assignment pursuant to this subsection (h), the Administrative Agent and the Borrower shall have been provided a notice in connection with each assignment to an Affiliated Lender or a Person that upon effectiveness of such assignment would constitute an Affiliated Lender pursuant to which such Affiliated Lender (in its capacity as such) shall waive any right to bring any action in connection with such Loans and Commitments against any Agent, in its capacity as such;

(iv) the aggregate principal amount of Term Loans of any Class under this Agreement held by Affiliated Lenders at the time of any such purchase or assignment shall not exceed 25.0% of the aggregate principal amount of Term Loans of such Class outstanding at such time under this Agreement (such percentage, the "**Affiliated Lender Cap**"); *provided* that to the extent any assignment to an Affiliated Lender would result in the aggregate principal amount of all Term Loans of any Class held by Affiliated Lenders exceeding the Affiliated Lender Cap (in each case, determined at the time of purchase), the assignment of such excess amount will be void *ab initio*; and

(v) the assigning Lender and the Affiliated Lender purchasing such Lender's Term Loans shall execute and deliver to the Administrative Agent an assignment agreement substantially in the form of Exhibit D-2 hereto (an "**Affiliated Lender Assignment and Assumption**").

Notwithstanding anything to the contrary contained herein, any Affiliated Lender that has purchased Term Loans pursuant to this subsection (h) may, in its sole discretion, contribute, directly or indirectly, the principal amount of such Term Loans or any portion thereof, *plus* all accrued and unpaid

interest thereon, to the Borrower for the purpose of cancelling and extinguishing such Term Loans. Upon the date of such contribution, assignment or transfer, (x) the aggregate outstanding principal amount of Term Loans shall reflect such cancellation and extinguishing of the Term Loans then held by the Borrower and (y) the Borrower shall promptly provide notice to the Administrative Agent of such contribution of such Term Loans, and the Administrative Agent, upon receipt of such notice, shall reflect the cancellation of the applicable Term Loans in the Register.

Each Affiliated Lender agrees to notify the Administrative Agent and the Borrower promptly (and in any event within 10 Business Days) if it acquires any Person who is also a Lender, and each Lender agrees to notify the Administrative Agent and the Borrower promptly (and in any event within 10 Business Days) if it becomes an Affiliated Lender. The Administrative Agent may conclusively rely upon any notice delivered pursuant to the immediately preceding sentence or pursuant to clause (v) of this subsection (h) and shall not have any liability for any losses suffered by any Person as a result of any purported assignment to or from an Affiliated Lender.

Notwithstanding anything to the contrary contained herein, (x) any Affiliated Lender shall be entitled to (a) receive information made available to any Lender holding the same Class of Term Loans as such Affiliated Lender and (b) attend all lender meetings and participate in any conference calls with the Borrower that are open to any Lender holding the same Class of Term Loans as such Affiliated Lender and (y) with respect to any amendment, modification, waiver, consent or other action that requires the consent of Required Lenders or the consent of Required Facility Lenders, all fees and other benefits made available to any consenting Lenders holding the same Class of Term Loans any Affiliated Lender shall be made available to such Affiliated Lender on a no less than pro rata basis.

(i) Notwithstanding anything in Section 10.01 or the definition of “Required Lenders,” or “Required Facility Lenders” to the contrary, for purposes of determining whether the Required Lenders and Required Facility Lenders (in respect of a Class of Term Loans) have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, or subject to Section 10.07(j), any plan of reorganization pursuant to the Bankruptcy Code, (ii) otherwise acted on any matter related to any Loan Document, or (iii) directed or required any Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, no Affiliated Lender shall have any right to consent (or not consent), otherwise act or direct or require any Agent or any Lender to take (or refrain from taking) any such action and:

(i) all Term Loans held by any Affiliated Lenders shall be deemed to be not outstanding for all purposes of calculating whether the Required Lenders and Required Facility Lenders (in respect of a Class of Term Loans) have taken any actions; and

(ii) all Term Loans held by Affiliated Lenders shall be deemed to have been voted in the same proportion as non-Affiliated Lenders voting on such matter unless the action in question affects such Affiliated Lender in a disproportionately adverse manner than its effect on other Lenders.

(j) Notwithstanding anything in this Agreement or the other Loan Documents to the contrary, each Affiliated Lender hereby agrees that, and each Affiliated Lender Assignment and Assumption shall provide a confirmation that, if a proceeding under any Debtor Relief Law shall be commenced by or against the Borrower or any other Loan Party at a time when such Lender is an Affiliated Lender, such Affiliated Lender irrevocably authorizes and empowers the Administrative Agent (at the direction of the Required Lenders) to vote on behalf of such Affiliated Lender with respect to the Term Loans held by such Affiliated Lender in the same proportion as non-Affiliated Lenders

voting on such matter, unless the Administrative Agent (at the direction of the Required Lenders) instructs such Affiliated Lender to vote, in which case such Affiliated Lender shall vote with respect to the Term Loans held by it as the Administrative Agent (at the direction of the Required Lenders) directs; *provided* that such Affiliated Lender shall be entitled to vote in accordance with its sole discretion (and not in accordance with the direction of the Administrative Agent) in connection with any plan of reorganization to the extent any such plan of reorganization proposes to treat any Obligations held by such Affiliated Lender in a disproportionately adverse manner than the proposed treatment of similar Obligations held by Term Lenders that are not Affiliated Lenders.

(k) [Reserved].

(l) Any Lender may, so long as no Event of Default has occurred and is continuing, at any time, assign all or a portion of its rights and obligations with respect to Term Loans under this Agreement to Holdings, the Borrower or any Subsidiary of the Borrower through (x) Dutch auctions or other offers to purchase open to all Lenders on a pro rata basis in accordance with procedures of the type described in Section 2.05(1)(e) or (y) open market purchases on a non-pro rata basis; *provided* that:

(i) (x) if the assignee is Holdings or a Subsidiary of the Borrower, upon such assignment, transfer or contribution, the applicable assignee shall automatically be deemed to have contributed or transferred the principal amount of such Term Loans, *plus* all accrued and unpaid interest thereon, to the Borrower; or (y) if the assignee is the Borrower (including through contribution or transfers set forth in clause (x)), (a) the principal amount of such Term Loans, along with all accrued and unpaid interest thereon, so contributed, assigned or transferred to the Borrower shall be deemed automatically cancelled and extinguished on the date of such contribution, assignment or transfer, (b) the aggregate outstanding principal amount of Term Loans of the remaining Lenders shall reflect such cancellation and extinguishing of the Term Loans then held by the Borrower and (c) the Borrower shall promptly provide notice to the Administrative Agent of such contribution, assignment or transfer of such Term Loans, and the Administrative Agent, upon receipt of such notice, shall reflect the cancellation of the applicable Term Loans in the Register;

(ii) [Reserved]; and

(iii) purchases of Term Loans pursuant to this subsection (l) may not be funded with the proceeds of ABL Loans.

(m) Notwithstanding anything to the contrary contained herein, without the consent of the Borrower or the Administrative Agent, (1) any Lender may in accordance with applicable Law create a security interest in all or any portion of the Loans owing to it and the Term Note, if any, held by it and (2) any Lender that is a Fund may create a security interest in all or any portion of the Loans owing to it and the Term Note, if any, held by it to the trustee for holders of obligations owed, or securities issued, by such Fund as security for such obligations or securities; *provided* that unless and until such trustee actually becomes a Lender in compliance with the other provisions of this Section 10.07, (i) no such pledge shall release the pledging Lender from any of its obligations under the Loan Documents and (ii) such trustee shall not be entitled to exercise any of the rights of a Lender under the Loan Documents even though such trustee may have acquired ownership rights with respect to the pledged interest through foreclosure or otherwise.

(n) Notwithstanding the foregoing, no Disqualified Institution that purports to become a Lender hereunder (notwithstanding the provisions of this Agreement that prohibit Disqualified Institutions from becoming Lenders) shall be entitled to any of the rights or privileges enjoyed by the

other Lenders with respect to voting, information and lender meetings. In addition, if any assignment or participation is made to any Disqualified Institution without the Borrower's express prior written consent (which consent shall state expressly that the Borrower acknowledges that the assignee Lender is a Disqualified Institution) in violation of clause (v) of Section 10.07(b), the Borrower may, in addition to any other rights and remedies that it may have against such Disqualified Institution, at its sole expense and effort, upon notice to the applicable Disqualified Institution and the Administrative Agent, (A) in the case of outstanding Term Loans held by Disqualified Institutions, purchase or prepay such Term Loan by paying the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Institution paid to acquire such Term Loans, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder and/or (B) require such Disqualified Institution to assign, without recourse (in accordance with and subject to the restrictions contained in Section 10.07), all of its interest, rights and obligations under this Agreement to one or more Eligible Assignees at the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Institution paid to acquire such interests, rights and obligations, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder.

(o) No Agent shall be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Institutions or otherwise take (or omit to take) any action with respect thereto. Without limiting the generality of the foregoing, no Agent shall (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Institution or (y) have any liability with respect to or arising out of any assignment or participation of Loans or Commitments, or disclosure of confidential information, to any Disqualified Institution.

Section 10.08 [Reserved].

Section 10.09 Confidentiality. Each of the Agents and the Lenders agrees to maintain the confidentiality of the Information in accordance with its customary procedures (as set forth below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, equity owners, investors, funding sources, legal counsel, independent auditors, agents, trustees, advisors and representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential, with such Affiliate being responsible for such Person's compliance with this Section 10.09; *provided, however*, that such Agent or Lender, as applicable, shall be principally liable to the extent this Section 10.09 is violated by one or more of its Affiliates or any of its or their respective employees, directors or officers), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners); *provided, however*, that each Agent and each Lender agrees to seek confidential treatment with respect to any such disclosure, (c) to the extent required by applicable laws or regulations or by any subpoena or otherwise as required by applicable Law or regulation or as requested by a Governmental Authority; *provided* that such Agent or such Lender, as applicable, agrees (x) that it will notify the Borrower as soon as practicable in the event of any such disclosure by such Person (except in connection with any request as part of any audit or regulatory examination) unless such notification is prohibited by law, rule or regulation and (y) to seek confidential treatment with respect to any such disclosure, (d) to any other party hereto, (e) subject to an agreement containing provisions at least as restrictive as those of this Section 10.09, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or any Eligible Assignee (or its agent) invited to be an Additional Lender or (ii) with the prior consent of the Borrower, any actual or prospective direct or indirect counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower or any of their Subsidiaries or any of their respective obligations; *provided* that such disclosure shall be made subject to the acknowledgment and acceptance by such prospective Lender, Participant or Eligible Assignee that such

Information is being disseminated on a confidential basis (on substantially the terms set forth in this paragraph or as is otherwise reasonably acceptable to the Borrower and the Agents, including as set forth in any confidential information memorandum or other marketing materials) in accordance with the standard syndication process of the Agents or market standards for dissemination of such type of information which shall in any event require “click through” or other affirmative action on the part of the recipient to access such confidential information, (f) for purposes of establishing a “due diligence” defense, (g) with the consent of the Borrower, (h) to the extent such Information (x) becomes publicly available other than as a result of a breach by any Person of this Section 10.09 or any other confidentiality provision in favor of any Loan Party, (y) becomes available to any Agent, any Lender or any of their respective Affiliates on a nonconfidential basis from a source other than Holdings, the Borrower or any Subsidiary thereof, and which source is not known by such Agent, such Lender or the applicable Affiliate to be subject to a confidentiality restriction in respect thereof in favor of Holdings, the Borrower or any Affiliate of the Borrower or (z) is independently developed by the Agents, the Lenders or their respective Affiliates, in each case, so long as not based on information obtained in a manner that would otherwise violate this Section 10.09 or (i) in order to enforce its respective rights under any Loan Document in any action or proceeding.

For purposes of this Section 10.09, “**Information**” means all information received from any Loan Party or any Subsidiary thereof relating to any Loan Party or any Subsidiary or Affiliate thereof or their respective businesses, other than any such information that is available to any Agent or any Lender on a nonconfidential basis prior to disclosure by any Loan Party or any Subsidiary thereof; it being understood that all information received from Holdings, the Borrower or any Subsidiary or Affiliate thereof after the date hereof shall be deemed confidential unless such information is clearly identified at the time of delivery as not being confidential. Any Person required to maintain the confidentiality of Information as provided in this Section 10.09 shall be considered to have complied with its obligation to do so in accordance with its customary procedures if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each Agent and each Lender acknowledges that (a) the Information may include trade secrets, protected confidential information, or material non-public information concerning the Borrower or a Subsidiary, as the case may be, (b) it has developed compliance procedures regarding the use of such information and (c) it will handle such information in accordance with applicable Law, including United States Federal and state securities Laws and to preserve its trade secret or confidential character.

The respective obligations of the Agents and the Lenders under this Section 10.09 shall survive, to the extent applicable to such Person, (x) the payment in full of the Obligations and the termination of this Agreement, (y) any assignment of its rights and obligations under this Agreement and (z) the resignation or removal of any Agent.

Section 10.10 Setoff. If an Event of Default shall have occurred and be continuing, each Lender is hereby authorized at any time and from time to time, after obtaining the prior written consent of the Administrative Agent, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender to or for the credit or the account of any Loan Party against any and all of the obligations of such Loan Party then due and payable under this Agreement or any other Loan Document to such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement or any other Loan Document; *provided* that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.17 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in

reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender under this Section 10.10 are in addition to other rights and remedies (including other rights of setoff) that such Lender may have. Each Lender agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application, *provided* that the failure to give such notice shall not affect the validity of such setoff and application.

Section 10.11 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the “**Maximum Rate**”). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Section 10.12 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging (including in .pdf format) means shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 10.13 Electronic Execution of Assignments and Certain Other Documents. The words “execution,” “signed,” “signature,” and words of like import in any Assignment and Assumption or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 10.14 Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by each Agent and each Lender, regardless of any investigation made by any Agent or any Lender or on their behalf and notwithstanding that any Agent or any Lender may have had notice or knowledge of any Default at the time of any Term Borrowing, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied.

Section 10.15 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 10.16 GOVERNING LAW.

(a) THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES THEREOF THAT WOULD RESULT IN THE APPLICATION OF ANY LAW OTHER THAN THE LAW OF THE STATE OF NEW YORK.

(b) THE BORROWER, HOLDINGS, THE ADMINISTRATIVE AGENT, THE COLLATERAL AGENT AND EACH LENDER EACH IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY IN THE BOROUGH OF MANHATTAN AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. EACH PARTY HERETO AGREES THAT THE AGENTS AND LENDERS RETAIN THE RIGHT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO BRING PROCEEDINGS AGAINST ANY LOAN PARTY IN THE COURTS OF ANY OTHER JURISDICTION IN CONNECTION WITH THE EXERCISE OF ANY RIGHTS UNDER ANY COLLATERAL DOCUMENT OR THE ENFORCEMENT OF ANY JUDGMENT.

(c) THE BORROWER, HOLDINGS, THE ADMINISTRATIVE AGENT, THE COLLATERAL AGENT AND EACH LENDER EACH IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (b) OF THIS SECTION 10.16. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

Section 10.17 WAIVER OF RIGHT TO TRIAL BY JURY. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO

ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.17.

Section 10.18 Binding Effect. This Agreement shall be binding upon and inure to the benefit of the Borrower, Holdings, each Agent and each Lender and their respective successors and assigns.

Section 10.19 Lender Action. The Borrower shall, promptly following a request by any Agent or any Lender, provide all documentation and other information that such Agent or Lender reasonably requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the USA PATRIOT Act and the Beneficial Ownership Regulation.

Section 10.22 Service of Process. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 10.02. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each of the Borrower and Holdings acknowledges and agrees that (i) (A) the arranging and other services regarding this Agreement provided by the Agents and the Lenders are arm's-length commercial transactions between the Borrower, Holdings and their respective Affiliates, on the one hand, and the Agents and the Lenders, on the other hand, (B) each of the Borrower and Holdings has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) each of the Borrower and Holdings is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) each Agent and Lender is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower, Holdings or any of their respective Affiliates, or any other Person and (B) none of the Agents nor any Lender has any obligation to the Borrower, Holdings or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Agents, the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower, Holdings and their respective Affiliates, and none of the Agents nor any Lender has

any obligation to disclose any of such interests to the Borrower, Holdings or any of their respective Affiliates. To the fullest extent permitted by law, each of the Borrower and Holdings hereby waives and releases any claims that it may have against the Agents or any Lender with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

(a) The Lenders hereby irrevocably agree that the Liens granted to the Collateral Agent by the Loan Parties on any Collateral shall be automatically released (i) in full, as set forth in clause (b) below, (ii) upon the sale or other transfer of such Collateral (including as part of or in connection with any other sale or other transfer permitted hereunder) to any Person other than another Loan Party, to the extent such sale, transfer or other disposition is made in compliance with the terms of this Agreement (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry), (iii) to the extent such Collateral is comprised of property leased to a Loan Party by a Person that is not a Loan Party, upon termination or expiration of such lease, (iv) if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders (or such other percentage of the Lenders whose consent may be required in accordance with Section 10.01), (v) to the extent the property constituting such Collateral is owned by any Guarantor, upon the release of such Guarantor from its obligations under the Guaranty (in accordance with the second succeeding sentence), (vi) as required by the Collateral Agent to effect any sale, transfer or other disposition of Collateral in connection with any exercise of remedies of the Collateral Agent pursuant to the Collateral Documents and (vii) to the extent such Collateral otherwise becomes Excluded Assets. Any such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those being released) upon (or obligations (other than those being released) of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral except to the extent otherwise released in accordance with the provisions of the Loan Documents. Additionally, the Lenders hereby irrevocably agree that the Guarantors shall be released from the Guaranties upon consummation of any transaction permitted hereunder resulting in such Subsidiary ceasing to constitute a Restricted Subsidiary, or otherwise becoming an Excluded Subsidiary. The Lenders hereby authorize the Administrative Agent and the Collateral Agent, as applicable, to execute and deliver any instruments, documents, and agreements necessary or desirable to evidence and confirm the release of any Guarantor or Collateral pursuant to the foregoing provisions of this paragraph, all without the further consent or joinder of any Lender. Any such release of Obligations shall be deemed subject to the provision that such Obligations shall be reinstated if after such release any portion of any payment in respect of the Obligations guaranteed thereby shall be rescinded or must otherwise be restored or

returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payment had not been made.

(c) Notwithstanding anything to the contrary contained herein or in any other Loan Document, upon request of the Borrower in connection with any Permitted Lien specified in clause (7) of the definition thereof securing obligations in respect of Indebtedness, Disqualified Stock or Preferred Stock permitted to be incurred pursuant to clause (4) of Section 7.02(b) in any Collateral, and at the Borrower's expense, the Administrative Agent or Collateral Agent, as applicable, shall (without notice to, or vote or consent of, any Secured Party) take such actions as shall be required to subordinate the Lien on any Collateral to any such Permitted Lien to be senior to the Liens in favor of the Collateral Agent; *provided*, that the Borrower shall have provided the Administrative Agent or Collateral Agent, as applicable, shall, upon receipt of a certificate from the Borrower with an Officer's Certificate certifying that the such requested release is subordination and such requested actions are permitted under this Section 10.24, release; provided, further, that such requested actions shall not expose the Administrative Agent or the requested Collateral from the Liens securing the Obligations and provide the Borrower with such additional documentation as the Borrower may reasonably request Agent to evidence such release; provided that such release liability and shall be without recourse, to or representation or warranty of by the Administrative Agent and the Collateral Agent.

The obligation of the Borrower in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "**Judgment Currency**") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "**Agreement Currency**"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrower in the Agreement Currency, the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the Person to whom such obligation was owing against such loss. The parties hereto acknowledge and agree that (i) this Agreement and the other documents entered into in connection herewith do not constitute a novation or termination of the “Obligations” (as defined in the Existing Credit Agreement, as applicable) under the Existing Credit Agreement, as applicable, as in effect prior to the Closing Date, (ii) such “Obligations” are in all respects continuing (as amended and restated hereby) as indebtedness and obligations outstanding under this Agreement and (iii) all claims, actions, causes of action, suits, damages and indemnities by any Loan Party or any Agent or Lender on account of any action, breach, non-compliance or default by any Loan Party or any Agent or Lender that occurred, or any inaction by any Loan Party or any Agent or Lender that should have occurred, in each case, on or prior to the Closing Date, whether known or unknown, whether now existing or hereafter arising, whether arising at law or in equity, shall cease to exist and be forever waived, released and discharged to the full extent permitted by law.

**FASHION HOLDINGS INTERMEDIATE, INC.
STOCKHOLDERS AGREEMENT**

This **STOCKHOLDERS AGREEMENT** (this “Agreement”), dated as of February 24, 2021, is by and among (i) Fashion Holdings Intermediate, Inc., a Delaware corporation (the “Company”), (ii) Fashion Holdings LLC, a Delaware limited liability company (together with its Permitted Transferees that hold Shares, the “Sponsor Investor”), and the Persons listed on Schedule A, as amended from time to time. Each of the Sponsor Investor and each Person listed on Schedule A is sometimes referred to herein as a “Stockholder” and, collectively, as the “Stockholders”. The Company and the Stockholders are sometimes referred to herein individually by name or as a “Party” and, collectively, as the “Parties”. The definitions of certain capitalized terms used herein are set forth in Section 12.

RECITALS

WHEREAS, the Company and the Stockholders desire to enter into this Agreement to provide for certain matters with respect to the ownership and transfer by the Stockholders of Shares owned as of the date hereof or hereafter acquired by the Stockholders.

NOW, THEREFORE, in consideration of the foregoing, and the mutual agreements set forth herein and other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the Parties, intending to be legally bound, hereby agree as follows:

Section 1. Board Rights; Approval for Certain Actions

(a) Board of Directors. Each Stockholder (severally and not jointly), in its capacity as a stockholder of the Company, and the Company, shall take all Necessary Actions to cause:

(i) the board of directors of the Company (the “Board” and, each member thereof, a “Director”) to be comprised of only that number of Directors necessary to give effect to the Director appointment rights set forth in Section 1(a)(ii);

(ii) the election to the Board of:

(A) that number of Directors designated by the Sponsor Investor (each, a “Sponsor Investor Designee”) which, when added to the number of Sponsor Investor Designees who are then Directors and will continue to serve as Directors without regard to such Necessary Action is four, so long as the Sponsor Investor holds at least 40% of the Total Common Shares; provided, however, that if the Sponsor Investor holds less than 40% of the Total Common Shares but greater than or equal to 30% of the Total Common Shares, then the Sponsor Investor shall be entitled to designate three Directors to the Board; and provided, further, that if the Sponsor Investor holds less than 30% of the Total Common Shares but greater than or equal to 20% of the Total Common Shares, then the Sponsor Investor shall be entitled to designate two Directors to the Board; and provided, further, that if the Sponsor Investor holds less than 20% of the Total Common Shares but greater than or equal to 10% of the Total Common Shares, then the Sponsor Investor shall be entitled to designate one Director to the Board; and provided, further, that if the Sponsor Investor holds less than 10% of the Total Common Shares, then the Sponsor Investor shall not be entitled to designate any Directors to the Board;

(B) that number of Directors designated by the Blackstone Investors (each, a “Blackstone Investor Designee”) which, when added to the number of Blackstone Investor

Designees who are then Directors and will continue to serve as Directors without regard to such Necessary Action, is two Directors so long as the Blackstone Investors collectively hold at least 20% of the Total Common Shares; provided, however, that if the Blackstone Investors collectively hold less than 20% of the Total Common Shares but greater than or equal to 10% of the Total Common Shares, then the Blackstone Investors shall be entitled to designate one Director to the Board; and provided, further, that if the Blackstone Investors collectively hold less than 10% of the Total Common Shares, then the Blackstone Investors shall not be entitled to designate any Directors to the Board; and

(C) that number of Directors designated by the KKR Investors (the “KKR Investor Designee”) which, when added to the number of KKR Investor Designees who are then Directors and will continue to serve as Directors without regard to such Necessary Action, is one Director so long as the KKR Investors collectively hold at least 10% of the Total Common Shares; provided, however, that if the KKR Investors collectively hold less than 10% of the Total Common Shares, then the KKR Investors shall not be entitled to designate any Directors to the Board;

(iii) the removal from the Board (with or without cause) of any Director upon the written request to the Board of the Investor Stockholder(s) having the right to designate such Director, including the removal of the Chair (as defined below) upon the written request of the Sponsor Investor;

(iv) upon any vacancy in the Board as a result of any individual designated by an Investor Stockholder pursuant to Section 1(a)(ii) ceasing to be a Director, whether by resignation, death, disability, disqualification or otherwise (but not as a result of the loss of a right to appoint a designee pursuant to Section 1(a)(ii) and/or the removal of a Director pursuant to Section 1(a)(v)), the election to the Board of an individual designated by such Investor Stockholder;

(v) the removal from the Board (with or without cause) of the appropriate number of Designees of an applicable Investor Stockholder in the event that the right to designate such Designees shall have terminated under Section 1(a)(ii) (unless such number of Designees have resigned from the Board), it being understood and agreed that such Investor Stockholder shall designate for removal, and use commercially reasonable efforts to cause the removal of, such Designees as promptly as reasonably practicable following such termination; and

(vi) the Sponsor Investor Designee so designated by the Sponsor Investor to be the Chair of the Board (the “Chair”), so long as the Sponsor Investor is entitled to designate at least one Sponsor Investor Designee pursuant to Section 1(a)(ii)(A).

(b) Initial Directors. The names of the individuals designated to be Directors pursuant to Section 1(a)(ii) as of the date of this Agreement are set forth in the initial corporate organizational resolutions of the Company executed and delivered as of the date hereof.

(c) Committees. The Board may designate one or more committees of the Board in accordance with the Company Bylaws (each, a “Board Committee”). Each such Board Committee shall be composed of one or more Directors; provided, however, that (i) a majority of the members on each such Board Committee shall be Sponsor Investor Designees, (ii) so long as at least one Blackstone Investor Designee serves on the Board, at least one Blackstone Investor Designee shall be entitled to serve as a member of such Board Committee, and (iii) so long as the KKR Investor Designee serves on the Board, such KKR Investor Designee shall be entitled to serve as a member of such Board Committee. Notwithstanding the immediately preceding sentence, in the event that the Board authorizes a Board Committee to evaluate or

negotiate, or establishes a Board Committee for the purpose of evaluating or negotiating, a transaction with an Investor Stockholder or any of its Affiliates, no Designee of such Investor Stockholder shall be entitled to serve on such Board Committee.

(d) Quorum. The presence in person of a majority of the total number of Directors then in office will constitute a quorum for the transaction of business of the Board or a Board Committee; provided, however, that no quorum shall exist unless (i) at least one Sponsor Investor Designee is present in person, so long as the Sponsor Investor is entitled to designate at least one Sponsor Investor Designee pursuant to Section 1(a)(ii)(A), (ii) at least one Blackstone Investor Designee is present in person, so long as the Blackstone Investors are entitled to designate at least one Blackstone Investor Designee pursuant to Section 1(a)(ii)(B) and (iii) the KKR Investor Designee is present in person, so long as the KKR Investors are entitled to designate the KKR Investor Designee pursuant to Section 1(a)(ii)(C). In the event that at least one Designee of an Investor Stockholder fails to attend two consecutive meetings of the Board or a Board Committee called and noticed in accordance with the Company Bylaws and this Agreement (such Designee, a “Non-Attending Director”), then the other Directors may provide written notice (the “Meeting Notice”) to the Non-Attending Director not less than three Business Days before the date of the third consecutive meeting of the Board or Board Committee. The Meeting Notice shall contain the date, time and agenda for the third consecutive meeting of the Board or Board Committee and shall state that the Non-Attending Director must attend such meeting or his or her presence shall not be required to constitute a quorum for such meeting. With respect to the third consecutive meeting of the Board following the Non-Attending Director’s failure to attend two consecutive meetings of the Board called and noticed in accordance with the Company Bylaws and this Agreement, the Non-Attending Director’s presence shall not be required to constitute a quorum for such meeting under this Section 1(d), but not with respect to any future meeting. For the avoidance of doubt, nothing in this Section 1(d) supersedes any provision of Section 1(g).

(e) Board Observers. The Sponsor Investor, the Blackstone Investors and the KKR Investors each shall have the right to appoint one observer (each, a “Board Observer”) (i.e., for a total of up to three Board Observers) to attend any meetings of the Board or a Board Committee for so long as such applicable Investor Stockholder(s) has the right to designate at least one Director to the Board pursuant to Section 1(a)(ii). No Board Observer shall have the right to vote on any matter that comes before the Board or a Board Committee. Each Board Observer shall receive (x) copies of all meeting materials distributed to the Board or applicable Board Committee and (y) notice of each meeting or action by written consent of the Board or such Board Committee, in each case at the same time and in the same manner as such materials are distributed to or notice is given to the Board or such Board Committee. Notwithstanding the foregoing, any meeting of the Board or Board Committee may exclude a Board Observer from access to any meeting materials or information or meeting or portion thereof or written consent if the Board or Board Committee determines, in good faith, that (i) such exclusion is reasonably necessary to protect highly confidential proprietary information of the Company or confidential proprietary information of third parties that the Company is required to hold in confidence or (ii) such access would reasonably be expected to result in a conflict of interest with the Company; provided, that such exclusion shall be limited to the portion of the meeting materials or information or meeting or written consent that is the basis for such exclusion and shall not extend to any portion of the meeting materials or information or meeting or written consent that does not involve or pertain to such exclusion. Each Board Observer shall be entitled to indemnification by the Company and to be covered under the Company’s director and officer insurance policies to the same extent as Directors as may be reasonably practicable. As a condition to the appointment of a Board Observer, he or she must execute a confidentiality agreement with the Company in customary form with respect to the information and discussions to which the Board Observer will have access. The names of the individuals designated to be Board Observers as of the date of this Agreement are set forth in the initial corporate organizational resolutions of the Company executed and delivered as of the date hereof.

(f) Expenses. The Company shall pay the reasonable and documented travel expenses (in accordance with the requirements of the Belk, Inc. travel policy for its employees) incurred by all Directors and Board Observers in connection with their attendance at meetings of the Board or any Board Committee. To the extent that an Investor Stockholder designates one or more Independent Directors to the Board (it being understood that up to all of the Designees of an Investor Stockholder may be Independent Directors), the Company shall compensate each such Independent Director for his or her service on the Board or any Board Committee in a manner and amount consistent with market practices for independent directors of similarly situated companies as determined by the Board. For the avoidance of doubt, Board Observers will not be eligible for any compensation from the Company for their services as a Board Observer.

(g) Investor Reserved Matters. The Parties shall take all Necessary Actions so that the Company shall not, and shall not permit any of its Subsidiaries to, effect any of the following (each an “Investor Reserved Matter”) without the prior written consent of each Investor Stockholder, so long as each such Investor Stockholder (together with its Affiliates) holds at least five percent of the Total Common Shares:

(i) the entry into or consummation of any Company Sale;

(ii) any acquisition of the stock or other equity securities (whether by merger, consolidation, purchase of stock or other equity securities or otherwise) or the assets (outside the ordinary course of business) of any other Person, except where the aggregate consideration (including, (x) the assumption of indebtedness for borrowed money, whether direct or indirect, (y) any deferred or contingent consideration or (z) consideration paid in the form of above-market employment or consulting agreements) is not greater than \$10,000,000 in any single transaction or series of related transactions;

(iii) any disposition (by sale, lease or otherwise) of assets of the Company or its Subsidiaries outside the ordinary course of business, except where the aggregate consideration (including the assumption of indebtedness for borrowed money, whether direct or indirect) is not greater than \$10,000,000 in any single transaction or series of related transactions;

(iv) any issuance of additional Shares or other equity securities or securities convertible into or exchangeable or exercisable for Shares or other equity securities, except (A) in accordance with Section 6 or (B) the issuance of shares of Common Stock or Options to employees or other service providers of the Company or its Subsidiaries approved by the Board and pursuant to an Equity Incentive Plan approved in accordance with clause (ix) below;

(v) any redemption, purchase or other acquisition (whether direct or indirect) of any Shares or other securities of the Company or its Subsidiaries except (A) for Shares or other equity securities held by the Stockholders on a *pro rata* basis (based on the number of Shares or other equity securities of the applicable class held by the Stockholders (excluding any Shares or other equity securities issued under an Equity Incentive Plan that are not fully vested or otherwise limited in their ability to participate in any such redemption, purchase or other acquisition)), (B) Shares held by an employee of the Company or its Subsidiaries upon the termination of employment pursuant to an agreement or plan previously approved by the Board or (C) debt securities of the Company or its Subsidiaries in accordance with (x) the terms of the governing agreements pursuant to which they were issued or (y) the Amended Credit Agreements; provided, however, that, in addition to the consent of the Investor Stockholders required under this Section 1(g), any such non *pro rata* redemption, purchase or other acquisition (whether direct or indirect) of any Shares or other securities of the Company or its Subsidiaries (except as otherwise expressly permitted pursuant to any of the foregoing clauses (A) through (C) immediately above) shall require the prior

written consent of the holders of a majority of the Total Common Shares (excluding, solely for the purpose of this proviso, Shares held by any Investor Stockholder that (together with its Affiliates) holds at least five percent of the Total Common Shares);

(vi) the creation, incurrence or refinancing of any Indebtedness of the Company or its Subsidiaries, except (A) Indebtedness in an aggregate principal amount not in excess of \$15,000,000 at any time outstanding and (B) intercompany loans solely among the Company and any Subsidiary thereof, or among any Subsidiary of the Company and another Subsidiary thereof;

(vii) any making of any material change to the nature or scope of the business of the Company and its Subsidiaries, any exit from the line of business or any entry into any new material line of business, in each case, as compared to the business of the Company and its Subsidiaries on the date hereof;

(viii) any making of any capital expenditures or commitments therefor in excess of \$2,000,000 individually, or \$8,000,000 in the aggregate, in each case, in any fiscal year and except for capital expenditures or commitments that are reflected in an applicable annual business plan and budget for the Company that has been approved by the Board;

(ix) any adoption or termination of, or material amendment to (including any increase in the number of Shares issuable under) any Equity Incentive Plan;

(x) any entry into any transaction, contract, agreement or arrangement, or any amendment to any transaction, contract, agreement or arrangement, between the Company or any of its Subsidiaries, on the one hand, and the Sponsor Investor or its Affiliates (other than the Company or any of its Subsidiaries), on the other hand, unless on arm's length, commercially reasonable terms and approved by a majority of the Directors (other than the Sponsor Investor Designees), other than (A) any issuance of additional Shares or other equity securities or securities convertible into or exchangeable or exercisable for Shares or other equity securities in accordance with Section 6, (B) any redemption, purchase or other acquisition of any Shares or other securities in accordance with clause (v) above, (C) the declaration or making of any dividend or distribution in accordance with clause (xii) below or (D) those transactions, contracts, agreements and arrangements expressly contemplated by each of the RSA or the Plan (including any exhibits, annexes, schedules or supplements to the RSA or the Plan);

(xi) any entry into any amendment to the Company Charter or Company Bylaws;

(xii) the declaration or making of any dividend or distribution made in respect of the Shares or other equity securities of the Company or its Subsidiaries, except on a *pro rata* basis to the Stockholders (based on the number of Shares or other equity securities of the applicable class held by the Stockholders (excluding any Shares or other equity securities issued under an Equity Incentive Plan that are not fully vested or otherwise limited in their ability to participate in dividends or distributions)); provided, however, that, in addition to the consent of the Investor Stockholders required under this Section 1(g), any such non *pro rata* dividend or distribution shall require the prior written consent of the holders of a majority of the Total Common Shares (excluding, solely for the purpose of this proviso, Shares held by any Investor Stockholder that (together with its Affiliates) holds at least five percent of the Total Common Shares); or

(xiii) any entry into any agreement (whether oral or written) obligating the Company or any of its Subsidiaries to do any of the foregoing.

Section 2. Transfers

(a) Transfer Restrictions. No Stockholder shall Transfer any Shares except for the following:

(i) Transfers to a Permitted Transferee of such Stockholder; provided, that, in the event that a Person that acquires Common Stock as a Permitted Transferee of a Stockholder (including under Section 4(d) or Section 6(i)) (a “Transferring Stockholder”) ceases to be a Permitted Transferee of the Transferring Stockholder, such Permitted Transferee shall, simultaneously with ceasing to be a Permitted Transferee of the initial Transferring Stockholder, Transfer all such acquired Common Stock to the Transferring Stockholder;

(ii) Transfers to a Person (other than a Permitted Transferee); provided, that, if such Stockholder (together with its Affiliates) then owns at least two and one-half percent of the Total Common Shares, such Transfers must comply with and shall be subject to the provisions of Section 4 and Section 5;

(iii) Transfers made with the prior written consent of each of the Investor Stockholders;

(iv) subject to Section 1(g)(i), Transfers pursuant to a Company Sale; or

(v) Transfers in compliance with and subject to the provisions of Section 3, Section 4 and/or Section 5, as applicable.

(b) Other Restrictions on Transfers.

(i) In addition to the restrictions set forth elsewhere in this Agreement, except in connection with a Company Sale, any Transfer of Shares by a Stockholder to a transferee (and any assignment to a Permitted Transferee under Section 4(d) or Section 6(i)) shall be permitted only if the transferee shall agree in writing to be bound by, and comply with, the terms and conditions of this Agreement by executing a signature page in the form attached as Exhibit A hereto. Upon the execution of the signature page in the form attached as Exhibit A hereto, such transferee shall be deemed to be a Stockholder pursuant to this Agreement.

(ii) Notwithstanding anything to the contrary contained herein, without the prior written consent of the Board (which it may withhold in its sole discretion), no Stockholder shall Transfer any Shares to (A) any Person that the Board determines in good faith directly competes (as its primary business) in any material line of business engaged in by the Company or any of its Subsidiaries, (B) any Person that is a landlord of the Company or any of its Subsidiaries, (C) any Person that the Board determines in good faith is a material vendor of the Company or any of its Subsidiaries or (D) any controlled Affiliate of any of the Persons described in immediately foregoing clauses (A) through (C).

(iii) Each Stockholder understands and agrees that the Shares held by such Stockholder on the date hereof have not been registered under the Securities Act or under any securities laws. No Stockholder shall, directly or indirectly, Transfer such Shares (or solicit any offers in respect of any Transfer of such Shares), except in compliance with the Securities Act, any applicable securities laws and any restrictions on Transfer contained in this Agreement. No Stockholder shall, directly or indirectly, avoid the restrictions or obligations set forth in this Section 2 by Transferring any Shares to any other Person and then Transferring or permitting the Transfer of such other Person in whole or in part.

(iv) In connection with the Transfer of any Shares, the Stockholder holding such Shares will deliver at least five Business Days' prior written notice to the Company describing in reasonable detail the proposed Transfer. Prior to recognizing the Transfer of any Shares on the books and records of the Company, the transferring Stockholder will provide the Company with a written opinion of legal counsel reasonably satisfactory to the Company (unless such legal opinion is otherwise waived, in whole or in part, in the discretion of the Board), addressed to the Company and the Company's stock transfer agent, to the effect that the proposed Transfer (A) would not violate any U.S. federal securities laws or any state or foreign or provincial securities or "blue sky" laws (including any investor suitability standards) applicable to the Company or the Shares to be Transferred, (B) would not cause the Company to be required to register in any capacity pursuant to any U.S. federal securities laws or any state or foreign or provincial securities or "blue sky" laws, including as a result of the failure to comply with the safe harbor limitation described in Section 2(b)(v) below, (C) would not impose liability or reporting obligations on the Company or any Stockholder thereof or make any of them subject to the jurisdiction of any court or governmental entity anywhere other than the states, courts and governmental entities in which the Company is then subject to such liability, reporting obligations or jurisdiction and (D) complies with the conditions contained in this Section 2, whereupon the transferring Stockholder will be entitled to Transfer such Shares in accordance with the terms of the notice given by such Stockholder and in accordance with the terms and conditions of this Agreement and the Company Constitutional Documents.

(v) Notwithstanding any provision to the contrary in this Agreement, no Transfer of any Shares shall be permitted or recognized by the Company if and to the extent that such Transfer would cause the Company to exceed the safe harbor limitations set forth in 17 CFR Section 240.12g-1(b)(1).

(vi) The transferor and transferee of any Shares in the Company shall be jointly and severally obligated to reimburse the Company for all reasonable and documented out-of-pocket fees and expenses paid to outside counsel by the Company for any Transfer or proposed Transfer, whether or not consummated.

(vii) Any transferee receiving Shares in a Transfer pursuant to Section 4 or Section 5 hereof shall become a Stockholder, party to this Agreement and subject to the terms and conditions of, and be bound by and entitled to enforce, this Agreement to the same extent, and in the same capacity, as the Person that Transfers such Shares to such transferee; provided, that only a Permitted Transferee of an Investor Stockholder will be deemed to be an Investor Stockholder for purposes of this Agreement; and provided, further, that no Transfer by any holder of Shares to a Permitted Transferee shall relieve such holder of any of its obligations under this Agreement. For the avoidance of doubt, any transferee receiving Shares in a Transfer that is not an Investor Stockholder or a Permitted Transferee of an Investor Stockholder will become a party to this Agreement without the benefit of any rights hereunder accruing to Stockholders solely in their capacity as Investor Stockholders. Prior to the Transfer of any Shares to any transferee and as a condition thereto, each Stockholder effecting such Transfer shall (x) cause such transferee to deliver to the Company its written agreement, in form and substance reasonably satisfactory to the Company, to be bound by the terms and conditions of this Agreement, if not already bound by this Agreement, and (y) if such Transfer is to a Permitted Transferee, remain directly liable for the performance by such Permitted Transferee of all obligations of such transferee under this Agreement.

(viii) Any attempted Transfer of Shares not in accordance with the terms of this Section 2 shall be null and void, and the Company shall not in any way give effect to any such Transfer.

Section 3. Drag-Along Rights

(a) Drag-Along Right. At any time, the Board, subject to Section 1(g)(i), may require each Stockholder (each, a “Required Seller”) to participate (including by transferring its Shares) in a Company Sale to an unaffiliated third party (a “Drag-Along Transferee”) in a *bona fide* arm’s length transaction or series of related transactions (including pursuant to a stock sale, asset sale, recapitalization, tender offer, merger or other business combination transaction or otherwise) (such transaction or series of related transactions, a “Drag Sale”) at the purchase price and upon the terms set forth in the Drag-Along Notice (as defined below). In connection with a Drag Sale, each Required Seller shall (i) vote in favor of, and raise no objections against, such Drag Sale or act by written consent approving the same and vote in opposition of any and all other proposals that could reasonably be expected to delay or impair the consummation of such Drag Sale with respect to all Shares owned by such Required Seller, and (ii) subject to Section 3(c), execute any purchase agreement, merger agreement or other agreement entered into with the purchaser with respect to such Drag Sale and any ancillary agreement with respect thereto, as necessary or reasonably required to approve and consummate the Drag Sale. Without limiting the foregoing, if a Drag Sale requires the approval of the Stockholders, each Stockholder shall waive any applicable dissenters’ rights, appraisal rights or similar rights in connection with such Drag Sale. The consummation of a Drag Sale shall be subject to Board approval (subject to Section 1(g)(i)), which shall have no liability or obligation whatsoever (other than compliance with this Section 3) to any Required Sellers participating therein in connection with such Required Sellers’ Transfer of Shares.

(b) Notice. No later than two Business Days after being instructed to do so by the Board, the Company shall provide written notice (the “Drag-Along Notice”) of a Drag Sale to each Required Seller. In the event that the terms and/or conditions set forth in the Drag-Along Notice are thereafter amended in any material respect, the Company shall give written notice (an “Amended Drag-Along Notice”) of the amended terms and conditions of the proposed Transfer to each Required Seller. Each Drag-Along Notice and Amended Drag-Along Notice shall set forth: (i) the name of the Drag-Along Transferee and the number of Shares proposed to be purchased by such Drag-Along Transferee; (ii) the proposed amount and type of consideration and the material terms and conditions of payment offered by the Drag-Along Transferee; (iii) a summary of any other material terms of the Drag Sale, including any indemnification obligations or post-closing liabilities of each Required Seller; and (iv) a copy of the primary agreements effecting such Drag Sale. Upon the delivery of a Drag-Along Notice, no further Transfers of Shares by any Stockholder shall be permitted (including any Transfer to a Permitted Transferee) until such Drag-Along Notice is withdrawn or the Drag Sale is consummated. The Company shall provide prompt written notice to each Required Seller of the withdrawal of such Drag-Along Notice upon the termination or other abandonment of such Drag Sale.

(c) Exercise. All Transfers of Shares to the Drag-Along Transferee pursuant to this Section 3 shall be consummated simultaneously, unless the Board and the Drag-Along Transferee elect otherwise, on the date specified in the definitive purchase agreement pursuant to which the Drag Sale is to be consummated. In the event that the applicable Drag Sale is not consummated within three months (as may be extended, solely to the extent reasonably necessary to obtain any Governmental Approvals, for a reasonable period of time), then the Required Sellers shall not be obligated to Transfer any Shares in connection with the Drag Sale contemplated by such applicable Drag-Along Notice. At the closing of the Drag Sale, the Required Sellers shall deliver any stock certificates duly endorsed for transfer or with duly executed stock powers or similar instruments, or such other instrument of transfer of such Shares as may be reasonably requested by the Drag-Along Transferee and the Company. Each Required Seller shall be entitled to receive the same form and amount (on a per-Share basis) of consideration (the “Drag Share Consideration”); provided, however, that (A) in the event the Drag Share Consideration includes equity or equity-linked securities, and the receipt thereof by any Required Seller would be restricted or otherwise prohibited pursuant to such Required Seller’s organizational documents (as in existence at the time of

receipt of the Drag-Along Notice and as of immediately prior to the Drag Sale), the Board shall use its commercially reasonable efforts to provide such Required Seller with the opportunity to elect (in lieu thereof) either (1) to be paid an amount in cash equal to the fair market value (as determined in good faith by the Board) of such equity or equity-linked portion of the Drag Share Consideration that such Required Seller would otherwise receive in connection with the consummation of the Drag Sale (to the extent such cash is then available for such use, in the good faith discretion of the Board) or (2) to dispose of such equity or equity-linked securities to one or more third parties concurrently with the consummation of such Drag Sale; and (B) in lieu of any Drag Share Consideration payable to the other Required Sellers, any Required Seller that is a Management Stockholder may receive Drag Share Consideration in the form of rollover equity interests in the Drag-Along Transferee (or an Affiliate thereof) with a fair market value (as determined by the Board in good faith) equal to such portion of the Drag Share Consideration payable to the other Required Sellers. To the extent that the Stockholders provide any indemnification or otherwise assume any other post-closing liabilities in connection with the Drag Sale, the Required Sellers shall have no greater proportional requirement in respect thereof than any other Required Seller, and each Required Seller shall do so (and shall share in any related escrow or holdback) severally and not jointly (and on a *pro rata* basis in accordance with the Shares being sold by each as compared to the total number of Shares being sold) and their respective potential liability thereunder shall not exceed the proceeds received as consideration for their respective Shares, except in the event of fraud perpetrated by such Required Seller. Any indemnification or other post-closing liabilities related to the representations and warranties of a Required Seller shall (subject to the preceding sentence) be specific to the Required Seller making such representations and warranties. Each Required Seller shall only be required to give representations and warranties in connection with a Drag Sale regarding title to Shares conveyed (free and clear of all liens and encumbrances), due authorization, legal authority and capacity to transfer its Shares and absence of conflicts arising under, or consents required under, other agreements to which such Required Seller is a party. Each Required Seller shall be required to enter into any instrument, undertaking or obligation necessary or reasonably requested by the Board and to deliver all documents necessary or reasonably requested by the Board in connection with such Transfer in connection with this Section 3; provided, however, that, in connection with a Drag Sale, no Required Seller shall be required to become subject to any restrictive covenant other than customary confidentiality obligations applicable to each Required Seller and any restrictive covenant by which such Required Seller was bound immediately prior to the consummation of such Drag Sale. Each Required Seller shall be required to transfer its Shares pursuant to a Drag Sale free and clear of all liens and encumbrances.

(d) Drag Sale Expenses. Each Required Seller shall bear its *pro rata* portion of the third-party costs and expenses incurred in by the Company connection with any Drag Sale or other transaction (pursuant to this Agreement or otherwise) in which it sells its Shares to the extent not otherwise paid by the Company for the benefit of all holders.

Section 4. Right of First Offer

(a) Right of First Offer. If any Stockholder that (together with its Affiliates) holds at least two and one-half percent of the Total Common Shares as of the applicable date (a “Participating Stockholder”) desires to Transfer any Shares to any Person (other than to a Permitted Transferee or pursuant to the provisions of Section 3), then such Participating Stockholder must first notify in writing the Investor Stockholders of such proposed sale (the “ROFO Proposal Notice”), offering each Investor Stockholder the right to purchase its respective *pro rata* portion (based on the number of Shares held by such Investor Stockholder as compared to the total number of Shares held by all Investor Stockholders) of all such Shares for the proposed purchase price for such Shares and on the other material terms specified in such written notice (the “Proposal”).

(b) Exercise. Prior to the expiration of the period 10 Business Days after receipt of the ROFO Proposal Notice (the “Offer Period”), each Investor Stockholder may accept the Proposal by delivering written notice of such acceptance to the Participating Stockholder, including the number of Shares such Investor Stockholder wishes to purchase from the Participating Stockholder (an “Acceptance Notice”). The Participating Stockholder shall provide prompt written notice to each Investor Stockholder of the number of Shares each Investor Stockholder has elected to purchase pursuant to this Section 4(b). If any Investor Stockholder does not fully subscribe for the number of Shares it is entitled to purchase pursuant to this Section 4(b), then each Investor Stockholder that fully subscribed for the number of Shares that it was entitled to purchase pursuant to this Section 4(b) shall have the right, for a period of five Business Days after receipt of such notice (the “Secondary Offer Period”), to purchase that percentage of the remaining Shares offered under the ROFO Proposal Notice equal to (i) the total number of Shares owned by such fully participating Investor Stockholder divided by (ii) the total number of Shares owned by all fully participating Investor Stockholders that elected to purchase Shares under this Section 4(b).

(c) Closing. The closing of the purchase of Shares under this Section 4 shall be on the later of (i) a date that is no later than 10 Business Days after the end of the Secondary Offer Period or (ii) as soon as reasonably practicable following receipt of all Governmental Approvals and any approval of the Stockholders as may be required by applicable law. At such closing, (i) each Participating Stockholder shall only be required to give representations and warranties in connection with any Transfer made pursuant to and in accordance with this Section 4 regarding title to Shares conveyed (free and clear of all liens and encumbrances), due authorization, legal authority and capacity and absence of conflicts arising under, or consents required under, other agreements to which such Participating Stockholder is a party, and (ii) the Participating Stockholder shall deliver to the applicable Investor Stockholders any stock certificates duly endorsed for transfer or with duly executed stock powers or similar instruments, or such other instruments of transfer to such Shares as may be reasonably requested by such Investor Stockholders.

(d) Assignment. Subject to Section 2(b)(ii), each Investor Stockholder shall be permitted to assign its rights (in whole or in part) to purchase its *pro rata* portion of the Shares in the ROFO Proposal Notice to one or more of its Permitted Transferees.

(e) Deadline for Completion of Sale. The Participating Stockholder shall have 60 days following the expiration of the Offer Period (or, if applicable, the Secondary Offer Period) in which to sell to any Person (subject to the other terms and conditions of this Agreement) the Shares described in the ROFO Proposal Notice, on terms no less favorable to the Participating Stockholder (*i.e.*, a lower price per Share) than those set forth in the ROFO Proposal Notice (which such 60-day period may be extended for a reasonable time not to exceed 120 days to the extent reasonably necessary to obtain any Governmental Approvals and any approval of the Stockholders as may be required by applicable law). If at the end of such period the Participating Stockholder has not completed such sale, the Participating Stockholder may not then effect a sale of such Shares subject to this Section 4 without again fully complying with the provisions of this Section 4.

Section 5. Tag Rights

(a) Notice. In the event that any Investor Stockholder (together with its Affiliates) intends to Transfer more than five percent of the Total Common Shares to a third party (other than a Permitted Transferee and excluding any Transfer in connection with a Drag Sale) (any such Transfer, a “Tag Sale”), such Investor Stockholder and its Affiliates (collectively, the “Transferring Tag Stockholder”), shall instruct the Company to provide written notice (a “Tag Notice”) to each other Investor Stockholder that (together with its Affiliates) holds at least five percent of the Total Common Shares (each, a “Tagging Investor Stockholder”), which Tag Notice must be delivered to each such other Investor Stockholder at least 10 Business Days prior to the consummation of the Tag Sale. The Tag Notice shall contain the terms

on which the Transferring Tag Stockholder proposes to Transfer Shares, including (i) the price per Share, (ii) any indemnification to be provided by the Transferring Tag Stockholder, (iii) the form of consideration to be received in respect of the Shares, (iv) the number of Shares held by the Transferring Tag Stockholder that such Transferring Tag Stockholder desires to Transfer (the “Tag Goal”), (v) the total number of Shares then held by the Transferring Tag Stockholder and (vi) any other material terms related to the Transfer.

(b) Tag Right. Each Tagging Investor Stockholder shall have the right (the “Tag Right”), exercisable upon written notice to the Transferring Tag Stockholder of such Tagging Investor Stockholder’s election to exercise its Tag Right, which notice shall be delivered to the Transferring Tag Stockholder within 10 Business Days of the receipt of the Tag Notice (such period, the “Tag Election Period”), to sell a number of such Tagging Investor Stockholder’s Shares (such Shares, the “Tag Shares”) up to its Tag Share Limit pursuant to the Tag Sale, which such number of Shares must be included in such Tagging Investor Stockholder’s written notice to the Transferring Tag Stockholder. Any Tagging Investor Stockholder that fails to exercise its Tag Right during the Tag Election Period thereby foregoes its Tag Right in respect of that Tag Notice. Each Tagging Investor Stockholder who properly exercises its Tag Right during the Tag Election Period (each, a “Tag Seller”) shall be required to participate in the Tag Sale to the extent it is consummated on the terms set forth in the Tag Notice, and shall not be permitted to revoke its Tag Right election unless the Transferring Tag Stockholder has withdrawn from the Tag Sale pursuant to Section 5(c). Notwithstanding anything to the contrary contained herein, in the event that an Investor Stockholder has elected to purchase Shares in connection with a particular Transfer under Section 4, such Investor Stockholder may not elect to exercise the Tag Right in connection with such Transfer under this Section 5.

(c) Transferring Tag Stockholder Cutback. To the extent the transferee (the “Tag Buyer”) of the Shares pursuant to the Tag Sale is unwilling to purchase both the Tag Goal and all of the Tag Shares of the Tag Sellers, then the Transferring Tag Stockholder may elect to either cancel such Tag Sale or allocate the maximum number of Shares that the Tag Buyer is willing to purchase *pro rata* among the Tag Sellers and the Transferring Tag Stockholder as follows: each Tag Seller and the Transferring Tag Stockholder shall be entitled to sell a number of Shares (not to exceed, for any Tag Seller, the number of Shares identified in its tag election notice) equal to the product of (i) the maximum number of Shares that the Tag Buyer is willing to purchase and (ii) a fraction (A) the numerator of which is the number of Shares owned by such Tag Seller or Transferring Tag Stockholder, and (B) the denominator of which is the total number of Shares owned by all Tag Sellers and the Transferring Tag Stockholder. The Transferring Tag Stockholder shall use its reasonable best efforts to obtain the agreement of the Tag Buyer to the participation of the Tag Sellers in any contemplated Tag Sale and no Transferring Tag Stockholder shall Transfer any Shares to any Tag Buyer pursuant to a Tag Sale if such Tag Buyer declines to allow the participation of the Tag Sellers on the terms provided herein, unless in connection with such Tag Sale, one or more of the Transferring Tag Stockholders purchase the number of Shares from each Tag Seller that such Tag Seller would have been entitled to sell pursuant to this Section 5 at the same price and on the same terms and conditions on which such Shares would have been sold to the Tag Buyer pursuant to this Section 5.

(d) Closing. The closing of the Tag Sale shall be held on the later of (i) a Business Day not less than 10 nor more than 60 days after the latest of (A) the end of the Tag Election Period, (B) the end of the Offer Period under Section 4 applicable to the Transfer of the applicable Shares and (C) the end of any Secondary Offer Period under Section 4 applicable to the Transfer of the applicable Shares or (ii) as soon as reasonably practicable following receipt of all Governmental Approvals and any approval of the Stockholders as may be required by applicable law. At the closing of the Tag Sale, the Transferring Tag Stockholder and the Tag Sellers shall deliver any stock certificates duly endorsed for transfer or with duly executed stock powers or similar instruments, or such other instruments of transfer to such Shares as may be reasonably requested by the Tag Buyer and the Company. The consummation of such proposed Transfer shall be subject to the sole discretion of the Transferring Tag Stockholder, who shall have no liability or obligation whatsoever (other than compliance with this Section 5) to any Tagging Investor Stockholder.

On a per-Share basis, each Tag Seller shall receive the same amount and form of consideration, and on the same terms, as received by the Transferring Tag Stockholder. To the extent that the Transferring Tag Stockholder and the Tag Sellers provide any indemnification or otherwise assume any other post-closing liabilities in connection with the Tag Sale, the Transferring Tag Stockholder and the Tag Sellers shall do so (and shall share in any related escrow or holdback) severally and not jointly (and on a *pro rata* basis in accordance with the Shares being sold by each as compared to the total number of Shares being sold) and their respective potential liability thereunder shall not exceed the proceeds received as consideration for their respective Shares, except in the event of fraud perpetrated by such Transferring Tag Stockholder or Tag Seller. Any indemnification or other post-closing liabilities related to such representations and warranties shall (subject to the preceding sentence) be specific to the Tag Seller making such representations and warranties. Each Tag Seller shall only be required to give representations and warranties in connection with a Tag Sale regarding title to Shares conveyed (free and clear of all liens and encumbrances), due authorization, legal authority and capacity and absence of conflicts arising under, or consents required under, other agreements to which such Tag Seller is a party. The Transferring Tag Stockholder and each Tag Seller shall be required to enter into any instrument, undertaking or obligation necessary or reasonably requested and deliver all documents necessary or reasonably requested in connection with such Tag Sale; provided, however, that, in connection with a Tag Sale, no Tag Seller shall be required to become subject to any restrictive covenant other than customary confidentiality obligations and any restrictive covenant by which such Tag Seller was bound immediately prior to the consummation of such Tag Sale. The Transferring Tag Stockholder and each Tag Seller shall be required to Transfer their respective Shares pursuant to a Tag Sale free and clear of all liens and encumbrances.

(e) Deadline for Completion of Tag Sale. The Transferring Tag Stockholder shall have 60 days following the latest of (i) the end of the Tag Election Period, (ii) the end of the Offer Period under Section 4 applicable to the Transfer of the applicable Shares and (iii) the end of any Secondary Offer Period under Section 4 applicable to the Transfer of the applicable Shares in which to sell the Shares described in the Tag Notice, on terms not less favorable to the Transferring Tag Stockholder (*i.e.*, a lower price per Share) than those set forth in the Tag Notice (which such 60-day period may be extended for a reasonable time not to exceed 120 days to the extent reasonably necessary to obtain any Governmental Approvals and any approval of the Stockholders as may be required by applicable law). If at the end of such period the Transferring Tag Stockholder has not completed such sale, the Transferring Tag Stockholder may not then effect a sale of such Shares subject to this Section 5 without again fully complying with the provisions of this Section 5.

Section 6. Preemptive Rights

(a) General. If at any time the Company proposes to issue any New Equity Securities (other than to the Company or a Subsidiary thereof), the Company shall give each Stockholder (other than any Management Stockholder) (each, an “Enabled Stockholder”) a right (a “Preemptive Right”) to purchase or subscribe for its *pro rata* portion of such New Equity Securities based on the number of Shares held by such Enabled Stockholder prior to such issuance as compared to the total outstanding Shares of the Company at such time (the “Preemptive Percentage”).

(b) Participation Notice. At least 10 Business Days prior to the proposed date of issuance of New Equity Securities to which a Preemptive Right would apply, the Company shall deliver written notice (a “Participation Notice”) to each Enabled Stockholder stating (i) its intention to issue New Equity Securities and the date (or range of dates) of such issuance, (ii) the number and type of New Equity Securities to be issued, (iii) such Enabled Stockholder’s Preemptive Percentage, and (iv) the price and terms, if any, upon which it proposes to issue such New Equity Securities.

(c) Accredited Investors. The Preemptive Rights granted by this Section 6 shall be exercisable only by “accredited investors” as defined under Section 501 of Regulation D of the Securities Act. In the event that exercise of an Enabled Stockholder’s Preemptive Right under this Section 6 would require under applicable law the registration or qualification of such New Equity Securities or of any Person as a broker or dealer or agent with respect to such New Equity Securities where such registration or qualification is not otherwise required for the issuance, such Enabled Stockholder shall not have the right to participate in the issuance. Without limiting the generality of the foregoing, it is understood and agreed that the Company has no obligation to effect a registration of such New Equity Securities under the Securities Act or similar state statutes.

(d) Offer Periods; Terms of Sale. At any time prior to the close of business on the 10th Business Day after its receipt of the Participation Notice, each Enabled Stockholder may elect to purchase or obtain, at the price and on the terms specified in the Participation Notice, up to such Enabled Stockholder’s Preemptive Percentage. The purchase or subscription by the Enabled Stockholders pursuant to this Section 6 shall be on the same price and other terms and conditions, including the date of sale or issuance, as are applicable to the purchasers or subscribers of the additional New Equity Securities whose purchases or subscriptions give rise to the Preemptive Rights (the “Purchasing Holders”).

(e) Failure to Issue Shares. If the Company does not issue New Equity Securities on the date (or during the range of dates) proposed in the Participation Notice, then no Stockholder shall have a right to subscribe for New Equity Securities pursuant to a Preemptive Right. The Company shall be required to issue a new Participation Notice in accordance with this Section 6 prior to issuing any New Equity Securities to which a Preemptive Right applies.

(f) Closing. On or before the date the Company issues the New Equity Securities to which the Preemptive Right applies, any Enabled Stockholder who exercised that right must pay for the New Equity Securities by wire transfer of immediately available funds. If an Enabled Stockholder fails to transfer the funds on the closing date, which failure to transfer is not cured by a wire transfer of immediately available funds no later than 5:00 P.M., prevailing Eastern Time, on the following Business Day, then such Enabled Stockholder shall not be issued any New Equity Securities and shall thereafter have no Preemptive Right for such issuance.

(g) Exceptions.

The Preemptive Rights shall not apply to:

(i) the issuance or sale of Shares to employees (and their affiliated entities), consultants or Directors of the Company or any of its Subsidiaries pursuant to a stock option plan, restricted stock plan, stock purchase plan or any other equity incentive plan, arrangement or agreement, in each case, approved by the Board or the appropriate committee of the Board;

(ii) the issuance of Stock upon the exercise or conversion of any Convertible Securities or exercisable Shares outstanding on the date hereof or issued after the date hereof in compliance with the provisions of this Section 6;

(iii) the issuance of Shares as consideration for (A) any business combination or acquisition transaction involving the Company or any of its Subsidiaries or (B) any joint venture or strategic partnership entered into primarily for purposes other than raising capital, in each case, approved by the Board;

(iv) the issuance of Shares in exchange for debt securities;

(v) the issuance of Shares, not in excess of five percent of the total number of issued and outstanding Shares, to lenders, bond purchasers or other financial institutions in connection with a *bona fide* financing transaction involving the Company or any of its Subsidiaries that has been approved by the Board;

(vi) the issuance of Shares pursuant to a stock split, stock dividend, combination, reorganization, recapitalization or similar event, in each case, approved by the Board; or

(vii) the issuance of Shares pursuant to an Initial Public Offering.

(h) Post-Issuance Notice. Notwithstanding the requirements of this Section 6, the Company may proceed with any issuance of New Equity Securities prior to having complied with the provisions of Section 6; provided, that the Company shall:

(i) as soon as reasonably practicable, offer in writing to each Enabled Stockholder the right to purchase from the Purchasing Holders up to such number of New Equity Securities equal to such Enabled Stockholder's Preemptive Percentage that such Enabled Stockholder would have been entitled to pursuant to Section 6(d) multiplied by the aggregate number of New Equity Securities issued pursuant to this Section 6 with respect to such issuance; and

(ii) keep such offer open for a period of 20 days, during which period, each such Enabled Stockholder may accept such offer by sending a written acceptance to the Company committing to purchase up to such number of New Equity Securities offered to such Enabled Stockholder in the written offer delivered pursuant to Section 6(h)(i).

(i) Assignment. Subject to Section 2(b)(ii), each Enabled Stockholder shall be permitted to assign its rights (in whole or in part) to purchase its Preemptive Percentage of the New Equity Securities in a Participation Notice to one or more of its Permitted Transferees.

Section 7. Registration Rights

In connection with an Initial Public Offering, the Company shall enter into a customary registration rights agreement with the Investor Stockholders with respect to the registration of the Company's securities in form and substance reasonably satisfactory to the Investor Stockholders.

Section 8. Legend on Certificates

(a) Legends. To the extent applicable, each certificate representing one or more Shares held by any Stockholder shall bear each of the following legends until such time as the Shares represented thereby are no longer subject to the provisions hereof:

(i) "THE SHARES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AND HAVE BEEN ACQUIRED FOR INVESTMENT AND NOT WITH A VIEW TO, OR IN CONNECTION WITH, THE SALE OR DISTRIBUTION THEREOF. NO SUCH SALE OR DISTRIBUTION MAY BE EFFECTED WITHOUT AN EFFECTIVE REGISTRATION STATEMENT RELATED THERETO OR AN OPINION OF COUNSEL IN A FORM SATISFACTORY TO THE COMPANY THAT SUCH REGISTRATION IS NOT REQUIRED UNDER THE SECURITIES ACT OF 1933."

(ii) "THE SHARES REPRESENTED BY THIS CERTIFICATE MAY NOT BE TRANSFERRED, SOLD, ASSIGNED, PLEDGED, HYPOTHECATED OR OTHERWISE

DISPOSED OF OR EXCHANGED UNLESS SUCH TRANSFER, SALE, ASSIGNMENT, PLEDGE, HYPOTHECATION OR OTHER DISPOSITION OR EXCHANGE COMPLIES WITH THE PROVISIONS OF THE STOCKHOLDERS AGREEMENT, DATED AS OF FEBRUARY 24, 2021, AS AMENDED FROM TIME TO TIME, AMONG THE COMPANY AND THE STOCKHOLDERS PARTY THERETO, A COPY OF WHICH IS ON FILE WITH THE SECRETARY OF THE COMPANY.”

(iii) Any legend required by the Blue Sky laws of any state to the extent such laws are applicable to the Shares represented by the certificate so legended.

(b) Removal of Legends. At any time after the certificates of the Company are, in accordance with Section 8(a), no longer required to be legended, any holder of a certificate legended pursuant to Section 8(a) may surrender such certificate to the Company for removal of the legend, and the Company will, without expense to such holder, duly reissue a new certificate without the legend.

(c) Book-Entry Shares. The Stockholders acknowledge and agree that, unless otherwise determined by the Board, the Company intends for all of the Shares to be uncertificated and held in book-entry form. To the extent that the Shares are held in book-entry form, notwithstanding anything to the contrary contained herein: (i) all references in this Agreement to certificates representing Shares hereunder shall instead refer to such book-entries, (ii) any requirement in this Agreement to deliver a certificate representing Shares hereunder shall instead refer to an instrument of transfer evidencing the transfer of such book-entry Shares, (iii) any legend required pursuant to this Agreement to be borne on a certificate representing Shares hereunder shall instead refer to a notation of such legend in the book entries for such Shares, and (iv) any removal of legends on certificates representing Shares hereunder shall instead refer to the removal of the applicable notation in the book entries for such Shares.

Section 9. Duration of Agreement

This Agreement shall terminate and be of no further force or effect, except with respect to the provisions set forth in Sections 10(b) and 11, upon the earlier to occur of (i) a Company Sale and (ii) an Initial Public Offering. **FASHION HOLDINGS INTERMEDIATE, INC.
STOCKHOLDERS AGREEMENT**

This **STOCKHOLDERS AGREEMENT** (this “Agreement”), dated as of February 24, 2021, is by and among (i) Fashion Holdings Intermediate, Inc., a Delaware corporation (the “Company”), (ii) Fashion Holdings LLC, a Delaware limited liability company (together with its Permitted Transferees that hold Shares, the “Sponsor Investor”), and the Persons listed on Schedule A, as amended from time to time. Each of the Sponsor Investor and each Person listed on Schedule A is sometimes referred to herein as a “Stockholder” and, collectively, as the “Stockholders”. The Company and the Stockholders are sometimes referred to herein individually by name or as a “Party” and, collectively, as the “Parties”. The definitions of certain capitalized terms used herein are set forth in Section 12.

RECITALS

WHEREAS, the Company and the Stockholders desire to enter into this Agreement to provide for certain matters with respect to the ownership and transfer by the Stockholders of Shares owned as of the date hereof or hereafter acquired by the Stockholders.

NOW, THEREFORE, in consideration of the foregoing, and the mutual agreements set forth herein and other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the Parties, intending to be legally bound, hereby agree as follows:

Section 1. Board Rights; Approval for Certain Actions

(a) Board of Directors. Each Stockholder (severally and not jointly), in its capacity as a stockholder of the Company, and the Company, shall take all Necessary Actions to cause:

(i) the board of directors of the Company (the “Board” and, each member thereof, a “Director”) to be comprised of only that number of Directors necessary to give effect to the Director appointment rights set forth in Section 1(a)(ii);

(ii) the election to the Board of:

(A) that number of Directors designated by the Sponsor Investor (each, a “Sponsor Investor Designee”) which, when added to the number of Sponsor Investor Designees who are then Directors and will continue to serve as Directors without regard to such Necessary Action is four, so long as the Sponsor Investor holds at least 40% of the Total Common Shares; provided, however, that if the Sponsor Investor holds less than 40% of the Total Common Shares but greater than or equal to 30% of the Total Common Shares, then the Sponsor Investor shall be entitled to designate three Directors to the Board; and provided, further, that if the Sponsor Investor holds less than 30% of the Total Common Shares but greater than or equal to 20% of the Total Common Shares, then the Sponsor Investor shall be entitled to designate two Directors to the Board; and provided, further, that if the Sponsor Investor holds less than 20% of the Total Common Shares but greater than or equal to 10% of the Total Common Shares, then the Sponsor Investor shall be entitled to designate one Director to the Board; and provided, further, that if the Sponsor Investor holds less than 10% of the Total Common Shares, then the Sponsor Investor shall not be entitled to designate any Directors to the Board;

(B) that number of Directors designated by the Blackstone Investors (each, a “Blackstone Investor Designee”) which, when added to the number of Blackstone Investor

Designees who are then Directors and will continue to serve as Directors without regard to such Necessary Action, is two Directors so long as the Blackstone Investors collectively hold at least 20% of the Total Common Shares; provided, however, that if the Blackstone Investors collectively hold less than 20% of the Total Common Shares but greater than or equal to 10% of the Total Common Shares, then the Blackstone Investors shall be entitled to designate one Director to the Board; and provided, further, that if the Blackstone Investors collectively hold less than 10% of the Total Common Shares, then the Blackstone Investors shall not be entitled to designate any Directors to the Board; and

(C) that number of Directors designated by the KKR Investors (the “KKR Investor Designee”) which, when added to the number of KKR Investor Designees who are then Directors and will continue to serve as Directors without regard to such Necessary Action, is one Director so long as the KKR Investors collectively hold at least 10% of the Total Common Shares; provided, however, that if the KKR Investors collectively hold less than 10% of the Total Common Shares, then the KKR Investors shall not be entitled to designate any Directors to the Board;

(iii) the removal from the Board (with or without cause) of any Director upon the written request to the Board of the Investor Stockholder(s) having the right to designate such Director, including the removal of the Chair (as defined below) upon the written request of the Sponsor Investor;

(iv) upon any vacancy in the Board as a result of any individual designated by an Investor Stockholder pursuant to Section 1(a)(ii) ceasing to be a Director, whether by resignation, death, disability, disqualification or otherwise (but not as a result of the loss of a right to appoint a designee pursuant to Section 1(a)(ii) and/or the removal of a Director pursuant to Section 1(a)(v)), the election to the Board of an individual designated by such Investor Stockholder;

(v) the removal from the Board (with or without cause) of the appropriate number of Designees of an applicable Investor Stockholder in the event that the right to designate such Designees shall have terminated under Section 1(a)(ii) (unless such number of Designees have resigned from the Board), it being understood and agreed that such Investor Stockholder shall designate for removal, and use commercially reasonable efforts to cause the removal of, such Designees as promptly as reasonably practicable following such termination; and

(vi) the Sponsor Investor Designee so designated by the Sponsor Investor to be the Chair of the Board (the “Chair”), so long as the Sponsor Investor is entitled to designate at least one Sponsor Investor Designee pursuant to Section 1(a)(ii)(A).

(b) Initial Directors. The names of the individuals designated to be Directors pursuant to Section 1(a)(ii) as of the date of this Agreement are set forth in the initial corporate organizational resolutions of the Company executed and delivered as of the date hereof.

(c) Committees. The Board may designate one or more committees of the Board in accordance with the Company Bylaws (each, a “Board Committee”). Each such Board Committee shall be composed of one or more Directors; provided, however, that (i) a majority of the members on each such Board Committee shall be Sponsor Investor Designees, (ii) so long as at least one Blackstone Investor Designee serves on the Board, at least one Blackstone Investor Designee shall be entitled to serve as a member of such Board Committee, and (iii) so long as the KKR Investor Designee serves on the Board, such KKR Investor Designee shall be entitled to serve as a member of such Board Committee. Notwithstanding the immediately preceding sentence, in the event that the Board authorizes a Board Committee to evaluate or

negotiate, or establishes a Board Committee for the purpose of evaluating or negotiating, a transaction with an Investor Stockholder or any of its Affiliates, no Designee of such Investor Stockholder shall be entitled to serve on such Board Committee.

(d) Quorum. The presence in person of a majority of the total number of Directors then in office will constitute a quorum for the transaction of business of the Board or a Board Committee; provided, however, that no quorum shall exist unless (i) at least one Sponsor Investor Designee is present in person, so long as the Sponsor Investor is entitled to designate at least one Sponsor Investor Designee pursuant to Section 1(a)(ii)(A), (ii) at least one Blackstone Investor Designee is present in person, so long as the Blackstone Investors are entitled to designate at least one Blackstone Investor Designee pursuant to Section 1(a)(ii)(B) and (iii) the KKR Investor Designee is present in person, so long as the KKR Investors are entitled to designate the KKR Investor Designee pursuant to Section 1(a)(ii)(C). In the event that at least one Designee of an Investor Stockholder fails to attend two consecutive meetings of the Board or a Board Committee called and noticed in accordance with the Company Bylaws and this Agreement (such Designee, a “Non-Attending Director”), then the other Directors may provide written notice (the “Meeting Notice”) to the Non-Attending Director not less than three Business Days before the date of the third consecutive meeting of the Board or Board Committee. The Meeting Notice shall contain the date, time and agenda for the third consecutive meeting of the Board or Board Committee and shall state that the Non-Attending Director must attend such meeting or his or her presence shall not be required to constitute a quorum for such meeting. With respect to the third consecutive meeting of the Board following the Non-Attending Director’s failure to attend two consecutive meetings of the Board called and noticed in accordance with the Company Bylaws and this Agreement, the Non-Attending Director’s presence shall not be required to constitute a quorum for such meeting under this Section 1(d), but not with respect to any future meeting. For the avoidance of doubt, nothing in this Section 1(d) supersedes any provision of Section 1(g).

(e) Board Observers. The Sponsor Investor, the Blackstone Investors and the KKR Investors each shall have the right to appoint one observer (each, a “Board Observer”) (i.e., for a total of up to three Board Observers) to attend any meetings of the Board or a Board Committee for so long as such applicable Investor Stockholder(s) has the right to designate at least one Director to the Board pursuant to Section 1(a)(ii). No Board Observer shall have the right to vote on any matter that comes before the Board or a Board Committee. Each Board Observer shall receive (x) copies of all meeting materials distributed to the Board or applicable Board Committee and (y) notice of each meeting or action by written consent of the Board or such Board Committee, in each case at the same time and in the same manner as such materials are distributed to or notice is given to the Board or such Board Committee. Notwithstanding the foregoing, any meeting of the Board or Board Committee may exclude a Board Observer from access to any meeting materials or information or meeting or portion thereof or written consent if the Board or Board Committee determines, in good faith, that (i) such exclusion is reasonably necessary to protect highly confidential proprietary information of the Company or confidential proprietary information of third parties that the Company is required to hold in confidence or (ii) such access would reasonably be expected to result in a conflict of interest with the Company; provided, that such exclusion shall be limited to the portion of the meeting materials or information or meeting or written consent that is the basis for such exclusion and shall not extend to any portion of the meeting materials or information or meeting or written consent that does not involve or pertain to such exclusion. Each Board Observer shall be entitled to indemnification by the Company and to be covered under the Company’s director and officer insurance policies to the same extent as Directors as may be reasonably practicable. As a condition to the appointment of a Board Observer, he or she must execute a confidentiality agreement with the Company in customary form with respect to the information and discussions to which the Board Observer will have access. The names of the individuals designated to be Board Observers as of the date of this Agreement are set forth in the initial corporate organizational resolutions of the Company executed and delivered as of the date hereof.

(f) Expenses. The Company shall pay the reasonable and documented travel expenses (in accordance with the requirements of the Belk, Inc. travel policy for its employees) incurred by all Directors and Board Observers in connection with their attendance at meetings of the Board or any Board Committee. To the extent that an Investor Stockholder designates one or more Independent Directors to the Board (it being understood that up to all of the Designees of an Investor Stockholder may be Independent Directors), the Company shall compensate each such Independent Director for his or her service on the Board or any Board Committee in a manner and amount consistent with market practices for independent directors of similarly situated companies as determined by the Board. For the avoidance of doubt, Board Observers will not be eligible for any compensation from the Company for their services as a Board Observer.

(g) Investor Reserved Matters. The Parties shall take all Necessary Actions so that the Company shall not, and shall not permit any of its Subsidiaries to, effect any of the following (each an "Investor Reserved Matter") without the prior written consent of each Investor Stockholder, so long as each such Investor Stockholder (together with its Affiliates) holds at least five percent of the Total Common Shares:

(i) the entry into or consummation of any Company Sale;

(ii) any acquisition of the stock or other equity securities (whether by merger, consolidation, purchase of stock or other equity securities or otherwise) or the assets (outside the ordinary course of business) of any other Person, except where the aggregate consideration (including, (x) the assumption of indebtedness for borrowed money, whether direct or indirect, (y) any deferred or contingent consideration or (z) consideration paid in the form of above-market employment or consulting agreements) is not greater than \$10,000,000 in any single transaction or series of related transactions;

(iii) any disposition (by sale, lease or otherwise) of assets of the Company or its Subsidiaries outside the ordinary course of business, except where the aggregate consideration (including the assumption of indebtedness for borrowed money, whether direct or indirect) is not greater than \$10,000,000 in any single transaction or series of related transactions;

(iv) any issuance of additional Shares or other equity securities or securities convertible into or exchangeable or exercisable for Shares or other equity securities, except (A) in accordance with Section 6 or (B) the issuance of shares of Common Stock or Options to employees or other service providers of the Company or its Subsidiaries approved by the Board and pursuant to an Equity Incentive Plan approved in accordance with clause (ix) below;

(v) any redemption, purchase or other acquisition (whether direct or indirect) of any Shares or other securities of the Company or its Subsidiaries except (A) for Shares or other equity securities held by the Stockholders on a *pro rata* basis (based on the number of Shares or other equity securities of the applicable class held by the Stockholders (excluding any Shares or other equity securities issued under an Equity Incentive Plan that are not fully vested or otherwise limited in their ability to participate in any such redemption, purchase or other acquisition)), (B) Shares held by an employee of the Company or its Subsidiaries upon the termination of employment pursuant to an agreement or plan previously approved by the Board or (C) debt securities of the Company or its Subsidiaries in accordance with (x) the terms of the governing agreements pursuant to which they were issued or (y) the Amended Credit Agreements; provided, however, that, in addition to the consent of the Investor Stockholders required under this Section 1(g), any such non *pro rata* redemption, purchase or other acquisition (whether direct or indirect) of any Shares or other securities of the Company or its Subsidiaries (except as otherwise expressly permitted pursuant to any of the foregoing clauses (A) through (C) immediately above) shall require the prior

written consent of the holders of a majority of the Total Common Shares (excluding, solely for the purpose of this proviso, Shares held by any Investor Stockholder that (together with its Affiliates) holds at least five percent of the Total Common Shares);

(vi) the creation, incurrence or refinancing of any Indebtedness of the Company or its Subsidiaries, except (A) Indebtedness in an aggregate principal amount not in excess of \$15,000,000 at any time outstanding and (B) intercompany loans solely among the Company and any Subsidiary thereof, or among any Subsidiary of the Company and another Subsidiary thereof;

(vii) any making of any material change to the nature or scope of the business of the Company and its Subsidiaries, any exit from the line of business or any entry into any new material line of business, in each case, as compared to the business of the Company and its Subsidiaries on the date hereof;

(viii) any making of any capital expenditures or commitments therefor in excess of \$2,000,000 individually, or \$8,000,000 in the aggregate, in each case, in any fiscal year and except for capital expenditures or commitments that are reflected in an applicable annual business plan and budget for the Company that has been approved by the Board;

(ix) any adoption or termination of, or material amendment to (including any increase in the number of Shares issuable under) any Equity Incentive Plan;

(x) any entry into any transaction, contract, agreement or arrangement, or any amendment to any transaction, contract, agreement or arrangement, between the Company or any of its Subsidiaries, on the one hand, and the Sponsor Investor or its Affiliates (other than the Company or any of its Subsidiaries), on the other hand, unless on arm's length, commercially reasonable terms and approved by a majority of the Directors (other than the Sponsor Investor Designees), other than (A) any issuance of additional Shares or other equity securities or securities convertible into or exchangeable or exercisable for Shares or other equity securities in accordance with Section 6, (B) any redemption, purchase or other acquisition of any Shares or other securities in accordance with clause (v) above, (C) the declaration or making of any dividend or distribution in accordance with clause (xii) below or (D) those transactions, contracts, agreements and arrangements expressly contemplated by each of the RSA or the Plan (including any exhibits, annexes, schedules or supplements to the RSA or the Plan);

(xi) any entry into any amendment to the Company Charter or Company Bylaws;

(xii) the declaration or making of any dividend or distribution made in respect of the Shares or other equity securities of the Company or its Subsidiaries, except on a *pro rata* basis to the Stockholders (based on the number of Shares or other equity securities of the applicable class held by the Stockholders (excluding any Shares or other equity securities issued under an Equity Incentive Plan that are not fully vested or otherwise limited in their ability to participate in dividends or distributions)); provided, however, that, in addition to the consent of the Investor Stockholders required under this Section 1(g), any such non *pro rata* dividend or distribution shall require the prior written consent of the holders of a majority of the Total Common Shares (excluding, solely for the purpose of this proviso, Shares held by any Investor Stockholder that (together with its Affiliates) holds at least five percent of the Total Common Shares); or

(xiii) any entry into any agreement (whether oral or written) obligating the Company or any of its Subsidiaries to do any of the foregoing.

Section 2. Transfers

(a) Transfer Restrictions. No Stockholder shall Transfer any Shares except for the following:

(i) Transfers to a Permitted Transferee of such Stockholder; provided, that, in the event that a Person that acquires Common Stock as a Permitted Transferee of a Stockholder (including under Section 4(d) or Section 6(i)) (a “Transferring Stockholder”) ceases to be a Permitted Transferee of the Transferring Stockholder, such Permitted Transferee shall, simultaneously with ceasing to be a Permitted Transferee of the initial Transferring Stockholder, Transfer all such acquired Common Stock to the Transferring Stockholder;

(ii) Transfers to a Person (other than a Permitted Transferee); provided, that, if such Stockholder (together with its Affiliates) then owns at least two and one-half percent of the Total Common Shares, such Transfers must comply with and shall be subject to the provisions of Section 4 and Section 5;

(iii) Transfers made with the prior written consent of each of the Investor Stockholders;

(iv) subject to Section 1(g)(i), Transfers pursuant to a Company Sale; or

(v) Transfers in compliance with and subject to the provisions of Section 3, Section 4 and/or Section 5, as applicable.

(b) Other Restrictions on Transfers.

(i) In addition to the restrictions set forth elsewhere in this Agreement, except in connection with a Company Sale, any Transfer of Shares by a Stockholder to a transferee (and any assignment to a Permitted Transferee under Section 4(d) or Section 6(i)) shall be permitted only if the transferee shall agree in writing to be bound by, and comply with, the terms and conditions of this Agreement by executing a signature page in the form attached as Exhibit A hereto. Upon the execution of the signature page in the form attached as Exhibit A hereto, such transferee shall be deemed to be a Stockholder pursuant to this Agreement.

(ii) Notwithstanding anything to the contrary contained herein, without the prior written consent of the Board (which it may withhold in its sole discretion), no Stockholder shall Transfer any Shares to (A) any Person that the Board determines in good faith directly competes (as its primary business) in any material line of business engaged in by the Company or any of its Subsidiaries, (B) any Person that is a landlord of the Company or any of its Subsidiaries, (C) any Person that the Board determines in good faith is a material vendor of the Company or any of its Subsidiaries or (D) any controlled Affiliate of any of the Persons described in immediately foregoing clauses (A) through (C).

(iii) Each Stockholder understands and agrees that the Shares held by such Stockholder on the date hereof have not been registered under the Securities Act or under any securities laws. No Stockholder shall, directly or indirectly, Transfer such Shares (or solicit any offers in respect of any Transfer of such Shares), except in compliance with the Securities Act, any applicable securities laws and any restrictions on Transfer contained in this Agreement. No Stockholder shall, directly or indirectly, avoid the restrictions or obligations set forth in this Section 2 by Transferring any Shares to any other Person and then Transferring or permitting the Transfer of such other Person in whole or in part.

(iv) In connection with the Transfer of any Shares, the Stockholder holding such Shares will deliver at least five Business Days' prior written notice to the Company describing in reasonable detail the proposed Transfer. Prior to recognizing the Transfer of any Shares on the books and records of the Company, the transferring Stockholder will provide the Company with a written opinion of legal counsel reasonably satisfactory to the Company (unless such legal opinion is otherwise waived, in whole or in part, in the discretion of the Board), addressed to the Company and the Company's stock transfer agent, to the effect that the proposed Transfer (A) would not violate any U.S. federal securities laws or any state or foreign or provincial securities or "blue sky" laws (including any investor suitability standards) applicable to the Company or the Shares to be Transferred, (B) would not cause the Company to be required to register in any capacity pursuant to any U.S. federal securities laws or any state or foreign or provincial securities or "blue sky" laws, including as a result of the failure to comply with the safe harbor limitation described in Section 2(b)(v) below, (C) would not impose liability or reporting obligations on the Company or any Stockholder thereof or make any of them subject to the jurisdiction of any court or governmental entity anywhere other than the states, courts and governmental entities in which the Company is then subject to such liability, reporting obligations or jurisdiction and (D) complies with the conditions contained in this Section 2, whereupon the transferring Stockholder will be entitled to Transfer such Shares in accordance with the terms of the notice given by such Stockholder and in accordance with the terms and conditions of this Agreement and the Company Constitutional Documents.

(v) Notwithstanding any provision to the contrary in this Agreement, no Transfer of any Shares shall be permitted or recognized by the Company if and to the extent that such Transfer would cause the Company to exceed the safe harbor limitations set forth in 17 CFR Section 240.12g-1(b)(1).

(vi) The transferor and transferee of any Shares in the Company shall be jointly and severally obligated to reimburse the Company for all reasonable and documented out-of-pocket fees and expenses paid to outside counsel by the Company for any Transfer or proposed Transfer, whether or not consummated.

(vii) Any transferee receiving Shares in a Transfer pursuant to Section 4 or Section 5 hereof shall become a Stockholder, party to this Agreement and subject to the terms and conditions of, and be bound by and entitled to enforce, this Agreement to the same extent, and in the same capacity, as the Person that Transfers such Shares to such transferee; provided, that only a Permitted Transferee of an Investor Stockholder will be deemed to be an Investor Stockholder for purposes of this Agreement; and provided, further, that no Transfer by any holder of Shares to a Permitted Transferee shall relieve such holder of any of its obligations under this Agreement. For the avoidance of doubt, any transferee receiving Shares in a Transfer that is not an Investor Stockholder or a Permitted Transferee of an Investor Stockholder will become a party to this Agreement without the benefit of any rights hereunder accruing to Stockholders solely in their capacity as Investor Stockholders. Prior to the Transfer of any Shares to any transferee and as a condition thereto, each Stockholder effecting such Transfer shall (x) cause such transferee to deliver to the Company its written agreement, in form and substance reasonably satisfactory to the Company, to be bound by the terms and conditions of this Agreement, if not already bound by this Agreement, and (y) if such Transfer is to a Permitted Transferee, remain directly liable for the performance by such Permitted Transferee of all obligations of such transferee under this Agreement.

(viii) Any attempted Transfer of Shares not in accordance with the terms of this Section 2 shall be null and void, and the Company shall not in any way give effect to any such Transfer.

Section 3. Drag-Along Rights

(a) Drag-Along Right. At any time, the Board, subject to Section 1(g)(i), may require each Stockholder (each, a “Required Seller”) to participate (including by transferring its Shares) in a Company Sale to an unaffiliated third party (a “Drag-Along Transferee”) in a *bona fide* arm’s length transaction or series of related transactions (including pursuant to a stock sale, asset sale, recapitalization, tender offer, merger or other business combination transaction or otherwise) (such transaction or series of related transactions, a “Drag Sale”) at the purchase price and upon the terms set forth in the Drag-Along Notice (as defined below). In connection with a Drag Sale, each Required Seller shall (i) vote in favor of, and raise no objections against, such Drag Sale or act by written consent approving the same and vote in opposition of any and all other proposals that could reasonably be expected to delay or impair the consummation of such Drag Sale with respect to all Shares owned by such Required Seller, and (ii) subject to Section 3(c), execute any purchase agreement, merger agreement or other agreement entered into with the purchaser with respect to such Drag Sale and any ancillary agreement with respect thereto, as necessary or reasonably required to approve and consummate the Drag Sale. Without limiting the foregoing, if a Drag Sale requires the approval of the Stockholders, each Stockholder shall waive any applicable dissenters’ rights, appraisal rights or similar rights in connection with such Drag Sale. The consummation of a Drag Sale shall be subject to Board approval (subject to Section 1(g)(i)), which shall have no liability or obligation whatsoever (other than compliance with this Section 3) to any Required Sellers participating therein in connection with such Required Sellers’ Transfer of Shares.

(b) Notice. No later than two Business Days after being instructed to do so by the Board, the Company shall provide written notice (the “Drag-Along Notice”) of a Drag Sale to each Required Seller. In the event that the terms and/or conditions set forth in the Drag-Along Notice are thereafter amended in any material respect, the Company shall give written notice (an “Amended Drag-Along Notice”) of the amended terms and conditions of the proposed Transfer to each Required Seller. Each Drag-Along Notice and Amended Drag-Along Notice shall set forth: (i) the name of the Drag-Along Transferee and the number of Shares proposed to be purchased by such Drag-Along Transferee; (ii) the proposed amount and type of consideration and the material terms and conditions of payment offered by the Drag-Along Transferee; (iii) a summary of any other material terms of the Drag Sale, including any indemnification obligations or post-closing liabilities of each Required Seller; and (iv) a copy of the primary agreements effecting such Drag Sale. Upon the delivery of a Drag-Along Notice, no further Transfers of Shares by any Stockholder shall be permitted (including any Transfer to a Permitted Transferee) until such Drag-Along Notice is withdrawn or the Drag Sale is consummated. The Company shall provide prompt written notice to each Required Seller of the withdrawal of such Drag-Along Notice upon the termination or other abandonment of such Drag Sale.

(c) Exercise. All Transfers of Shares to the Drag-Along Transferee pursuant to this Section 3 shall be consummated simultaneously, unless the Board and the Drag-Along Transferee elect otherwise, on the date specified in the definitive purchase agreement pursuant to which the Drag Sale is to be consummated. In the event that the applicable Drag Sale is not consummated within three months (as may be extended, solely to the extent reasonably necessary to obtain any Governmental Approvals, for a reasonable period of time), then the Required Sellers shall not be obligated to Transfer any Shares in connection with the Drag Sale contemplated by such applicable Drag-Along Notice. At the closing of the Drag Sale, the Required Sellers shall deliver any stock certificates duly endorsed for transfer or with duly executed stock powers or similar instruments, or such other instrument of transfer of such Shares as may be reasonably requested by the Drag-Along Transferee and the Company. Each Required Seller shall be entitled to receive the same form and amount (on a per-Share basis) of consideration (the “Drag Share Consideration”); provided, however, that (A) in the event the Drag Share Consideration includes equity or equity-linked securities, and the receipt thereof by any Required Seller would be restricted or otherwise prohibited pursuant to such Required Seller’s organizational documents (as in existence at the time of

receipt of the Drag-Along Notice and as of immediately prior to the Drag Sale), the Board shall use its commercially reasonable efforts to provide such Required Seller with the opportunity to elect (in lieu thereof) either (1) to be paid an amount in cash equal to the fair market value (as determined in good faith by the Board) of such equity or equity-linked portion of the Drag Share Consideration that such Required Seller would otherwise receive in connection with the consummation of the Drag Sale (to the extent such cash is then available for such use, in the good faith discretion of the Board) or (2) to dispose of such equity or equity-linked securities to one or more third parties concurrently with the consummation of such Drag Sale; and (B) in lieu of any Drag Share Consideration payable to the other Required Sellers, any Required Seller that is a Management Stockholder may receive Drag Share Consideration in the form of rollover equity interests in the Drag-Along Transferee (or an Affiliate thereof) with a fair market value (as determined by the Board in good faith) equal to such portion of the Drag Share Consideration payable to the other Required Sellers. To the extent that the Stockholders provide any indemnification or otherwise assume any other post-closing liabilities in connection with the Drag Sale, the Required Sellers shall have no greater proportional requirement in respect thereof than any other Required Seller, and each Required Seller shall do so (and shall share in any related escrow or holdback) severally and not jointly (and on a *pro rata* basis in accordance with the Shares being sold by each as compared to the total number of Shares being sold) and their respective potential liability thereunder shall not exceed the proceeds received as consideration for their respective Shares, except in the event of fraud perpetrated by such Required Seller. Any indemnification or other post-closing liabilities related to the representations and warranties of a Required Seller shall (subject to the preceding sentence) be specific to the Required Seller making such representations and warranties. Each Required Seller shall only be required to give representations and warranties in connection with a Drag Sale regarding title to Shares conveyed (free and clear of all liens and encumbrances), due authorization, legal authority and capacity to transfer its Shares and absence of conflicts arising under, or consents required under, other agreements to which such Required Seller is a party. Each Required Seller shall be required to enter into any instrument, undertaking or obligation necessary or reasonably requested by the Board and to deliver all documents necessary or reasonably requested by the Board in connection with such Transfer in connection with this Section 3; provided, however, that, in connection with a Drag Sale, no Required Seller shall be required to become subject to any restrictive covenant other than customary confidentiality obligations applicable to each Required Seller and any restrictive covenant by which such Required Seller was bound immediately prior to the consummation of such Drag Sale. Each Required Seller shall be required to transfer its Shares pursuant to a Drag Sale free and clear of all liens and encumbrances.

(d) Drag Sale Expenses. Each Required Seller shall bear its *pro rata* portion of the third-party costs and expenses incurred in by the Company connection with any Drag Sale or other transaction (pursuant to this Agreement or otherwise) in which it sells its Shares to the extent not otherwise paid by the Company for the benefit of all holders.

Section 4. Right of First Offer

(a) Right of First Offer. If any Stockholder that (together with its Affiliates) holds at least two and one-half percent of the Total Common Shares as of the applicable date (a “Participating Stockholder”) desires to Transfer any Shares to any Person (other than to a Permitted Transferee or pursuant to the provisions of Section 3), then such Participating Stockholder must first notify in writing the Investor Stockholders of such proposed sale (the “ROFO Proposal Notice”), offering each Investor Stockholder the right to purchase its respective *pro rata* portion (based on the number of Shares held by such Investor Stockholder as compared to the total number of Shares held by all Investor Stockholders) of all such Shares for the proposed purchase price for such Shares and on the other material terms specified in such written notice (the “Proposal”).

(b) Exercise. Prior to the expiration of the period 10 Business Days after receipt of the ROFO Proposal Notice (the “Offer Period”), each Investor Stockholder may accept the Proposal by delivering written notice of such acceptance to the Participating Stockholder, including the number of Shares such Investor Stockholder wishes to purchase from the Participating Stockholder (an “Acceptance Notice”). The Participating Stockholder shall provide prompt written notice to each Investor Stockholder of the number of Shares each Investor Stockholder has elected to purchase pursuant to this Section 4(b). If any Investor Stockholder does not fully subscribe for the number of Shares it is entitled to purchase pursuant to this Section 4(b), then each Investor Stockholder that fully subscribed for the number of Shares that it was entitled to purchase pursuant to this Section 4(b) shall have the right, for a period of five Business Days after receipt of such notice (the “Secondary Offer Period”), to purchase that percentage of the remaining Shares offered under the ROFO Proposal Notice equal to (i) the total number of Shares owned by such fully participating Investor Stockholder divided by (ii) the total number of Shares owned by all fully participating Investor Stockholders that elected to purchase Shares under this Section 4(b).

(c) Closing. The closing of the purchase of Shares under this Section 4 shall be on the later of (i) a date that is no later than 10 Business Days after the end of the Secondary Offer Period or (ii) as soon as reasonably practicable following receipt of all Governmental Approvals and any approval of the Stockholders as may be required by applicable law. At such closing, (i) each Participating Stockholder shall only be required to give representations and warranties in connection with any Transfer made pursuant to and in accordance with this Section 4 regarding title to Shares conveyed (free and clear of all liens and encumbrances), due authorization, legal authority and capacity and absence of conflicts arising under, or consents required under, other agreements to which such Participating Stockholder is a party, and (ii) the Participating Stockholder shall deliver to the applicable Investor Stockholders any stock certificates duly endorsed for transfer or with duly executed stock powers or similar instruments, or such other instruments of transfer to such Shares as may be reasonably requested by such Investor Stockholders.

(d) Assignment. Subject to Section 2(b)(ii), each Investor Stockholder shall be permitted to assign its rights (in whole or in part) to purchase its *pro rata* portion of the Shares in the ROFO Proposal Notice to one or more of its Permitted Transferees.

(e) Deadline for Completion of Sale. The Participating Stockholder shall have 60 days following the expiration of the Offer Period (or, if applicable, the Secondary Offer Period) in which to sell to any Person (subject to the other terms and conditions of this Agreement) the Shares described in the ROFO Proposal Notice, on terms no less favorable to the Participating Stockholder (*i.e.*, a lower price per Share) than those set forth in the ROFO Proposal Notice (which such 60-day period may be extended for a reasonable time not to exceed 120 days to the extent reasonably necessary to obtain any Governmental Approvals and any approval of the Stockholders as may be required by applicable law). If at the end of such period the Participating Stockholder has not completed such sale, the Participating Stockholder may not then effect a sale of such Shares subject to this Section 4 without again fully complying with the provisions of this Section 4.

Section 5. Tag Rights

(a) Notice. In the event that any Investor Stockholder (together with its Affiliates) intends to Transfer more than five percent of the Total Common Shares to a third party (other than a Permitted Transferee and excluding any Transfer in connection with a Drag Sale) (any such Transfer, a “Tag Sale”), such Investor Stockholder and its Affiliates (collectively, the “Transferring Tag Stockholder”), shall instruct the Company to provide written notice (a “Tag Notice”) to each other Investor Stockholder that (together with its Affiliates) holds at least five percent of the Total Common Shares (each, a “Tagging Investor Stockholder”), which Tag Notice must be delivered to each such other Investor Stockholder at least 10 Business Days prior to the consummation of the Tag Sale. The Tag Notice shall contain the terms

on which the Transferring Tag Stockholder proposes to Transfer Shares, including (i) the price per Share, (ii) any indemnification to be provided by the Transferring Tag Stockholder, (iii) the form of consideration to be received in respect of the Shares, (iv) the number of Shares held by the Transferring Tag Stockholder that such Transferring Tag Stockholder desires to Transfer (the “Tag Goal”), (v) the total number of Shares then held by the Transferring Tag Stockholder and (vi) any other material terms related to the Transfer.

(b) Tag Right. Each Tagging Investor Stockholder shall have the right (the “Tag Right”), exercisable upon written notice to the Transferring Tag Stockholder of such Tagging Investor Stockholder’s election to exercise its Tag Right, which notice shall be delivered to the Transferring Tag Stockholder within 10 Business Days of the receipt of the Tag Notice (such period, the “Tag Election Period”), to sell a number of such Tagging Investor Stockholder’s Shares (such Shares, the “Tag Shares”) up to its Tag Share Limit pursuant to the Tag Sale, which such number of Shares must be included in such Tagging Investor Stockholder’s written notice to the Transferring Tag Stockholder. Any Tagging Investor Stockholder that fails to exercise its Tag Right during the Tag Election Period thereby foregoes its Tag Right in respect of that Tag Notice. Each Tagging Investor Stockholder who properly exercises its Tag Right during the Tag Election Period (each, a “Tag Seller”) shall be required to participate in the Tag Sale to the extent it is consummated on the terms set forth in the Tag Notice, and shall not be permitted to revoke its Tag Right election unless the Transferring Tag Stockholder has withdrawn from the Tag Sale pursuant to Section 5(c). Notwithstanding anything to the contrary contained herein, in the event that an Investor Stockholder has elected to purchase Shares in connection with a particular Transfer under Section 4, such Investor Stockholder may not elect to exercise the Tag Right in connection with such Transfer under this Section 5.

(c) Transferring Tag Stockholder Cutback. To the extent the transferee (the “Tag Buyer”) of the Shares pursuant to the Tag Sale is unwilling to purchase both the Tag Goal and all of the Tag Shares of the Tag Sellers, then the Transferring Tag Stockholder may elect to either cancel such Tag Sale or allocate the maximum number of Shares that the Tag Buyer is willing to purchase *pro rata* among the Tag Sellers and the Transferring Tag Stockholder as follows: each Tag Seller and the Transferring Tag Stockholder shall be entitled to sell a number of Shares (not to exceed, for any Tag Seller, the number of Shares identified in its tag election notice) equal to the product of (i) the maximum number of Shares that the Tag Buyer is willing to purchase and (ii) a fraction (A) the numerator of which is the number of Shares owned by such Tag Seller or Transferring Tag Stockholder, and (B) the denominator of which is the total number of Shares owned by all Tag Sellers and the Transferring Tag Stockholder. The Transferring Tag Stockholder shall use its reasonable best efforts to obtain the agreement of the Tag Buyer to the participation of the Tag Sellers in any contemplated Tag Sale and no Transferring Tag Stockholder shall Transfer any Shares to any Tag Buyer pursuant to a Tag Sale if such Tag Buyer declines to allow the participation of the Tag Sellers on the terms provided herein, unless in connection with such Tag Sale, one or more of the Transferring Tag Stockholders purchase the number of Shares from each Tag Seller that such Tag Seller would have been entitled to sell pursuant to this Section 5 at the same price and on the same terms and conditions on which such Shares would have been sold to the Tag Buyer pursuant to this Section 5.

(d) Closing. The closing of the Tag Sale shall be held on the later of (i) a Business Day not less than 10 nor more than 60 days after the latest of (A) the end of the Tag Election Period, (B) the end of the Offer Period under Section 4 applicable to the Transfer of the applicable Shares and (C) the end of any Secondary Offer Period under Section 4 applicable to the Transfer of the applicable Shares or (ii) as soon as reasonably practicable following receipt of all Governmental Approvals and any approval of the Stockholders as may be required by applicable law. At the closing of the Tag Sale, the Transferring Tag Stockholder and the Tag Sellers shall deliver any stock certificates duly endorsed for transfer or with duly executed stock powers or similar instruments, or such other instruments of transfer to such Shares as may be reasonably requested by the Tag Buyer and the Company. The consummation of such proposed Transfer shall be subject to the sole discretion of the Transferring Tag Stockholder, who shall have no liability or obligation whatsoever (other than compliance with this Section 5) to any Tagging Investor Stockholder.

On a per-Share basis, each Tag Seller shall receive the same amount and form of consideration, and on the same terms, as received by the Transferring Tag Stockholder. To the extent that the Transferring Tag Stockholder and the Tag Sellers provide any indemnification or otherwise assume any other post-closing liabilities in connection with the Tag Sale, the Transferring Tag Stockholder and the Tag Sellers shall do so (and shall share in any related escrow or holdback) severally and not jointly (and on a *pro rata* basis in accordance with the Shares being sold by each as compared to the total number of Shares being sold) and their respective potential liability thereunder shall not exceed the proceeds received as consideration for their respective Shares, except in the event of fraud perpetrated by such Transferring Tag Stockholder or Tag Seller. Any indemnification or other post-closing liabilities related to such representations and warranties shall (subject to the preceding sentence) be specific to the Tag Seller making such representations and warranties. Each Tag Seller shall only be required to give representations and warranties in connection with a Tag Sale regarding title to Shares conveyed (free and clear of all liens and encumbrances), due authorization, legal authority and capacity and absence of conflicts arising under, or consents required under, other agreements to which such Tag Seller is a party. The Transferring Tag Stockholder and each Tag Seller shall be required to enter into any instrument, undertaking or obligation necessary or reasonably requested and deliver all documents necessary or reasonably requested in connection with such Tag Sale; provided, however, that, in connection with a Tag Sale, no Tag Seller shall be required to become subject to any restrictive covenant other than customary confidentiality obligations and any restrictive covenant by which such Tag Seller was bound immediately prior to the consummation of such Tag Sale. The Transferring Tag Stockholder and each Tag Seller shall be required to Transfer their respective Shares pursuant to a Tag Sale free and clear of all liens and encumbrances.

(e) Deadline for Completion of Tag Sale. The Transferring Tag Stockholder shall have 60 days following the latest of (i) the end of the Tag Election Period, (ii) the end of the Offer Period under Section 4 applicable to the Transfer of the applicable Shares and (iii) the end of any Secondary Offer Period under Section 4 applicable to the Transfer of the applicable Shares in which to sell the Shares described in the Tag Notice, on terms not less favorable to the Transferring Tag Stockholder (*i.e.*, a lower price per Share) than those set forth in the Tag Notice (which such 60-day period may be extended for a reasonable time not to exceed 120 days to the extent reasonably necessary to obtain any Governmental Approvals and any approval of the Stockholders as may be required by applicable law). If at the end of such period the Transferring Tag Stockholder has not completed such sale, the Transferring Tag Stockholder may not then effect a sale of such Shares subject to this Section 5 without again fully complying with the provisions of this Section 5.

Section 6. Preemptive Rights

(a) General. If at any time the Company proposes to issue any New Equity Securities (other than to the Company or a Subsidiary thereof), the Company shall give each Stockholder (other than any Management Stockholder) (each, an “Enabled Stockholder”) a right (a “Preemptive Right”) to purchase or subscribe for its *pro rata* portion of such New Equity Securities based on the number of Shares held by such Enabled Stockholder prior to such issuance as compared to the total outstanding Shares of the Company at such time (the “Preemptive Percentage”).

(b) Participation Notice. At least 10 Business Days prior to the proposed date of issuance of New Equity Securities to which a Preemptive Right would apply, the Company shall deliver written notice (a “Participation Notice”) to each Enabled Stockholder stating (i) its intention to issue New Equity Securities and the date (or range of dates) of such issuance, (ii) the number and type of New Equity Securities to be issued, (iii) such Enabled Stockholder’s Preemptive Percentage, and (iv) the price and terms, if any, upon which it proposes to issue such New Equity Securities.

(c) Accredited Investors. The Preemptive Rights granted by this Section 6 shall be exercisable only by “accredited investors” as defined under Section 501 of Regulation D of the Securities Act. In the event that exercise of an Enabled Stockholder’s Preemptive Right under this Section 6 would require under applicable law the registration or qualification of such New Equity Securities or of any Person as a broker or dealer or agent with respect to such New Equity Securities where such registration or qualification is not otherwise required for the issuance, such Enabled Stockholder shall not have the right to participate in the issuance. Without limiting the generality of the foregoing, it is understood and agreed that the Company has no obligation to effect a registration of such New Equity Securities under the Securities Act or similar state statutes.

(d) Offer Periods; Terms of Sale. At any time prior to the close of business on the 10th Business Day after its receipt of the Participation Notice, each Enabled Stockholder may elect to purchase or obtain, at the price and on the terms specified in the Participation Notice, up to such Enabled Stockholder’s Preemptive Percentage. The purchase or subscription by the Enabled Stockholders pursuant to this Section 6 shall be on the same price and other terms and conditions, including the date of sale or issuance, as are applicable to the purchasers or subscribers of the additional New Equity Securities whose purchases or subscriptions give rise to the Preemptive Rights (the “Purchasing Holders”).

(e) Failure to Issue Shares. If the Company does not issue New Equity Securities on the date (or during the range of dates) proposed in the Participation Notice, then no Stockholder shall have a right to subscribe for New Equity Securities pursuant to a Preemptive Right. The Company shall be required to issue a new Participation Notice in accordance with this Section 6 prior to issuing any New Equity Securities to which a Preemptive Right applies.

(f) Closing. On or before the date the Company issues the New Equity Securities to which the Preemptive Right applies, any Enabled Stockholder who exercised that right must pay for the New Equity Securities by wire transfer of immediately available funds. If an Enabled Stockholder fails to transfer the funds on the closing date, which failure to transfer is not cured by a wire transfer of immediately available funds no later than 5:00 P.M., prevailing Eastern Time, on the following Business Day, then such Enabled Stockholder shall not be issued any New Equity Securities and shall thereafter have no Preemptive Right for such issuance.

(g) Exceptions.

The Preemptive Rights shall not apply to:

(i) the issuance or sale of Shares to employees (and their affiliated entities), consultants or Directors of the Company or any of its Subsidiaries pursuant to a stock option plan, restricted stock plan, stock purchase plan or any other equity incentive plan, arrangement or agreement, in each case, approved by the Board or the appropriate committee of the Board;

(ii) the issuance of Stock upon the exercise or conversion of any Convertible Securities or exercisable Shares outstanding on the date hereof or issued after the date hereof in compliance with the provisions of this Section 6;

(iii) the issuance of Shares as consideration for (A) any business combination or acquisition transaction involving the Company or any of its Subsidiaries or (B) any joint venture or strategic partnership entered into primarily for purposes other than raising capital, in each case, approved by the Board;

(iv) the issuance of Shares in exchange for debt securities;

(v) the issuance of Shares, not in excess of five percent of the total number of issued and outstanding Shares, to lenders, bond purchasers or other financial institutions in connection with a *bona fide* financing transaction involving the Company or any of its Subsidiaries that has been approved by the Board;

(vi) the issuance of Shares pursuant to a stock split, stock dividend, combination, reorganization, recapitalization or similar event, in each case, approved by the Board; or

(vii) the issuance of Shares pursuant to an Initial Public Offering.

(h) Post-Issuance Notice. Notwithstanding the requirements of this Section 6, the Company may proceed with any issuance of New Equity Securities prior to having complied with the provisions of Section 6; provided, that the Company shall:

(i) as soon as reasonably practicable, offer in writing to each Enabled Stockholder the right to purchase from the Purchasing Holders up to such number of New Equity Securities equal to such Enabled Stockholder's Preemptive Percentage that such Enabled Stockholder would have been entitled to pursuant to Section 6(d) multiplied by the aggregate number of New Equity Securities issued pursuant to this Section 6 with respect to such issuance; and

(ii) keep such offer open for a period of 20 days, during which period, each such Enabled Stockholder may accept such offer by sending a written acceptance to the Company committing to purchase up to such number of New Equity Securities offered to such Enabled Stockholder in the written offer delivered pursuant to Section 6(h)(i).

(i) Assignment. Subject to Section 2(b)(ii), each Enabled Stockholder shall be permitted to assign its rights (in whole or in part) to purchase its Preemptive Percentage of the New Equity Securities in a Participation Notice to one or more of its Permitted Transferees.

Section 7. Registration Rights

In connection with an Initial Public Offering, the Company shall enter into a customary registration rights agreement with the Investor Stockholders with respect to the registration of the Company's securities in form and substance reasonably satisfactory to the Investor Stockholders.

Section 8. Legend on Certificates

(a) Legends. To the extent applicable, each certificate representing one or more Shares held by any Stockholder shall bear each of the following legends until such time as the Shares represented thereby are no longer subject to the provisions hereof:

(i) "THE SHARES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AND HAVE BEEN ACQUIRED FOR INVESTMENT AND NOT WITH A VIEW TO, OR IN CONNECTION WITH, THE SALE OR DISTRIBUTION THEREOF. NO SUCH SALE OR DISTRIBUTION MAY BE EFFECTED WITHOUT AN EFFECTIVE REGISTRATION STATEMENT RELATED THERETO OR AN OPINION OF COUNSEL IN A FORM SATISFACTORY TO THE COMPANY THAT SUCH REGISTRATION IS NOT REQUIRED UNDER THE SECURITIES ACT OF 1933."

(ii) "THE SHARES REPRESENTED BY THIS CERTIFICATE MAY NOT BE TRANSFERRED, SOLD, ASSIGNED, PLEDGED, HYPOTHECATED OR OTHERWISE

DISPOSED OF OR EXCHANGED UNLESS SUCH TRANSFER, SALE, ASSIGNMENT, PLEDGE, HYPOTHECATION OR OTHER DISPOSITION OR EXCHANGE COMPLIES WITH THE PROVISIONS OF THE STOCKHOLDERS AGREEMENT, DATED AS OF FEBRUARY 24, 2021, AS AMENDED FROM TIME TO TIME, AMONG THE COMPANY AND THE STOCKHOLDERS PARTY THERETO, A COPY OF WHICH IS ON FILE WITH THE SECRETARY OF THE COMPANY.”

(iii) Any legend required by the Blue Sky laws of any state to the extent such laws are applicable to the Shares represented by the certificate so legended.

(b) Removal of Legends. At any time after the certificates of the Company are, in accordance with Section 8(a), no longer required to be legended, any holder of a certificate legended pursuant to Section 8(a) may surrender such certificate to the Company for removal of the legend, and the Company will, without expense to such holder, duly reissue a new certificate without the legend.

(c) Book-Entry Shares. The Stockholders acknowledge and agree that, unless otherwise determined by the Board, the Company intends for all of the Shares to be uncertificated and held in book-entry form. To the extent that the Shares are held in book-entry form, notwithstanding anything to the contrary contained herein: (i) all references in this Agreement to certificates representing Shares hereunder shall instead refer to such book-entries, (ii) any requirement in this Agreement to deliver a certificate representing Shares hereunder shall instead refer to an instrument of transfer evidencing the transfer of such book-entry Shares, (iii) any legend required pursuant to this Agreement to be borne on a certificate representing Shares hereunder shall instead refer to a notation of such legend in the book entries for such Shares, and (iv) any removal of legends on certificates representing Shares hereunder shall instead refer to the removal of the applicable notation in the book entries for such Shares.

Section 9. Duration of Agreement

This Agreement shall terminate and be of no further force or effect, except with respect to the provisions set forth in Sections 10(b) and 11, upon the earlier to occur of (i) a Company Sale and (ii) an Initial Public Offering. For the avoidance of doubt, in no event shall this Agreement apply to any transferee of Shares permitted pursuant to this Agreement unless such transferee becomes a Party to this Agreement or this Agreement expressly provides that such transferee must become a Party to, and be bound by, the terms of this Agreement.

Section 10. Information Rights

(a) Financial Statements and Other Information. Each Stockholder that (together with its Affiliates) holds at least five percent of the Total Common Shares (other than any Management Stockholder) shall have the inspection rights set forth in Section 220 of the General Corporation Law of the State of Delaware and, in addition thereto, the Company shall deliver to each of the aforementioned Stockholders:

(i) the audited financial statements described in Section 6.01(1) of the Amended First Lien Credit Agreement, to be delivered in accordance with the required delivery dates and each of the other substantive requirements set forth in Section 6.01(1) of the Amended First Lien Credit Agreement;

(ii) the quarterly financial statements set forth in Section 6.01(2) of the Amended First Lien Credit Agreement, to be delivered in accordance with the required delivery dates and each of

the other substantive requirements set forth in Section 6.01(2) of the Amended First Lien Credit Agreement;

(iii) as soon as reasonably practicable after it becomes available but no later than 30 days after the end of each fiscal month, a monthly financial report of the Company and its Subsidiaries in the same form and substance as the Company's standard internal monthly reporting package provided to senior management;

(iv) the budget and projections set forth in Section 6.01(3) of the Amended First Lien Credit Agreement, to be delivered in accordance with the required delivery dates and each of the other substantive requirements set forth in Section 6.01(3) of the Amended First Lien Credit Agreement; and

(v) upon request by such Stockholder, any additional information regarding the affairs, finances and accounts of the Company and its Subsidiaries that is reasonably required by such Stockholder in order to prepare and file tax returns in accordance with applicable laws.

(b) Confidential Information. From and after the date hereof, each Stockholder shall not directly or indirectly, disclose, reveal, divulge or communicate to any Person or use or otherwise exploit for its own benefit or for the benefit of anyone other than the Company and its Subsidiaries, any confidential information of the Company or its Subsidiaries or their business obtained pursuant to this Section 10 or otherwise, unless (i) compelled to disclose by judicial or administrative process or by other requirements of law or governmental authorities or (ii) disclosed in an action brought by a Party in pursuit of its rights or in the exercise of its remedies hereunder; provided, however, that (A) such Stockholder may disclose such confidential information to its Affiliates and its and their respective officers, directors, agents, employees, equity owners, investors, accountants, limited partners, counsel and other representatives who need to know such confidential information for purposes of evaluating or monitoring such Stockholder's investment in the Company and who agree to be bound by the terms of this Section 10(b) or otherwise have a professional duty of confidentiality with respect to information received from such Stockholder, it being acknowledged and agreed by each Stockholder that such Stockholder shall be liable for any breach of this Section 10 by any of its representatives; (B) such Stockholder may disclose such confidential information to any prospective transferee of Shares from such Stockholder in a Transfer permitted under this Agreement, as long as such prospective transferee agrees to be bound by the terms of a confidentiality or non-disclosure agreement on terms no less restrictive than this Section 10(b) and (C) in the event disclosure is required by applicable law, such Stockholder shall, to the extent reasonably possible, provide the Company with prompt notice of such requirement prior to making any disclosure so that the Company, at its own expense, may seek an appropriate protective order. For purposes of this Section 10(b), "confidential information" does not include, and there shall be no obligation hereunder with respect to, information that (1) is generally available to the public on the date of this Agreement or (2) becomes generally available to the public other than as a result of a disclosure not otherwise permissible hereunder.

Section 11. Miscellaneous

(a) Successors, Assigns and Transferees. Except (i) as expressly provided in Section 4(d) and Section 6(i), and (ii) for the rights, interests and obligations expressly contained herein of a Stockholder that has been transferred Shares in a Transfer made in accordance with Section 2, Section 3, Section 4 and/or Section 5, neither this Agreement nor any of the rights, interests or obligations hereunder (including, for the avoidance of doubt, the rights under Section 1(a)(ii) and Section 1(g)) shall be assigned by any Party, in whole or in part, without the prior written consent of each Investor Stockholder that (together with its Affiliates) holds at least five percent of the Total Common Shares, and any attempt to make such assignment without such written consent shall be null and void. This Agreement shall be binding upon and inure to the

benefit of the Parties and their respective legal representatives, heirs, legatees, successors, and permitted assigns and shall also apply to any Shares acquired by Stockholders after the date hereof.

(b) Specific Performance. Each of the Parties recognizes and acknowledges that a breach by him, her or it of any covenants or agreements contained in this Agreement will cause the other Parties to sustain irreparable harm for which they would not have an adequate remedy at law, and therefore in the event of any such breach the aggrieved Party or Parties shall, without the posting of a bond or other security (any requirement for which the Parties hereby waive), be entitled to the remedy of specific performance of such covenants and agreements and injunctive and other equitable relief, in addition to any other remedy to which he, it or they may be entitled, at law or in equity (which such other remedies shall not be prejudiced by the grant of equitable relief). A Party shall be entitled to an injunction or injunctions to prevent breaches of this Agreement. In the event that any action is brought in equity to enforce the provisions of this Agreement, no Party will allege, and each Party hereby waives the defense or counterclaim, that there is an adequate remedy at law.

(c) Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws, and not the law of conflicts which would result in the application of the laws of another jurisdiction, of the State of Delaware.

(d) Submission to Jurisdiction; Waiver of Jury Trial. Each of the Parties hereby irrevocably and unconditionally consents to submit to the exclusive jurisdiction of the Chancery Court of the State of Delaware or, to the extent such court shall not have jurisdiction over the subject matter, any state or federal court sitting in New Castle County, Delaware, for any action, proceeding or investigation in any court or before any governmental authority ("Litigation") arising out of or relating to this Agreement (and shall not commence any Litigation relating thereto except in such court). Service of any process, summons, notice or document by U.S. registered mail to a Party's notice address, as provided for in this Agreement, shall be effective service of process for any Litigation brought against it in any such court. Each of the Parties hereby irrevocably and unconditionally waives any objection to the laying of venue of any Litigation arising out of this Agreement or the transactions contemplated hereby in the Chancery Court of the State of Delaware or, to the extent such court shall not have jurisdiction over the subject matter, in any state or federal court sitting in New Castle County, Delaware, and hereby further irrevocably and unconditionally waives and shall not plead or claim in any such court that any such Litigation brought in any such court has been brought in an inconvenient forum. **Each of the Parties irrevocably and unconditionally waives, to the fullest extent permitted by applicable law, any and all rights to trial by jury in connection with any Litigation arising out of or relating to this Agreement or the transactions contemplated hereby.**

(e) Descriptive Headings. The descriptive headings of this Agreement are inserted for convenience only and do not constitute a part of this Agreement.

(f) Notices. All notices, requests or consents provided for or permitted to be given under this Agreement shall be in writing and shall be given either by depositing such writing in the United States mail, addressed to the recipient, postage paid and certified with return receipt requested, or by depositing such writing with a reputable overnight courier for next day delivery, or by delivering such writing to the recipient in person, by courier or by email transmission (with electronic confirmation of transmission). A notice, request or consent given under this Agreement shall be deemed received when actually received if personally delivered, when transmitted, if transmitted by email with electronic confirmation, the day after it is sent, if sent for next day delivery and upon receipt, if sent by mail.
